

Executive Meeting Of Bible Society

A largely attended executive meeting of the Prince Edward Island Auxiliary of the British and Foreign Bible Society was held yesterday afternoon in St. Paul's Parish Hall.

Financial Report

The treasurer, A. G. Putnam presented the financial report, showing a \$9160.74 for General Collections; Life Memberships \$600.00; Memorial Certificates, \$126.00; Life Membership Certificate, \$100.00; bequests, \$900.00; interest, \$561.72; sundry, \$53.06; from Bible House, \$231.15. Total receipts, \$11,830.67.

The operating expenses for the year was \$1546.14 which includes the issuing of the Bible in the World, Popular Reports and an increase in general contributions over the previous year of \$1392.34 with a decrease in bequests of \$1754.40.

By motion it was decided to forward to the National Office in Toronto \$10,000.00. It is worthy of note that the P. E. I. Auxiliary has for the past year to be used for the world wide work of the Society.

The secretary, J. E. H. Worth presented the Bible House and Distribution Reports. The Bible House had a very satisfactory year with a surplus of \$231.15. This amount was placed in the general funds of the Auxiliary.

In presenting the Distribution Report it was noted that the circulation of the Scriptural and Bible House supplies had another good year.

Rev. E. M. B. Wheelock, District Secretary of the P. E. I. and N. B. Auxiliaries was present.

The closing prayer was given by Rev. T. H. B. Somers.

Royal Edward Chapter Meeting

At a special meeting of the Royal Edward Chapter, called by the Regent yesterday afternoon, the sum of \$100.00 was voted for the relief of the flood victims in England and Holland. This will be sent immediately.

Work was distributed to the members present which is required to be completed at once in order that a package of children's clothing may be shipped to the distressed areas this week.

The National Executive of the Order have already sent cables to the "British Save the Children Fund" and to B.S.A.F.A. to both of which the Order continually contribute, asking them if possible to direct any of these contributions to the relief of flood victims and those so used would be replaced later.

Since the new year 99 cases of clothing sent by the I.O.D.E. have reached England and word has been received by the National Executive that they will be gratefully given to the sufferers. This is most opportune, for the time element is essential and what can be done must be done as quickly as possible.

The annual meeting of the Royal Edward Chapter will be held in the chapter rooms on February 23 at 8 p.m.

BIRTHS, MARRIAGES, DEATHS

50c Per Insertion

BIRTHS

NEILL - At the P. E. I. Hospital on Saturday, February 7th, 1953, to Mr. and Mrs. Preston Neill, North Milton, a daughter, Sharon Jean.

MARRIAGES

JORDAN - SAUNDERS - In Charlottetown, on January 28th, 1953, by Rev. John T. Irwin, Constance Jordan, Murray Harbor, to David Saunders, Mt. Vernon, P. E. I.

DEATHS

FERRY - At the Prince County Hospital on February 9, 1953, Mary Rose Ferry, wife of the late Joseph L. Ferry in her 74th year. Remains transferred from the Compton Funeral Home to her late residence at 284 Market Street, Summerside. Funeral from her late residence on Wednesday morning at 9 o'clock to St. Paul's Church and Cemetery.

THE CENTRAL GUARDIAN

This column is reserved for news of local interest, but advertising of a new nature may be inserted here on a word, strictly payable in advance.

TOWN TAXI - Phone 1600-322

CO-OP DISPLAY of dairy and household equipment in showroom, new B.I.S. Building, Grafton St. Open all week.

FIREMEN CALLED - Firemen were called shortly after midnight to the Canadian Legion Home on Grafton Street. It was reported a coffee or chair was smouldering. No damage was caused to the building.

TO ADJUST MINIMUM PRICE - The P. E. I. Potato Marketing Board will meet this afternoon for the purpose of adjusting the minimum prices on potatoes. The prices are expected to be lower to bring them more in line with those set in New Brunswick over the week-end.

NO PROMISE OF ASSISTANCE - No assurance of financial assistance in the establishing of a public killing plant has been given as yet, it was stated yesterday by Premier J. Walter Jones. Recently a committee of members of the P. E. I. Federation of Agriculture waited on the Government seeking such aid. This delegation was appointed last month at the annual meeting of the Federation.

LUCKY WINNERS - The lucky winner of the beautiful alight donated to the Sacred Heart Home by Mrs. Mary Garnum was won by Miss Sue Peters, St. Vincent's Orphanage. The cushion donated by Mrs. N. J. MacDonald, Sacred Heart Home, which was drawn for before Christmas, was won by Mrs. Susan Gallant, Sacred Heart Home, while little Miss Claudia Gaudet, Summerside, was the happy winner of the beautiful doll.

MAGISTRATE'S COURT - A man accused of being the keeper of a disorderly house and a woman charged with being an inmate of it both pleaded not guilty and were remanded for one week when they appeared before Stipendiary Magistrate Gilbert A. Gaudet in Queen's County Magistrate's Court yesterday morning. Their appearance in court was as a result of a raid made by the R.C.M.P. on the premises of the accused on the outskirts of the city. Six other men charged with being "found ins" also appeared. Four of them pleaded guilty and were fined \$50 each. One pleaded not guilty and the charge against the other was withdrawn. The man pleading not guilty also had his case remanded for a week.

Addresses Trinity Men's Association

Dr. A. A. MacVicar, acting co-director, Mental Clinic of the Health and Welfare Department, was the guest speaker at Trinity Men's Association monthly supper meeting held last night in the social hall.

