

Attention Societies

The student union "Mini" Desk returns! The mini desk, is located in the Robertson Library, will be available to departments, societies, organizations, alumni, and the Student Union to promote their wares. The desk and area around it can be used to set up displays to promote society awareness, used for membership drives, sell advance tickets to tub-organization pubs, etc. "The Pit" is one of the main spots on campus for the student population to take a break, have a snack and chat, or organization. If any group is interested, please contact me at the Student Union Office, anytime. My number is 566-0760 or drop down to see me. My office hours are:
