The Summerside Board of Trade met last evening at Amalgamated Airlines Ltd. for the regular monthly meeting presided over by the president, Mr. John Mungall.

The secretary, Mr. Harold Rodd, read a letter from Mr. George Fraser, director of the P.E.I. Travel Bureau which suggested the appointment of a board member to a convention committee which will work in cooperation with the Travel Bureau in promoting P.E.I. as a site for conventions. Mr. Dan Ohan was appointed to this committee.

On motion of Mr. Ross MacKenzie the meeting decided to invite Mr. Nelson Mann, executive manager of the Atlantic Provinces Economic Council to be guest speaker at the Board's annual meeting, the date of which was tentatively set as the second last Tuesday in January. Mr. Mann's invitation was further supported by Mr. Mungall and was approved by Mr. John Wright who stated that very little is known in this part of the Province about A.P.E.C. and felt that the annual meeting, with Mr. Mann as speaker, would provide an excellent opportunity to learn much more.

Mr. MacKenzie reporting for the membership and attendance committee stated that he had discussed the broadcasting of Board of Trade meetings with Mr. Robert Schurman, manager of station CJRW and that full cooperation has been extended. On motion it was decided to go ahead in making arrangements with the radio station for some form of broadcast (recorded or direct) on the proceedings of board meetings.

COMPLETES LIST Mr. Wright, chairman of the industrial development committee said he had received a letter from the secretary of the Maritime Provinces Board of Trade informing Trade recorded and which sessions were organized to consider the question, "can an vacation be used as a Christian witness." Opinions from the various buzz groups varied widely but unanimity was reached in the belief that all jobs offered a chance to witness but not all to the same degree.

District Gov. Visits S'ide Y's Men' Club

Y's Men's District Governor, Dr. Bill Carson, of Charlottetown, was the guest speaker at the regular weekly meeting of the Summerside Y's Men's Club last night at the Green Street Y. Centre. Before beginning his talk the District Governor read a letter from an early member of the Summerside club, Heath R. MacQuarrie, to Jack MacNair of the Charlottetown Alpha Club.

Dr. Carson's talk was based on the Y's Men's motto, "to acknowledge the duty that accompanies every right."

He classified the "duty" of the Y's Men as consisting of "duty to duty to country, duty to God, duty to neighbour, and duty to self."

Dr. Carson was introduced to the club by Y's Clarence Mercer, and thanked on behalf of the club by Y's Ken Walker.

The balance of the meeting was devoted to business under the chairmanship of Y's Keith Pickard, with Y's Charles Ballem as song leader, and Y's Eric Sheen collecting fines.

Y's Charles Ballem asked the club members to attend a Hi-Y induction service being held in the Baptist Church on Saturday evening at 8 p.m. Y's Don Adams called for volunteers to fill a vacancy in the leadership in one of the Cub Packs sponsored by the Y's Men, and suggested that the club leaders hold a meeting to compare notes.

Y's Harold Rodd asked the club regarding a date on which the Nativity Scene is to be erected, and it was decided that this should be no later than December 17th.

Y's Hilary Clark reminded the club of the blood donors clinic being held in Summerside next Monday.

Guest present for the meeting was Claude Smith of the Charlottetown Alpha Club.

TOURIST REPORT

In the tourist committee report Mr. Edgar Cannon outlined several topics discussed at a meeting held in Amherst in November. These topics he said, included a tourist map of all three Maritime Provinces rather than individual maps; joint advertising for the different travel bureaus; package trips for tourists throughout the three provinces. He stated nothing definite was decided at the meeting on these matters.

Mr. Cannon also said that the Tourist Bureau at Aulac will probably undergo improvement alterations before next summer.

One new member, Mr. J. MacLagan, manager of the Summerside branch of the Bank of Nova Scotia, was welcomed.

After the meeting adjourned Mr. Wright, manager of Amalgamated Dairies Ltd. told of the formation of the blood donors clinic and along with Mr. Lorne Mackenzie and several other staff members conducted a tour through the plant. The making of ice cream and several other operations of the plant were witnessed and ice cream and other snacks were enjoyed by the board members.
