

We observe that some other American journals take the same view of the subject, and declare that seven millions for such a country, looking at its products, is unquestionably a high price compared with the Louisiana purchase from the first Napoleon for fifteen millions of dollars.

The three French men-of-war now in our harbor have excited the curiosity of many, and no doubt during their stay will be visited by large numbers of citizens. The *Magenta* (flagship) is a three decker ironside, of fifty guns and 750 men. The *Flandre* is an ironside frigate of thirty-four guns and 574 men. The *Magnanime* is an ironside frigate of thirty guns and 580 men. They are magnificent ships, and well equipped.—*His paper.*

The Steamer 'ALHAMBRA', of the Boston & Colonial S. S. Co.'s line left Boston, for Charlotetown yesterday the 16th inst., and will be followed by the 'COMMENCE', the week after.

The ice in the Harbour of Charlotetown is fast disappearing, and will probably be all away during the forthcoming week. The Steamers 'Princess of Wales' and 'Heather Belle' are ready for sea, only awaiting the departure of the ice to again take their place on the usual mail routes.—*Id.*

Medical Notices.

Holloway's Pills.—Everybody's Wish.—One of the many causes of the eminent success of this medicine is the quiet, purifying effect it exerts over the circulation; it watches over the new blood forming from the food, invigorates the distribution of the mature blood, and casts out the old which has done its duty, and whose further presence becomes detrimental. By taking Holloway's Pills, agreeably to the accompanying instructions, every person may attain the best permissible state of health without interfering materially with his usual habits, pleasures, or pursuits. The weak and nervous will find themselves invigorated by judicious doses of this medicine, and by steady and persevering attention may confidently hope for increased strength, greater comfort, and better health.

Its value is incalculable. For all diseases with which children are afflicted during the process of weaning, Mrs. Winslow's Soothing Syrup is a safe and certain remedy. It has stood the test of thirty years, and never known to fail. Cures wind colic, regulates the bowels, softens the gums and allays pain.
Brown's Bronchial Troches have been before the public many years. Each year finds them in new localities in various parts of the world. The Troches are pronounced universally superior to all other articles used for similar purposes. For relieving Coughs, Colds, and Throat Diseases, the Troches have been proved reliable.

Brown's Vermifuge Comfits, or Worm Lozenges contain no form of mercury to which many worm remedies owe their efficacy. The ingredients are well calculated for the purposes they are intended to accomplish, having been used with success by eminent medical men in Europe.

Perry Davis' Vegetable Pain Killer
Travellers are always liable to sudden attacks of dysentery and cholera morbus, and these occurring when absent from home are very unpleasant. Perry Davis' Vegetable Pain Killer may always be relied upon in such cases. As soon as you feel the symptoms take one teaspoonful in a gill of new milk and molasses, and a gill of hot water. Stir well together and drink hot. Repeat the dose every hour until relieved. If the pain be severe bathe the bowels and back with the medicine, clear.

Fishermen, so often exposed to hurts by having their skin pierced with hooks and fins of fish, can be much relieved by bathing with a little Pain Killer as soon as the accident occurs; in this way the anguish is soon abated; bathe as often as once in five minutes, say three or four times, and you will seldom have any trouble.

DIED.

In Boston, Mass., on Sunday, the 24th day of March, of Pulmonary Consumption, Rachel Ann, the beloved wife of Patrick M. Power, Esq., late of Summerside, P. E. Island, aged 40 years, 8 months and 23 da. s. She leaves a husband and five children to mourn the irreparable loss of an affectionate wife and a tender-hearted and loving mother. She was a good neighbor and highly esteemed by all her acquaintances.
In mourn of life and maternal bloom,
Her fleeting years, alas! how few,
Early she met her destined doom,
And bade this world a long adieu!
May Angels guard her immortal soul
To glorious realms of endless day;
In robes of purest white enfold,
And all her sins be washed away.
Oh! ease ye mournful friends to weep
That life's short glass so soon is run;
And tho' in death's cold arm she sleeps,
Exclaim "Thy will, O Lord, be done."
And O! may those she's left behind,
Partakers of her flesh and blood,
Keep this important truth in mind,
They, too, must shortly meet their God.

London and Lancashire Office,

P. E. Island, April 9, 1867.
TO THE EDITOR OF THE HERALD.
Sir:—You will oblige by publishing in your next issue the subjoined letter, addressed to me in October last, and which I would not have inserted in the newspapers had it not been necessary for the interests of the Company I represent.
That Company commenced its Agency in this Island, through me, in November, 1863. Since that time I have paid a very large number of Policies, and have paid for losses the enormous sum of six thousand two hundred and twenty-five pounds currency, (£6225.) and which far exceeds the amount of premiums received here.

The Company has a paid-up capital, in the Fire Department, of £1,000,000 sterling, and in the Life Department of £100,000 sterling. In the year 1866, the fire premiums alone amounted, at the Home Office, and throughout the different Agencies, to the sum of one hundred and twenty-two thousand four hundred and sixteen pounds, sterling, (£122,116.) and last year there was a large increase.
I have no hesitation in recommending this Company to the Insuring public as a first-class office, being most generous and punctual in the payment of losses, where neither neglect nor fraud can be detected.
I am your obedient servant,
CHARLES YOUNG.

