SPECIAL NOTICES.

AYER'S CATHARTIC PILLS.

The sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Billious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pains arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangement of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by some unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

Holloway's Ointment and Pills.—An infallible remedy for bad legs.—Robert Dickie, of Broad-street, Alloa, informed Mr. Cumming, druggist of the same town, that about 18 years ago he injured his ankle in a coal pit, which afterwards formed into a running ulcer. To cure it he tried innumerable medicines, but without effect. He was in the Royal Infirmary about three years ago; there they told him that amputation was the only chance of saving his life. At last a friend very earnestly recommended him to try Holloway's Ointment and Pills, and they have been the sole means of healing the wound, and rendering his leg perfectly sound. Printed directions for their use accompany the medicines. 3

Four Pasture Lots!

IN the Royalty of Charlottetown, about two and a half miles from the City, situate on what is commonly known as the Judge's road. Two of those Lots are cleared and in very good condition, having been well manured, and produced good crops for the last two years,—the greater portion of them has been sown down with Clover and Timothy, and may be expected to yield a good crop of Hay in the ensuing summer. There is an excellent spring of water on one of the cleared lots, making it very desirable as a place for pasturing cattle; and the whole property has a good substantial fence around it. There are, besides, two large new Barracks, one on each of the cultivated Lots, which will be sold or let with the land. A considerable portion of the other two lots has been cleared, and the whole may be made ready for the plough at little expense and labour. For further particulars apply to

NASH'S SUPERIOR HORSE AND CATTLE LINIMENT.

One of the most valuable articles ever offered to the public for Sprains, Windgalls, Ringbones, Spavins, Stiffness of the Joints, Fresh Wounds, Galls, &c., &c.

THIS truly valuable Liniment has been extensively used for upwards of seven years, and in no instance has it failed to give satisfaction. The Proprietors cheerfully recommend the above remedy to the public, under the full conviction of its efficacy in the above-mentioned diseases where an external application is required.

It reduces inflammation or swelling, or where the flesh has become callous, it softens and reduces it, and produces a full and free circulation to the parts previously affected.

Numerous certificates from highly respectable individuals might be offered, "testifying to its efficacy," but the proprietors deem it unnecessary. All that is solicited is a fair trial of this Liniment, to convince the public of its value.

THE FRIEND OF ALL!

HOLLOWAY'S PILLS.

Nervous Disorders.

What is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer or spirits, or far better, none; take no coffee, weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these golden rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

Mothers and Daughters.

If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

Sick Headaches and want of Appetite.

These feelings which so sadden us most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

How to be Strong.

Never let the bowels be either confined or unduly acted upon. It may appear singular that Holloway's Pills should be recommended for a run upon the bowels, many persons supposing that they would increase relaxation. This is a great mistake however, for these Pills will immediately correct the liver, and stop every kind of bowel complaint. In warm climates thousands of lives have been saved by the use of this medicine, which in all cases gives tone and vigor to the whole organic system, however deranged,—health and strength following as a matter of course. The appetite too is wonderfully increased by the use of these Pills, combined with the use of solid in preference to fluid diet. Animal food is better than broths and stews. By removing acrid, fermented, or other impure humours from the liver, stomach or blood, the cause of dysentery, diarrhœa, and other bowel complaints is expelled. The result is, that the disturbance is arrested, and the action of the bowels becomes regular. Nothing will stop the relaxation of the bowels so quickly as this fine correcting medicine.

Disorders of Kidneys.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be affected with stone and gravel, or with aches and pains settled in the loins, over the region of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

For Stomachs out of order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm,—in fact they never fail in curing all disorders of the liver and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	toms
Asthma	Erysipelas	Lumbago	Tic-Doloureux
Bili's Complaints	Female Irregularities	Piles	Tumours
Blotches on Skin	Fevers, all kinds	Retention of Urine	Ulcers
Bow'l complaints	Fits	Scrofula, or King's Evil	Venereal Affections
Colics	Gout	Sore Throats	Worms, all kinds
Constipation of the Bowels	Head-ache	Stone and Gravel	Weakness, from whatever cause &c., &c.
Consumption	Indigestion	Secondary Symp-	
Debility	Inflammation		
Dropsy	Jaundice

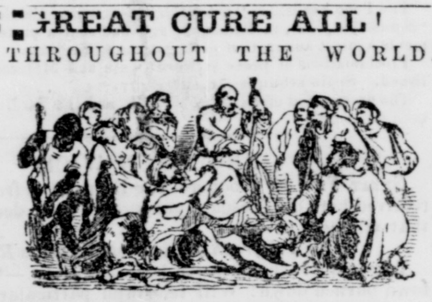
THE GREAT CURE ALL!
KNOWN THROUGHOUT THE WORLD.



