NORTHAM TRACK PACING RECORD IS BROKEN

1800 Spectators Witness Barney Hanover Go First Heat Of Meet In 2:08

Upwards of 1,500 fans who gathered at Northam's beautiful racing plant yesterday saw the track pacing record fall before the onslaught of speed which came to the wire in the 2.13 trot and pace. Barney Hanover, owned by C. M. Alexander of St. John and teamed to perfection by Tyndall Semple, veteran Kensington reinsman paced the first heat of this class in 2.08 flat to set the new mark, after Buck Hanover had clipped off the fastest half ever paced over Northam track, being clocked in 1.01½ with Aaron L. right beside him.

With the possible exception of the 2.23 mixed each class was very keenly contested and some beautiful finishes were witnessed. The track was in tip top condition, the weather possibly a trifle hot but very favorable to racing, and the manner in which the heats were handled was a credit to any track.

The highest pay for a $2 ticket at the pari mutual booth was $17 to holders on Barney Hanover in the opening heat of the day.

2.13 Trot and Pace—Five starters came to the wire in this class and they got away without any undue scoring in the first heat with Aaron L. at the pole. Buck Hanover went to the outside from the word and raced to the half with Aaron L. so that the two appeared as a team. They knocked off this half at practically a two minute clip, the time being announced as 1.01½. At the three quarter pole both horses were evidently all through and Marvin Brook, Barney Hanover and Lusty Frisco rapidly closed the gap which the leaders had opened. Barney Hanover seemed to fly as he hit the head of the stretch and won a lovely heat in 2.08 flat. Buck Hanover held on to place second, Marvin Brook third and Aaron L. back to fourth.

In the second heat they seemed to jockey from wire to wire in a very pretty heat. By the time they got straightened away in the back stretch in the first half Aaron L. had taken the lead and Barney Hanover had tucked into second position with Buck Hanover third. Coming into the stretch Barney Hanover again came on beautifully and turned on the heat in a fashion to remind one of Toll Gate or Marjorie M. to place first with Marvin Brook, who had been given a fierce drive by Cummings, second. Aaron L. third and Buck Hanover fourth.

In the third heat Aaron L. took the lead again and held it for the first half when Buck Hanover took over. From the 3-4 pole home Barney Hanover again seemed to take wings and place first after a beautiful drive; Marvin Brook came the hard way to place second with Buck Hanover third.

2.17 Trot and Pace. This class also had five starters. McElwyn the Great got away at the pole in the initial heat but lost it to Sully on the first turn, Direct L. pulling in behind the Halifax horse. They held these positions to the 3-4 mark although it looked as if Direct L. began his drive coming into the back stretch in the second half and then thought better of it. Going around the final turn O'Brien brought his big pacer up slowly but surely and Direct L. beat Sully home in a lovely drive through the stretch. McElwyn the Great was third and Dude Potempkin fourth.

They had a little difficulty in getting away in this heat due to the fact that Direct L. seems to require a fairly long score to get underway and the rest of the field was turning short. After they got under way Direct L. was not headed from wire to wire. McElwyn the Great and Sully fought it out for second place with the former getting the nod and Potempkin was fourth. Wanda Volo refused to score with the rest and was back in each heat.

In the third heat Direct L. led to the 3-4 pole with McElwyn the Great tucked in second. Sully turned on a burst of speed here which swept both McElwyn and the Direct horse off their feet so cleanly that it seemed almost as if there had been some interference. However, when Drivers O'Brien and Callbeck were called to the wire such was proved not to be the case, and Sully with Cummings up was credited with a very clever heat. Dude Potempkin was second and McElwyn the Great third. In winning this race Direct L. further established himself as a very fine pacer, his second heat in 2.09½ being a very creditable performance. At the same time great merit must be meted out to Sully who made the winner step in both the first two heats and then won the third even though he was definitely lame behind.

2.23 Trot and Pace. Happy L. clearly outclassed the field in this event, winning in straight heats and having things under control at all times. He scored on the rail in the first half and was not headed. In the second heat he got away in last position but had headed Bebe McElwyn by the half and he was not headed in the final heat. Bebe McElwyn went an excellent race against a faster horse and will probably be heard from before the fall is over. Miss Jo Hanover and Miss Victoria were back considerably every trip. After a few scores in the final heat the horses were ordered to score by Bebe McElwyn though original positions were maintained.