Dr. MacVicar explained the variations in treatments and the success which has followed the efforts of the medical fraternity who have specialized in psychiatry, particularly since the war years. "Except in severe cases," he said, "the patient can be treated without hospitalization when co-operation is possible. When science has been able to determine why people remain well, we will be able to get ahead more rapidly in treating mental disorders.

"There is nothing dangerous or wonderful about shock treatments, but the effect in many types of mental illness have been most gratifying and highly successful. People would like to be made well by medicine and science, which to a certain degree is filling in where Christianity is lacking, according to some authorities."

Dr. MacVicar, who had been introduced by Dr. J. P. Lantz, was thanked on behalf of the Association by Dr. J. K. L. Irwin.

Miss Betty Bears gave an excellent rendering of "Ye Angels and Braes", and as an encore "Carmen" the latter being particularly adapted to her range, clarity of expression and ease in execution. Mrs. Raoul Raymond was accompanist. Mr. Stan Lancaster led in the song period with O.K. Presby at the piano.

Guests present were Mrs. K. S. Rogers, and Earl Hickey, city also, former members of the Montague Association, Messrs. Howard Vorkerson, Jimmy Cudmore and Gordon Coffin, president. Dr. M. O. Lowrie occupied the chair.

Leading British

In a grey stone tower are rows and rows of dusty volumes and recent folders recording the official correspondence and state papers dealt with by kings and queens. A limited amount of human interest, hinted at in some document, may be filled in guardedly by the private secretary in charge of the archives.

The historian's only comment Monday was that he was "very greatly honored" to have been singled out to write the life of the King. The work would take him several years to complete.

The last official royal biography was Sir Harold Nicholson's life of George V, published last August after four years' research.

P. E. I. Television Prospects Discussed By Col. K. S. Rogers

An interesting address on Television was given at the Charlottetown Rotary Club luncheon yesterday by Lt. Col. K. S. Rogers, president of the Island Radio Broadcasting Company, who stressed the difficulties and cost of transmission service. "I think that in due time Charlottetown will be able to receive television, and that television may be from a transmitter in or close to Charlottetown," he added. "If this is to be brought about, however, Charlottetown capital will, of necessity, have to be employed and in no small amount."

"From personal conversation with approximately half this Rotary Club in the past year or more," Col. Rogers said, "I have come to the conclusion that the average Charlottetown Rotarian has a mental picture of himself and his family, in the very near future, sitting around the livingroom with all eyes focused on a 17" to 21" square piece of glass upon which will be continuously depicting, hour after hour, the headline happenings of the day as they occur, intermingled with beautiful dancing girls and the very best of 'Who Done It?' drama."

"This dream has been going on for so long that it is a source of irritation and some are beginning to feel that after so long, practical realization of a dream is a necessity. This dream is labelled Television, and for the greater part of this geographically vast country, Canada, it is still only a dream, and for many parts of Canada will remain a dream for years to come."

"As you all know, there are good dreams and bad dreams, and very few people are as yet qualified to say in just which category of dreams Television lies. I should very much like to tell you something of the technical aspects of Television, but feel that most of you are interested only in the practical questions. 'Why haven't we got it?' and 'When are we going to have it?'"

Chapter Celebrates 31st Anniversary

Crystal Chapter, Order Eastern Star, celebrated its 31st anniversary on Friday evening at the regular meeting held at the Masonic Temple with the Worthy Matron, Jessie Parker, and the Worthy Patron, Morley Smith, presiding. A large number of members were present to answer roll call, as well as a number of communications were read from members who were unable to be present, but sent their best wishes for the continued success of the Chapter.

A very pleasant feature of the evening was the presence of two of the six living charter members, namely Sister Beatrice Laphorne and Brother J. E. H. Worth. Brother Worth spoke briefly and expressed his pleasure at being present on this delightful and important occasion.

Routine business was transacted, followed by a social hour in the Recreation Room. A beautifully decorated birthday cake graced the serving table and was cut by the Worthy Matron and Sister Laphorne.

Sister Jean Giddings gave several delightful readings, and refreshments were served under the co-sponsorship of Sisters Hazel White, Florence Lavers, Kathleen Green and Mary Jane Buchanan.

British Commons

(Continued from Page 1) Lincoln coast hit by floods. Lincoln, the principal city, is inland and was not touched.

Norfolk: 87 dead, 23 missing, 9-150 homeless, 27,000 acres flooded. Stock losses: cattle 65; pigs 75.

Hardest-Hit Town Flooding began at King's Lynn, just over the border from Lincoln and continue intermittently along the coast. At King's Lynn, the worst-hit town in this country, floods followed the banks of the River Ouse 15 miles upstream.

Suffolk: 42 dead, 6 missing, 1,000 homeless, 20,000 acres flooded. Livestock losses: 78 cattle, 46 pigs, 200 sheep, 800 poultry.

Flooding affected about half of the coast of Suffolk especially around the low-lying North Sea port of Harwich, heavily hit. Floods penetrated up to 15 miles behind the port, on the Suffolk-Essex border.

Essex: 114 dead, 8 missing, 2,560 homeless, 9,000 evacuated, 35,000 acres flooded. Livestock losses: Cattle 1,050, sheep 1,000, pigs 400, poultry 5,900.

Essex, which includes the northern bank of the Thames river, was the worst-hit county, even though its coastline is the smallest. Canada.
