

# FALL FEST

IN W

Fall Fest 79 has now come and gone. In case anyone missed it or just doesn't remember, Fall Fest was last week, Oct. 11-13th.

Thursday afternoon saw caps and chugging tournaments in the Barn. There was one group of guys who just couldn't figure out what order they were to drink in. But over all the chugging went off well with the winners being David Robins, Gary Robins, David MacKenzie and Sandy MacKinnon. (Rumour hath it that these guys were all Freshmen, and put the rest to shame!)

Thursday night, Buddie and the Boys packed the Barn. A large crowd was in attendance and a good time was had by all.

Friday afternoon was the Games Pub. The winner of the crib tournament was John Campbell & Barry Walsh. The winner of the backgammon tournament was John McArruther.

Friday night, on the other hand, did not see a good crowd. The Harvest Ball saw only a small amount of couples, but those few had a great time. It was too bad more people didn't go.

Saturday afternoon our Football Panthers lost to U.N.B. but a large crowd did sit out in the cold to cheer them on.