2.28 Trot and Pace. The slow class brought seven pacers and three trotters out for the word. They got away for the first heat on the very first score with Uscita Britton on the rail. Uscita was not headed in this heat nor during the race but received stiff competition from George Washington, Margaret's Abbe and Nellie Grey.

Margaret's Abbe tucked in second in the first heat with George Washington third, Nellie Grey on the outside in fourth. They held these positions to the head of the stretch when Margaret's Abbe and George Washington pulled out and at one time it looked like George Washington to win the heat, but Uscita Britton showed she had the stuff and held on to the wire. Lady C. Guy, winner at Kensington, broke on the first turn and did not better her starting position of ninth. Few in fact did better their positions in this heat, the first five finishing in the order in which they left the wire.

There was much scoring in the second heat before they got away. Nellie Grey, Lady C. Guy, and Fred Worthy being the worst offenders. After they finally got away the heat was largely a repetition of the first and again the five first horses getting away finished as they had begun, George Washington made a gallant try through the stretch which went, however, to no avail.

In the third heat George Washington began his drive earlier and raced with Uscita as a team all around the final turn to make one of the prettiest spectacles of the day. Again, however, the B ton horse was able to withstand the challenge and Washington fell back to third with Nellie Grey placing second after beginning a drive on the back stretch of the second half. Lady C. Guy got away well in this heat and came up to place fourth. Margaret's Abbe broke early and fell back to ninth.

Yesterday's meet ended the western part of the province's programme but it was announced during the course of yesterday afternoon's racing that practically all the horses present yesterday would be on hand at Montague next Wednesday, so that it looks like banner racing at Montague and Charlottetown during August.

Doug Saunders Eliminated In Golf Title Play After Staging Second Round Upset

By SYDNEY GRUSON

ST. BRUNO, Que., July 26—The dynamite stored in the Canadian amateur golf championship exploded without warning today and left the ghosts of the tournament's four strongest favorites on the sunbaked fairways of Mount Bruno course.

The toll of the second and third rounds was terrific and included the elimination of Ross (Sandy) Somerville of London, Ont., Bobby Dunkelberger, of Charlotte, N. C., and the Strafaci brothers, Ralph and Frank from Brooklyn, N. Y. The Strafacis didn't even reach the third round.

A strapping, 22-year-old Clevelander, Ed Meister halted Somerville's chance for his seventh Canadian title by dropping a 30-foot putt on the first extra hole of their third-round match. It was a birdie-three for Meister who was two up with three to go only to dissipate the lead on the last three holes.

Henry Martell of Edmonton, Alberta champion socked a one-under-par 34 at Dunkelberger on the home nine to eliminate the southerner, two up. Doug Saunders of Charlottetown, a junior, knocked out Ralph Strafaci 4 and 3 in the morning, only to lose in the afternoon to Jim Hogan of Jasper, Alta., one down, and Ken Lawson of Vancouver eliminated Frank, 4 and 3. Lawson lost in the third round to Duane Barr of Calgary who won at the 20th hole.

While these favorites were going down, defending champion Ted Adams of Chillcothe, Mo., stroked confidently to two victories and a place in tomorrow morning's round against Marcel Pinsonnault of Montreal. Adams beat Bill Fisher of Toronto, 4 and 3, and Ted Colgate, of Victoria, 4 and 2.

Frank Mielke of Halifax stroked his way to a 5 and 4 victory over R. C. Smith in the second round only to fall before Willis Kirby of Sherbrooke, Que., 2 and 1 later in the day. David Doig, Jr., of Halifax was eliminated by Ted D. Adams of Boston, while in another second round match Kirby put out D. Caughney of St. Andrews, N. B., on the 19th green.

Jack Harris of Halifax also went down to defeat in the third round, losing one up to Ted Fenwick of Montreal, after eliminating Colin Rankin of Montreal by the same score. Fenwick also put out Maurice Dowling of Charlottetown, winning 5 and 3 in the second round.

Meister was on top of Sandy throughout the match, taking a lead at the first hole which he bridied in much the same manner as when he played it as the 19th Sandy didn't get that back until the ninth where Meister threeputted. Long driving and good work with his irons brought Meister birdies and holes at the 10th and 15th.

On the 18th Meister, victor 3 and 2 over Gus Brault of Kowansville, Que., in the morning, saved the match by slipping a short putt around a partial stymie. Sandy had reached the 18th all-square through a birdie and par on the previous two holes.

Today's play left 12 Canadians and four Americans in the hunt with the champion, Meister, Phil Farley of Toronto and Ken Black of Vancouver the favorites to meet in the semi-finals.
