

Millionaires Defeat Moncton Hawks 4-1; Hawks In Third Place

MONCTON, N. B., Oct. 25 (CP)—Goalie Nick Pidsodny was sensational at times tonight as Sydney Millionaires racked up their first win of the season over Moncton Hawks, a 4-1 verdict on the Moncton team's home ice.

The loss dumped Hawks back into third place in the Maritime Major Hockey League standings behind Glace Bay Miners, who moved into sole possession of second place by downing the winless Charlottetown Islanders 3-0 at Charlottetown.

Pidsodny was the pick of the Sydney crew, especially in the third frame as he held off a desperate crew of Hawks. Only one goal, by sharpshooting Danny Horeck, dented Pidsodny's armor.

Sydney took the lead in the second period when Laurie Petersen scored at 17:33 on George Robertson's pass. Alex Birukow made it 2-0 a minute later on a passing play with Dean McBride and Ken Storey.

Sam Kennedy opened the scor-

ing in the third, with Petersen getting the assist, his second point of the night.

Horeck made it 3-1 on Ronnie Matthews' pass and Robertson consolidated the Sydney victory when he banged in Ed Marineau's pass.

Sydney outshot Hawks 10-7 in the first period, but were outgunned eight to six in the second. Pidsodny handled 13 drives in the last frame as Hawks applied the pressure.

Hawks Legweary

The three nights in a row playing schedule was in evidence as Hawks legweary from games in Glace Bay and Halifax the preceding two nights, lacked the zip needed to overcome a goal deficit in the final frame.

Sydney will be up against the same problem tomorrow night when they return to home ice for their third game in as many nights. Their opponents will be Halifax St. Mary's.

Sydney — Goal, Pidsodny; defence, Levandoski, Marineau, Rocky, McBride, Baby; forwards, Petersen, Cupolo, Kennedy, Roach, Storey, Robertson, MacLeod, Birukow.

Moncton — Goal, Lockhart; defence, Matthews, May, Winchmaster, Olson; forwards, Hamilton, Lallo, Scholes, D. Horeck, Pirie, Burman, Kilby, Marchant, Eillon, Schmidt.

Referees — Heffering and Good.

SUMMARY
First Period
Scoring — None.
Penalties — Rocky 5:50, Matthews 18:45.

Second Period
1—Sydney, Petersen (Robertson) 17:33
2—Sydney, Birukow (McBride, Storey) 18:31
Penalties — Roach 5:17, Scholes 6:38, Robertson 7:21, Kilby 7:21, Rocky 13:40.

Third Period
3—Sydney, Kennedy (Petersen) 3:09
4—Moncton, Horeck (Matthews) 11:03
5—Sydney, Robertson (Marineau) 15:50
Penalties—Petersen 10:30, Rocky 17:30.

Stops:
Pidsodny 7 8 13—28
Lockhart 10 6 4—20

Maxim-Charles Sign For Bout

NEW YORK, Oct. 25 (AP) — Promoter Jimmy Murray today announced the signing of light heavyweight champion Joey Maxim and former heavyweight champion Edward Charles for a 12-round non-title bout in the San Francisco Cow Palace, Dec. 12.

Murray wouldn't disclose the terms but it was believed that each fighter would get 30 per cent.

Charles won all four previous fights with Maxim.

LITTLE SPORT

"How do you like the speed of that John Bailey?" "Bud" Poile was asking in the Miners' dressing room after the game last night. "That boy can really dig it can't he," continued Poile, in his friendly tone of voice. "Why he's only been on skates a week and when he really gets going he will be around the Islanders' defencemen and in on the net before they get off the blue line."

He did not have much to say about the game except it was good to win. "The Islanders have a good club and it will suit me fine if they stay the way they are right now. You know a forward should not be able to go around such a big defense as the Islanders in a rink this small," he continued. Asked if he had much trouble getting around them, he replied that he could not say because he hadn't done it yet.

Referring to the Gray-Bonhomme case he stated that he was willing to trade the two players to the Islanders in exchange for Willie Marshall. "I need a centreman worse than I need wingers or defencemen and I would like to have Marshall now because we have a lot of injuries. I could also use Bonhomme but they tell me he does not want to play in Glace Bay so I would have to trade him. However I told Leo Lamoureux that I would give him first chance on the trade but if we can not come to terms I will have to trade with someone else. After all I can not give them up for nothing, it's not my job to build the Islanders."

Quered about the teams the Miners have played Poile stated that the Hawks seemed to give them the most trouble. "They say they are a poor team but they must have our number for they have beaten us twice." He figures that Saint John will be hard to beat. "They have a bunch of players that will fill your net with pucks, just like that Ron Rohmer over there. He only scored two tonight so we're planning to let him go."

