

The Parnell Fund.

FULL TEXT OF THE POPE'S LETTER TO THE IRISH BISHOPS.

The following is the full text of the circular addressed by the Holy See to the Irish bishops, and despatched from Rome to each of them on the 11th inst.:-

Whatever may be the care as regards Mr. Parnell himself and his objects, it at all events proved that many of his followers have on many occasions adopted a line of conduct in open contradiction to the rules laid down by the Supreme Pontiff in his letter to the Cardinal Archbishop of Dublin, and contained in the instructions sent to the Irish bishops by this Sacred Congregation, and unambiguously accepted by them at their recent meeting at Dublin. It is true that, according to those instructions, it is lawful for the Irish to seek redress for their grievance and to strive for their rights; but always at the same time observing the Divine Maxim to seek first the Kingdom of God and His justice, and remembering also that it is wicked to further any cause, no matter how just, by illegal means.

It is therefore the duty of all the clergy, and especially of the Bishops, to curb the excited feelings of the multitude, and to take every opportunity with timely exhortations to recall them to the justice and moderation which are necessary in all things, that so they may not be led away by greed of gain to mistake evil for good, or to take their hopes for public prosperity in the shape of criminal acts. Hence it follows that it is not permitted to any of the clergy to depart from these rules themselves, or to take part in or any way promote movements inconsistent with prudence and with the duty of calming men's minds. It is certainly not forbidden to collect for the relief of distress in Ireland; but at the same time the aforesaid apostolic mandates absolutely condemn such collections as are raised in order to inflame popular passions, and to be used as means for leading men into rebellion against the laws. Above all things they, the clergy, must hold themselves aloof from such subscriptions when it is plain that hatred and dissensions are arousing by them, that distinguished persons are loaded with insults, that never in any way are censures pronounced against the crimes and murders with which wicked men stain themselves, and especially when it is asserted that the measure of true patriotism is in proportion to the amount of money given or refused—so as to bring the people under the pressure of intimidation.

In these circumstances, it must be evident to your Lordship that the collection called the "Parnell Testimonial Fund" cannot be approved by this Sacred Congregation; and consequently it cannot be tolerated that any ecclesiastic, much less a Bishop, should take any part whatever in recommending or promoting it. Meanwhile, we pray God long to preserve your lordship.

Abd-el-Kader, the famous Algerian chief, died recently at Damascus, aged about 76. He was a born soldier and for over fifteen years disputed, with varying fortunes, the French occupation of Algeria. From 1848 to 1852, he was held a prisoner in France, but was released by Napoleon III., on condition that he would not return to Algeria. He retired to Asia Minor; visited England in 1865, and in 1870 offered his sword to France during the German war, but his offer was declined. Abd-el-Kader was famed ever among the Arabs for skill in horsemanship, keenness of sight and vigor of body.

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's Excessive of painful Menstruation, Green Stools, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, pain in the Back, or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very debilitated conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.

Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with all such and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured. "In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved my life. HORACE FAIRBROTHER, Rockingham, Vt., July 15, 1882.

Group.—A Mother's Tribute. "While the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. J. G. GIBNEY, 150 West 12th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE, Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH W. WALKER, Byrdville, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BRADDOCK, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

GAS COOKING STOVES.

WE have made arrangements with the best makers of Gas Stoves in the United States, which we will be able to supply the public, at the lowest possible price.

We have also agreed with the Gas Company (for the purpose of introducing these stoves), to sell the first fifteen (15) for which we may receive orders.

At their Net Cost, LANDED HERE.

TESTIMONIALS. The following are a few testimonials from a list of several hundred:—

The capacity of the Stove is surprising. With a No. 8 Stove we cooked for a party of seven, giving them broiled oysters, steak, lamb chops, and baked biscuit, in 45 minutes, at a cost for gas of 4 1/2 cents. On another occasion we gave a dinner in courses of twenty men, the bill of fare as follows: Broiled shad, beef steak, roast quarter of lamb, baked biscuit and coffee; heating the water for washing the dishes four times, re-setting the table three times. All was accomplished in one hour and forty minutes, at an expense for gas of eleven cents. This work was all done on one No. 8 stove. All were enthusiastic over the manner in which the oysters, fish and meats were cooked; none had experienced any so tender, juicy, and of such full flavor before. We consider the stove a great success, and most complete in all its parts and arrangements. A. C. WOOD, Supt.

I bought one of your No. 12 Gas Cooking Stoves last September, for use in my restaurant, and have used it ever since for baking, broiling and stewing.

I can say for it that it is always ready and does its work rapidly; that there is no dust, no dirt, no surplus heat, as we are using only that portion that we need, and as soon as the article is cooked the gas is extinguished and there is no waste. I think it will do the same amount of work at less cost than coal, even at the high price of gas. It takes much less room than a coal range that would do the same work. I am perfectly satisfied with it and would not be without one for double the price. J. T. HARKER.

The Gas Stove you sent me, I am glad to say has proved an entire success.

If my testimony is of any value to you, you are at liberty to use it. The decrease in the coal bill more than offsets the increase in the gas bill. The cooking is excellent and uniform in its operation.

No dirt or dust irritates the careful housewife, and Mrs. S. describes it as a "real treasure."

In my humble opinion, any man who really wants to add to the number of allotted days of his better-half, had better invest in a Gas Stove and save her worry, and himself expense. W. H. SEYMOUR.

We are perfectly delighted with our Gas Stove. It gives entire satisfaction in every respect. MRS. M. PENNINGTON, 2103 Vine St.

Your favor of the 11th inst. was duly received asking my opinion of the Gas Cooking Stove bought last May, and in reply, would state that the satisfaction rendered by the stove was far beyond my expectations, and the work it will accomplish is marvelous, together with the small expense and careful attending the same. EDWIN A. GARRETT.

Having used one of your No. 7 Gas Cooking Stoves for a considerable time past, it is with pleasure that I bear testimony to its genuine merits. It boils, bakes, broils, roasts, and in fact, does everything that a first class stove or range can do, and with a saving of time and labor, that can only be appreciated by those who use them. It has given us the most entire satisfaction, and to use my wife's words, "I would not be without it for ten times the cost." From statements of our gas meter taken, we find it more economical than coal. MERCER E. GIBSON, 4029 Powell Ave.