HOLLOWAY'S OINTMENT.

Bad Legs, Bad Breasts, Sores and Ulcers.

All description of Sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold fury in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflammation in and about the wound, and to soothe the neighbouring parts by rubbing in plenty of the Ointment as salt is forced into meat. This will cause the malignant humours to be drained off from the hard, swollen and discoloured parts round about the wound, sore or ulcer, and when these humours are removed the wounds themselves will soon heal; warm bread and water poultices applied over the affected parts, after the Ointment has been well rubbed in, will soothe and soften the same, and greatly assist the cure. There is a description of ulcer, sore, and swelling which need not be named here, attendant upon the follies of youth, and for which this Ointment is urgently recommended as a sovereign remedy. In curing such poisonous sores it never fails to restore the system to a healthy state if the Pills be taken according to the printed instructions.

Diptheria, Ulcerated Sore Throat, and Scarlet and other Fevers.

Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Whoever tries the unguent in the above manner for the diseases named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm. All sufferers from these complaints should envelope the throat at bed time in a large bread and water poultice after the Ointment has been well rubbed in; and if the soles of the feet are likewise rubbed with the Ointment every night, it will greatly assist the cure of the throat and chest. To allay the fever and lessen inflammation, eight or ten Pills should be taken night and morning The Ointment will produce perspiration, the grand essential in all cases of fevers, sore throats, or where there might be an oppression of the chest either from asthma or other causes.

Piles, Fistulas, Strictures.

The above class of complaints is surely removed by nightly fermenting the parts with warm water, and then by effectually rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. There again bread and water poultices, after the rubbing in of the Ointment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general bearing down.

Imprudencies of Youth;—Sores and Ulcers.

Blotches, as also swellings, can with certainty be radically cured if the Ointment be used freely, and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humour from the system, and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure.

Dropsical Swellings, Paralysis and Stiff Joints.

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases of such diseases will yield, in a comparatively short space of time, when this Ointment is diligently rubbed into the parts affected, even after every other means havd failed. In all serious maladies the Pills should be taken according to the printed directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Chiego-foot	Fistulas	Sore-throats
Bad Breasts	Chilblains	Gout	Skin-diseases
Burns	Chapped Hands	Glandular Swellings	Scurvy
Bunions	Corns (Soft)	Lumbago	Sore-heads
Bite of Moschetoes and Sand-Flies	Cancers	Piles	Tumours
	Contracted and Stiff Joints	Rheumatism	Ulcers
		Scalds	Wounds
Coco-bay	Elephantiasis	Sore Nipples	Yaws

Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Doctor Evans' Pain Killer.

NO medicine has been discovered that is so happily adapted to use internally as drops to be taken, and yet perform such wonders when applied externally as a wash, bath, or by friction.

USE IT IN THIS MANNER:

For common Headache, simple bathing will answer.

For sudden colds and hard coughs, (to cure immediately) put one teaspoonful in four of molasses, and take three teaspoonfuls of the mixture as often as you cough. Bathe the neck, breast and sides with it to cure soreness of a cough.

Asthma, Phthisic, and sore breasts—for speedy relief, 30 drops in molasses, and bathe freely with it clear, and keep on flannel wet in it.

For bowel complaint, cholera morbus, cholic, and diarrhœa, —a teaspoonful in a gill of milk and molasses, well mixed; if the pain is severe, bathe the bowels with it, and in cholera repeat the dose every hour.

For Dyspepsia and sick stomach, 20 to 30 doses in sweetened water, morning, noon and night, till all symptoms yield, and you are restored to perfect health.

For all rheumatic complaints, lame neck, swelled face, sore throat and toothache, 60 drops as above, three times a day; bathe the parts well, rub with a warm cloth, and take a teaspoonful of mustard seed nightly, in milk or molasses, at bed time.

For burns, scalds, pricks, stings or old sores, bathe well and often the parts affected.

For sudden colds or croup, 30 drops in molasses, every hour, and bathe freely with it.

For canker, sore mouth and stomach, chicken pox, or measles, 30 drops twice a day in sweet milk.