Leo Lamoureux was busy on the phone following the game. There will have to be changes, he stated. Leo made a deal with Tommy Gorman of the Ottawa Senators for Larry Regan but Gorman will not let Regan go now on account of injuries in his club. "Bud" Poile and Leo met following the game last night and were preparing to talk trade.

The Islanders played one of their hardest games but had absolutely nothing resembling any luck around the visitors' net although they were in scoring position several times. For the first time this year it looked from the press box as though they were the second best team on the ice as the Miners displayed that they could take advantage of the breaks while the Islanders could not.

Swinging back to football, the coming week-end will see the 1st and 2nd senior teams in action. The Abbies will meet the Halifax Wanderers here on Saturday afternoon while the Saints will meet Mount Allison University in their final N.B.-P.E.I. Intercollegiate game. Next week the Abbies will play an exhibition game with a Truro team here while the Intermediate Intercollegiate series between Prince of Wales and the Second Saints will likely be resumed.

At Prince of Wales this year Gordon Bennett and Jimmie Coyle were faced with the task of building a practically new team from inexperienced players. Ten new players are on the P. W. C. lineup and in the limited time available they have been converted into a smooth running, hard working squad. Coaches Bennett and Coyle have the boys working out daily in practise sessions against the Abbies.

Although they lost the first game of the series to the Saints the P. W. C. students feel that they can come back and possibly even maters in their next contest. They still carry the same fighting spirit that has earmarked the P. W. C. teams of the past and which has played such a prominent part in defeats of their old College rivals, the Saints. They are also looking ahead to next year when they expect to have all but two of their players return to College.

Fate dealt the Welshmen a tough blow in an exhibition game this year against Mount A. The city students lost three of their best men in the persons of Joe Hoyt, Bill Underhay and Hilson Carr through injuries. In first intercollegiate game against E.D.U. they lost two more good men for the remainder of the season in the persons of Brian Chandler and Gerald Birt.

Glace Bay Miners Outskate Islanders For 3-0 Shutout

Sparked by the shutout goaltending of Cliff Hicks and a two-goal effort by Ron Rohmer, the Glace Bay Miners handed the Charlottetown Islanders a 3-0 defeat and their sixth straight loss at the Forum last night.

Hicks turned aside a total of 29 shots as the goal hungry Islanders vainly swarmed around his citadel. He handled 26 drives in the last two periods, 13 in each session.

The Miners went into a 2-1 lead on second period goals by Rohmer and Cooper. Rohmer completed the scoring late in the third period on a play with Bailey and Haley.

A near capacity crowd witnessed two fast periods of hockey after a sluggish opening session. The game was cleanly played with only nine penalties being handed out, none of them majors. The Islanders drew five sentences and the Miners four.

The red and white clad visitors dressed only 13 men but they gave the over anxious Islanders a speed-skating lesson. After building up the two goal lead in the first period they lay back and let the Islanders carry the play as they did most of the night.

The win sends the Miners into sole possession of second place with 10 points. The Islanders have yet to get their first point.

The Islanders outshot "The Poilemen" 29-21 and many of their shots were from close range. Several times they broke into the clear only to miss the net or miss an open corner in their anxiety to slip the disc into the twines.

Rohmer showed from the start of the game that he was out for goals when he fired the first shot at Hal Gordon about the 20 second mark.

Phil Vitale drew the first penalty of the night on an interference play and while he was off the Islanders played brilliant defensive hockey as they prevented the Miners from getting a shot on Gordon.

Play was ragged in spots during the period with Gordon having five shots to handle and Hicks three. The Islanders failed to get a shot on Hicks until after the eight minute mark of the session.

But in the second period play broke wide open as both teams turned on the heat. Rohmer finally broke the tie as he lifted Cooper's rebound into the side of the net from 15 feet out. Gordon had no chance on the play as he had just made a sliding rave on Cooper's drive.

Eight minutes later Cooper put the game on ice with a 30 foot drive. The Miners' defenceman picked up the puck on his own side of the red line, along the boards with only Larry Travis to beat. Sensing that he could not go around Travis he fired a screened shot that went under Gordon's

Reds-Dodgers Trade Looms

NEW YORK, Oct. 25 (AP) — A major player trade is brewing between Brooklyn and Cincinnati Reds whereby Ewell (The Whip) Blackwell may go to the Dodgers in exchange for one of their top-flight outfielders.

Brooklyn vice-president E. J. (Buzzy) Bavasi today admitted he had discussed possible trades with Gabe Paul, new general manager of the Reds.

