"Peace and Good Will."

When returning from North Lake, Lot 47, (Dec. 17th) where we had been called, by telephone, to visit a young friend who was very ill, but is now, we are happy to say, recovering health, we called at the home of our friend and brother, Elder John Macdonald. After some pleasant conversation, Bro. M. disappeared from the family circle, soon returning, however, with a mysterious looking parcel in his hand, and a more mysterious smile on his usually pleasant countenance.

Taking a position in front of the writer, Bro. M., in a very pleasant, witty and flattering speech, proceeded to make us acquainted with the contents of the parcel, which was a large sum of money, from the members of the Church of Christ, at East Point, as an expression of their good will to us, as we enter on the labors of our fourth year with them in connection with the church at Montague.

The whole matter was carried forward so quietly and secretly, up to this point, that we were taken wholly by surprise, and therefore were unable to express our feelour feelings or our appreciation of the kindness of heart which prompted the generous gift—so near the festal season.

Many other gifts, beautiful, substantial and useful, found their way to us from individual members of the East Point Church who, with the members of the Church at Montague, during our three years' residence, have heaped upon us many benefits, far beyond their obligations.

May holiness of life accompany kindness of heart, and may the fruits of righteousness ever abound.

How Gordon Met His Death.

THE STORY TOLD BY A GREEK FROM KHARTOUM.

The mail from Suakim brings despatches from General Grenfell, among which is the latest, and this time an absolutely authentic, account of the last hours of General Gordon, the hero of Khartoum, whose lonely tomb in the centre of the Soudan is now venetated by the Maddists as that of a saint. The account, which has been collated with various documents and reports, and officially declared to be true, is furnished by Demetrio Georgio, a Greek, who recently arrived at Suakim from Khartoum. Georgio was born at Berber, and was present at the capture and sack of Khartoum. Here is his story of the manner in which Gordon met his death :

"I had three friends, Greeks. I hastened to rescue them. I had two Mahdist uniforms given me by an Arab friend. One I gave to one friend, putting on the other myself. It was nearing daybreak when I took my friends to my house. Some Arabs rushed in, telling me I ought to go to the government house—the seraglio they called it—at once. I asked why. They replied, 'All the great officers of the Madhi have gone there to kill Gordon Pasha.'

"When they saw that the third friend had no Mahdist garment on they slew him.

"We were then taken into the courtyard. I saw Gordon Pasha smoking a cigarette on a balcony overlooking the river. We had entered the yard where the sycamore tree is. George Demetrio, the principal medical offices of the Soudan and the provinces, and Nicola Lemindita, the Greek consul, were with him. Five hundred dervishes who had been sent by the Mahdi with special orders to take Gordon alive, stood at the foot of the staircase. I went up the stairs, being sent by the men below, who were vociferating, 'Gordon Pasha! Gordon Pasha!'

"Gordon coolly left the balcony. 'Fly,' said the other two, 'while there is yet time.' Go in at the little door and take the boat.'

"'Shall I fly and leave my post?' Gordon replied indignantly. 'That, indeed, would be a disgrace. I shall not fly.'

"He then went into his inner room, and donned his full uniform and sword. Then he came out and grandly drew himself up to his full height. On his visage was a look of scorn.

"'Whom seek ye he asked, on gazing at the sea of angry faces.

"'Gordon Pasha!' they cried.

"'You want him, do you? I am he. Come up hither,' Gordon replied.

"On being again urged by Demetrio and the Greek consul to fly, Gordon replied: 'For shame! Would you have me abandon my post ignominiously?" He could easily have escaped at the rear then.

"As Gordon stood boldly facing the dervishes several superior Mahdist generals came up. The dervishes allowed them to pass. They ascended the stairs and asked for the Pasha. Gordon met them saying: 'I am he,' and handed them his sword in military fashion, intimating that he knew they had taken they the place, and that consequent y he surrendered according to the usages of war. But Nassas, one of the generals, snatched hold of his sword, at the same time, in a brutal and most cowardly manner, striking Gordon an unexpected blow. The Pasha would have fought had he thought he would not be treated in an honorable manner. He fell rolling down the stairs. As he rolled another general speared him on the left side, inflicting a dangerous wound."

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep; constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery,** and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is **Scrofula of the Lungs,** is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvelous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequaled, not only as a remedy for Consumption, but for **all Chronic Diseases** of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at $1.00, or Six Bottles for $5.00.
