

FINANCIAL AID

By Pam Clark

This Financial Aid Column is designed to help you. I am the student assistant working with Financial Aid. Written below are programmes you might be interested in. I cannot list all the scholarships in this column so if these do not apply to you, and you need some assistance, please come in and see me at Student Services, first floor, Main Building.

My hours are Monday, Tuesday, and Thursday, 1:15 - 4:30.

Don't delay! All award applications have deadlines, and I would hate to see you miss them.

Also, keep checking the financial aid bulletin board outside the door of Student Services.

I look forward to seeing you soon.