Bavasi declined to say whether Blackwell was the man he sought, but added that another get-together has been scheduled during the draft meeting in Cincinnati, Nov. 20.

The Reds are reported to have asked for either Duke Snider, Carl Furillo or Andy Patko — in that order — for Ewell for The Whip. Blackwell won 17 games in 1950.

31 Two-Minute Miles This Year

COLUMBUS, O., Oct. 25 (AP) —Harris race horses turned in 31 two-minute miles in 1951, the second largest number in history, the United States Trotting Association said today.

Since Star Pointer ran the first two-minute mile for harness horses in 1907, the annual output has averaged less than 10. The record was 48 in 1938.

McGill Wins Track And Field Meet

TORONTO, Oct. 25 (CP) —A loose legged McGill University track and field team retained their supremacy in the college ranks today as it won the 44th annual intercollegiate track and field competitions at Varsity Stadium.

The Redmen, from Montreal, chalked up 74 points on seven firsts, eight seconds, three thirds and three fourths in the 15-event program. The host University of Toronto was second with 59 points while McMaster from Hamilton

Sport Echoes From Prince County

Don Bellringer almost put the Islanders back in the running as he broke through the Miners' defense. He drew out Hicks but lost his balance and the puck Johnny Morrow picked up the puck and shot it by the open corner.

"Bucko" Trainor and "Buck" Whitlock spearheaded the Islanders' drive during the second and third periods. Near the end of the second period Johnny Morrow knocked the wind out of Sheldon Bloomer as he checked him behind the Miners net.

Rohmer scored the final marker on another rebound shot. Big John Bailey, a speed demon on skates, broke down the right boards and passed to forward Glen Haley. Gordon stopped Haley's drive but Rohmer slapped in the 12 foot rebound at the 15:58 minute mark of the third period.

The Islanders hammered away at Hicks in the last stanza but it was no go. Larry Travis blazed a slap shot that hit the goal post and bounced to the side. Beaudry drove a short shot from the side that Hicks took on his pads and covered up before "Red" Favero got the rebound.

There comes a time, however, when the actions of referees deserve notice in the press, and we believe that insofar as Messrs. Goode and Heffering are concerned, the time has arrived. We would hesitate to say that these boys are consciously partial to St. John or any other team the Islanders play. It may be that amateur's Bickaroots are just paying the piper for a tune to which they danced last year, and against Halifax in the first game this year. But "if ever the Charlottetownians stuck to legitimate hockey and forgot about the rough stuff it was in the 4-2 loss against St. John. The boys seemed to be going all out to show the fans that they were not the roughnecks they had been called.

But throughout the contest they continued to get all the worse of it in penalties, some so obviously unjust that a spectator knowing nothing about the rules of hockey could have picked them out as smelling to high heaven. Favero and an opponent engage in a spirited high-sticking duel. Favero gets the gate but not his sparring partner, Willie Marshall received positively the cheapest penalty it has been our displeasure to witness, and it was significant that Heffering instead of letting Lamoureux to protest to him went over to the Charlottetown coach and started to explain things to him. If ever a referee looked as if he had made a wrong decision and knew it, Heffering was that person.

MacLagan's stick was being held in the third period, but did the lines notice that? They were Johnnie on the spot though when MacLagan, irritated at the other's illegal tactics, slashed at his opponent. MacLagan was judged. We didn't see and can't give any opinion on the Vitale major for flattening Ubrico. All we know was being Phil got his major, then he got up and played good hockey. If the attack was unprovoked then responsibility for the loss of the game must rest on Vitale's broad shoulders, for this was undoubtedly the turning point in the contest.

Fans sitting on the penalty bench side of the rink must enjoy the dramatic talent of Goode when he waves an Islander to the sin bin. Goode missed his calling. He should have been a tragedian. When waving off Vitale or Dutchack particularly, he strikes a pose and thunders out the offense and the penalty with rare historic ability. You'd swear it was Lady MacBeth in her sleep-speak scene. He sends the visitors to the penalty bench in the calm, even voice of the professional and neutral referee. Why all the extra feeling in the case of Islanders?

Getting back to Prince County, Jimmie Grady's play in the Middleton-Holman series proves that baseball hasn't slipped any in this baseball business. "Chick" Whalen, not knowing Jimmie's ability to come through when the chips are down, didn't give this member of the old guard the opportunity his ability warrants.

Brown Elected Bruins' President

BOSTON, Oct. 25 (AP) — Walter A. Brown today was elected president of Boston Bruins. He also is head of the Boston Garden-Arena Corporation which recently purchased a controlling interest in the National Hockey League club.