Dear Sir,—We, the undersigned Insurers, in the London and Lancashire Fire Insurance Company of London, England, beg leave to return to you, as the indefatigable Agent of that Company, our sincere thanks for your prompt and liberal manner in which you have paid our claims for losses occasioned by the recent calamitous fires in this City. We also take this opportunity of expressing our undiminished confidence in the Company, and of cordially recommending the same to our fellow citizens who may desire to insure their property against fire.

We are sincerely yours,

To the Electors of the Second District of King's County.

GENTLEMEN—

ALTHOUGH with much hesitation, I have consented to come forward as a candidate for the representation of the District in the House of Assembly. In politics I have always been a Liberal, and should I have the honor of being elected, I will support that Party in all good measures. The independence of the Colony being a matter of paramount importance, I am opposed to Confederation upon any terms—feeling satisfied that if our liberty is once lost it can never be recalled; and that we will be placed altogether at the mercy of a distant Government, over which, from the contemptibly small number of our representatives, we can exercise no control.
As a resident of the District in which all my interests are centered and identified with your own, my highest ambition will be to look after its local wants; and to promote its prosperity without injury to any party. The Education Act requires, in my opinion, to be amended by defraying from the Treasury the whole salary of the Teacher. All measures, in fact, having for their object the good of the country, will receive my support. Not being an office-seeker, should I have the honor of being elected, I will not put you to the trouble of a re-election; nor is there any consideration which would induce me to violate my promises, or betray the confidence you might repose in me.
I have the honor to be,
Gentlemen,
Your obedient Servant,
WM. H. McKEWEN.

To the Free and Independent Electors of the Third District of Queen's County.

GENTLEMEN:—

THE actions of the present Government since its return to power, appearing to me to be in many respects at variance with the expressed wishes of a large number of its supporters, I am induced to offer myself as a candidate for your suffrages at the approaching Election. In this coming forward, I am not actuated by party motives, but influenced by a desire to promote any measures which may be calculated to benefit the Island in general, and the Tenants in particular. My views in regard to the much discussed Land Question, are so well known, that no explanation of them is needed. My ideas on this subject are, I am willing to stand or fall by these principles. If returned as your Representative, I will be ready to support a moderate Liberal Government.
I have the honor to be, gentlemen,
your obedient servant,

In returning to you for re-election, I have the fullest confidence that you will give the new Government a fair trial, and when its policy is fully developed—for of course, a little time should be allowed—I trust you will find it such as to be worthy of your warmest approval.

Prepare for Lent!

FOR Sale at the Kent Street Book Store: THE OFFICE OF THE HOLY WEEK, according to the Roman Missal and Breviary, in Latin and English.
The week before Easter has been called by several names, from the great mysteries and various ceremonies celebrated and performed in it. The Greeks and Latins anciently called it the Great Week, the Holy Week; sometimes the Painful Week, that is, the week of sufferings; also, the Week of Sorrows, the days of the Cross or of sufferings. "We call it the Great Week," says St. Chrysostom, on Ps. 117, "not that it consists of a greater number of days, or that the days in it are longer, but on account of the great things which God has wrought in it; for on these days was the tyranny of the devil overthrown, death disarmed, sin and its curse taken away; heaven opened and made accessible, and men made fellows with the Angels."
The chief object of the Church in this week, is to celebrate the memory of the passion and death of her Redeemer; every part of the sacred liturgy is directed to this end; the Church's offices, more solemn and more multiplied in this week than in any other during the whole year, are most especially adapted to excite in the hearts of the Faithful those various sentiments of love and gratitude, of compassion for the sufferings of our Lord, of sorrow and detestation for sin, &c., which every Christian ought to cherish in this holy time. It is with the sincere desire of exciting pious sentiments in the hearts of the faithful, that the whole liturgy of the Church for the Holy Week has been collected in this volume; and is presented to the public, both in the Latin and English languages. Thus, while the pious Christian unites his voice with that of the Priest and of the choir, he may also penetrate the sense of the divine office, and sanction by the fervor of his heart what he pronounces with his tongue. For this reason, the editor flatters himself that this book will not fail to please all those who still entertain a due sense of piety and religion; and may profit even those who, through a want of instruction, seldom or never reflect on the great mysteries which the Church commemorates during the Holy Week. The very reading of this most pious and affecting part of the Church's liturgy is capable of exciting in their hearts a true and solid devotion.

Ayer's Sarsaparilla.

Is a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an efficient antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Struonous complaints, and that one which will accomplish their cure must prove, as this has proved, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it, has been proven by experiment on many of the worst cases to be found in the following complaints:—
Scorfula, Scorfulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blisters, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.
Syphilis or Venereal Disease is expelled from the system by the prolonged use of this SARSAPARILLA, and the patient is left in comparative health.
Female Diseases are caused by Scorfula in the blood, and are often soon cured by this EXTRACT OF SARSAPARILLA.
Do not reject this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used AYER'S—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.
AYER'S CATHARTIC PILLS, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Neuralgia, and as a Dinner Pill, are unequalled.
They are sugar coated, so that the most sensitive can take them with pleasure and they are the best Aperient in the world for all the purposes of a family physic.
