New York, July 31.

Despatches from New Orleans state that a terrible riot occurred there yesterday, between the negroes, the members of the State Convention, 1864, and the populace, lasting from noon until 5 p. m. It is reported that 120 were killed, and a large number wounded. The streets were cleared by the military and the rioters put under martial law. Every thing was quiet there last evening. Riot was caused by accessories trying to prevent the radicals and colored men from holding a convention.

News by Saturday Night's Mail.

PER ATLANTIC TELEGRAPH—LATEST FROM EUROPE—GREAT NAVAL BATTLE BETWEEN AUSTRIA AND ITALY—CONFEDERATION OF THE BRITISH NORTH AMERICAN PROVINCES—PARLIAMENT TO BE ASKED TO GUARANTEE FOUR MILLIONS FOR CONSTRUCTION OF THE INTERCOLONIAL RAILROAD—REFORM MEETING IN HYDE PARK.

The following despatches, received on board the Great Eastern during the laying of the Telegraph wire, and subsequently at Heart's Content, will give our readers a fair inkling of the political events occurring in Europe after the China left Queenstown.

LIVERPOOL, July 22, 1866.—In the great naval fight of Lissa the Italian iron-clad *Risparmio* was sunk by collision at the commencement of the battle. An iron-clad *Albatross* blew up with all on board, amidst cries of "Long live the King and Italy!" from the crew. Italian accounts state that the Austrian squadron retired after one man-of-war and two steamers had been sunk. A Vienna despatch says:—The Italian fleet driven back, was being pursued by the Austrians in the direction of Ancona.

LONDON, July 23.—Some disturbance is expected in Hyde Park this evening. The Home Secretary and Sir Richard Mayne are determined to prevent the proposed political gathering, while the advanced Liberals are resolved on holding it. Mr. Bright asks by letter, "On what foundation does our liberty stand if the right to hold a political meeting in a public park is denied?"

LONDON, July 24.—At the reform demonstration in Hyde Park yesterday, fifteen hundred police were detached to guard the reserve police. The park was closed, and the mob broke the iron railing and forced an entrance. Several persons were injured. The cavalry charged the people, but did not use their swords.

LONDON, July 26.—No further riots are anticipated.

The money market is rapidly improving. There was a reduction of one per cent. on the bank rate to-day, and it will probably be made ten per cent. next Thursday.

There has been no interruption of the reported peace negotiations. The *Times* says that but for the armistice the Italians would now have been in full possession of Southern Trol.

The Prussians are organizing a Hungarian Legion.

The news of the day is as follows:

LONDON, 9 a. m.—The riots were resumed in the park last evening, and the police were attacked with stones and brickbats. Soldiers, horse and foot, were called out, as it was feared that there would be attacks made on private property.

The London Observer states that Parliament will be required, at almost the last moment of the Session to give its concurrence to the Confederation of the North American Provinces, including the plan for the continuation of the Grand Trunk Railway.

The Prussian army has engaged 35,000 Austrians before Peterburg, and the Prussians were victorious and occupied Petersburg.

ANOTHER ATTEMPT AT ISLANDISM.—On Saturday night, about twelve o'clock, a diabolical attempt at setting fire to more property was made upon the premises of Messrs. McPhail & Hunter, Carriage Manufacturers, Kent Street.

The fire was discovered by Mr. George L. Doherty, a near neighbour to McPhail & Hunter's Establishment; and it appeared that the fire was attempted to be made among a bundle of combustible matter in a central part of the workshop, where there was no possibility of fire originating from the action of the workmen who left the premises in a perfectly safe condition about five hours before.