Arthur H. Ross was named vice-president and general manager of the Bruins.

was third and the University of Western Ontario at London, Ont. was fourth. McMaster earned 17 points and Western 15.

Two senior intercollegiate records were broken. Slim Don MacFarlane, a smooth-pacing sprinter from McMaster, knocked one-tenth of a second off the existing 100-yard mark set by Toronto's J.H. Russell in 1926. MacFarlane's time was 9.9 seconds. Don Blair of McGill broke his own high jump record when he pushed the bar to 6 feet 2 1/2 inches.

Close Betting On Louis, Marciano For Tonight

NEW YORK, Oct. 25 (AP) — New England support for rugged Rocky Marciano, unbeaten Brockton, Mass., slugger, today shaved the odds close to even money for his big 10-round test against Joe Louis tomorrow night at Madison Square Garden.

Walk one side of the street and you hear it's 6 to 5 and take your pick. On the other side, Louis remains a 7 to 5 favorite. By ring-time, the 37-year-old Brown Bomber may go to 8 to 5.

Coast-to-coast radio and television will beam the heavyweight fight to millions. Still some 15,000 are expected to pay \$150,000 or more to see it in the flesh.

With \$185,000 from TV and radio rights, the fighters will slice up a juicy gate. Louis' 45 per cent should be about \$132,000 and Marciano's 15 per cent around \$44,000.

Not since Louis rocketed up the ladder from the Golden Gloves has a non-title heavyweight bout excited so much interest. Louis is the magic name that lights the flame. But the lure now is the chance of being in on the kill—that night when some youngster will knock the Bomber into retirement for keeps.

Up New England way they think the time has come. They say the 27-year-old Marciano, with the smashing right hand wallop will put a period to the 17-year-career of Louis.

Generally speaking the professionals of the fight mob—managers, seconds and matchmakers—like Louis. The man-in-the-street goes for the kid from Brockton.

A crowding puncher with little boxing finesse who has registered 32 straight victories, Rocky must survive. Ten years younger than the 37-year-old former champion, Marciano gives away 25 pounds and about 210 to 185—and nine inches in reach.

Bill Ezinicki Signs With Bruins

BOSTON, Oct. 25 (AP) — Bill Ezinicki today gave up his idea of playing professional golf's winter circuit and signed to play with Boston Bruins for at least one more National Hockey League season.

Ezinicki, muscular and fiery winger, signed after talking with general manager Art Ross. He agreed to go to Hershey, Pa., to get in shape.

Ross figured "Ezinicki's in pretty good shape, always is, won't take him long to get ready for hockey."

Ross said Ezinicki won't play with Herzhay, Boston's farm team in the American Hockey League, but will work out there twice daily until he's ready for action with the Bruins.

Best guess was that Ezinicki would report to the Bruins in Boston Nov. 6 when the Bruins play Detroit Red Wings.

Habs - Black Hawks In 2 - All Tie

CHICAGO, Oct. 25 (CP) — Montreal Canadiens and Chicago Black Hawks battled to a 2-2 tie tonight in a National Hockey League game before a crowd of 6,948.

After trailing through two periods, the Hawks brought the count to 2-2 at 4:41 of the third period when Bill Mosenko, off assists by Doug Bentley and Pete Horek, rapped one past goalie Gerry McNeil.

Horek was purchased late (yesterday) by Chicago from Boston to fill in for Bep Guidolin, who required four stitches in his right ankle as a result of a cut received in practise.

The tie moved the Hawks into sole possession of third place while Montreal advanced to within one point of league-leading Detroit.

Maurice Richard hit at a short-handed Chicago club at 10:57 of the opening period to give the Canadiens an early edge. It was the 297th goal of his career and his fifth of the season. At 9:51 of the second, Paul Masnick made it 2-0 when he converted Paul Meger's pass into the net past Harry Lumley.

Thirty-three seconds later, Jimmy McFadden counted Chicago's first goal, with assists going to Pete Babando and Gus Bodnar. Then came Mosenko's game-tying score.

Boat Blows Up At 165 M.P.H.

LONDON, Oct. 25 (Reuters)—Speedboat ace Donald Campbell said tonight his "Bluebird" was doing 165 miles an hour, five faster than the American-held world record, when she blew her top and sank under him today on Lake Coniston.

Campbell, son of the late Sir Malcolm Campbell who set a record of 147.4 m. p. h. in 1938 with the original Bluebird, had his mechanic Leo Villa with him when the explosion occurred. Neither was hurt.

The two were putting the latest version of Bluebird through her paces with a try at the record, 160.323 m. p. h. held by Stanley S. Sayers of Seattle.
