

THE DAILY EXAMINER
SEPTEMBER 9, 1898.

A POINT GAINED.

LORD Salisbury's practical wisdom has been vindicated by the events of the past week or two. The successful campaign in Soudan, culminating in the capture of Khatoum, is a lesson which all Turks and infidels will not fail to take to heart. But particularly gratifying are the expressions of admiration for British motives, policy, and achievement which have emanated from the ruler and press of Germany and from the press of the United States. Lord Salisbury has striven, in an honorable way, to enlist the sympathy and friendship of these great nations; and it is evident that he has succeeded. With Germany the United States and Great Britain standing together, there is a guarantee for the welfare of each, and of the world at large.

A NOBLE EFFORT.

The decision of the Methodist Church of Canada to attempt to raise a million dollars for organization work to commemorate the close of the century has attracted attention throughout the country. No doubt the Methodists are a thrifty and prosperous people. But a million of dollars is a large sum for even such a people to raise from among themselves in the course of a year or two. The progress and success of the movement will be watched with much interest by the people of other denominations. If the ambition of the General Conference should be realized, the fact will speak louder than words as to the wealth and practical Christianity of the Methodists of Canada.

THE CONSERVATIVE LEADERS.

The warmth of the reception of Sir Charles Tupper by his constituents in Cape Breton and the men of Pictou and Halifax, may be taken as convincing evidence that the true worth of the Leader of the Conservative Party is recognized and appreciated by those who know him most intimately, and that his views concerning public affairs are shared in by increasing numbers of the people. It is significant that his old enemy, the Halifax Chronicle, feels constrained to restrain the torrent of its abuse and to express, "apart from politics," some admiration for his fighting qualities and his wonderful vigor. The tide must have turned when the tone of the Chronicle is so completely changed. As for Mr. Foster, proof of the estimation in which he is held may be found in the article from one of the most extremely Liberal journals in Canada—the Montreal Witness—which we quote in this issue of THE EXAMINER. The moderate, patriotic and statesmanlike course pursued by Sir Charles Tupper and Mr. Foster with reference to the international conference at Quebec has commended them to intelligent men of all classes. These men are not merely party politicians, anxious to score a point against the Government. They have the good of the country at heart.

NOTES AND COMMENTS

"We started this war for humanity's sake and we have been inhuman to our own troops," says the New York Herald. This according to the reports, is true, and "pity 'tis 'tis true."

The Montreal Gazette says that Mr. Fisher, the minister of agriculture, should give his early attention to the dairy export business. The shipments of cheese have been falling off all summer, and are now a quarter of a million of boxes under last year's record to date. Butter, also, which at the beginning of the season showed an increase, is now also dropping away, and the record is many thousand packages short of that of last season. All this is a state of affairs not looked for under the rule of a practical minister of farming. It should be mended at once.

ESTEEMED EXCHANGES.

Montreal Gazette: The election of a Conservative to the P. E. I. Legislature in the place of Mr. Warburton, the recently resigned Liberal premier, shows that the party there has good men to uphold its cause.

Canadian Home Journal: It is not a new saying that war and the liquor traffic are two of the greatest curses of humanity. It is none the less true, however, and because it is true it should receive the serious consideration of every person who has the mental capacity to give it intelligent thought.

Mail and Empire: Senor du Bosc wants to sue Canada for \$500,000 because Sir Wilfrid Laurier ordered him out of the country. Sir Wilfrid was unduly anxious to show himself anti-Spanish in the war. At the same time we are not going to pay half a million dollars to Mr. Du Bosc. Sir Wilfrid does not give away millions and half millions except to people who are doing something for the party.

TRIBUTE TO MR. FOSTER.

[From the Montreal Witness, Independent Liberal.]

It would not be easy to improve upon the reply which Mr. Foster made yesterday to an Ottawa interviewer who invited him to discuss the Quebec conference, which was tantamount to asking an opposition leader to criticise and condemn the Canadian commissioners who are members of the Government. The ex-Finance Minister replied:—

"I think not at this stage. There is much speculation as to the result of the Quebec conference. Various interests hold, of course, a variety of views, but it is safe to say that all would like to see vexing questions settled and the best of relations firmly established between the United States and Canada. I purposely refrained from discussing any of these in my meetings, nor did I notice any other desire than that the government should have the support of the whole country in presenting a strong Canadian case. The trip strengthened, if possible, my faith and pride in Canada. Since 1886 the whole face of things west has changed, and the great progress made is but faint promise of what the next decade will see."

That is a statesmanlike utterance, and the sincerity of it is very obvious. Mr. Foster is a strenuous political opponent, an unsparing critic, but he is at one with the Laurier Government in the desire for a settlement of 'vexed questions' and the establishment of 'the best relations between the United States and Canada.' Mr. Foster does not hesitate to encourage and strengthen Sir Wilfrid Laurier and the Canadian commissioners in their work by declaring publicly that, though he addressed public meetings for the political purposes of the Opposition, 'he did not notice any other desire than that the Government should have the support of the whole country in presenting a strong Canadian case,' a declaration which is well worth repeating. Canadian statesmen seem to have been elevated and broadened by the imperial character of the policy which Canada has entered upon during recent years.

THE SPORTS YESTERDAY.

Fine Weather—Large Crowd—Charlottetown Boys Do Well.

At the Charlottetown Amateur Athletic Association grounds yesterday, a large number of people witnessed the competition for the Maritime Provinces championships.

The weather was perfect, and this, with the splendidly appointed grounds, helped to put everyone in good humor.

The best of feeling prevailed amongst the competitors and their friends. The visitors, of whom there were many present yesterday from the other provinces, expressing their pleasure time and again with the arrangements of the track and the impartiality of the officers.

The principal contests were watched with much interest. At the close of the proceedings the Wanderers were declared the winners by 2 points, having a score of 40, with the Abegweits, of Charlottetown, 38. Had our representatives all belonged to the same team, Charlottetown would have been ahead, but some of our contestants belonged to one club and some to another, and division of honors was responsible for the apparent second place. The following is the prize list:

100 YARDS DASH.

The first heat was won by Stephen of Halifax. Ritchie of Charlottetown, second and Johnson of Halifax third. These were the only competitors in this heat.—Time 10 seconds.

The second heat was won by Steele of Acadia, Harris of Halifax, second, and Gillespie of St. John third. Only those three competed. Time 10 3-5 seconds.

Stephen, Ritchie, Steele and Harris entered the final. Stephen won the race. Steele second and Ritchie third, all close together. Ritchie got a very poor start and would have passed Steele had the course been a few yards longer. Stephen won in 10 seconds equalling the Maritime record held by Humphrey. There are only six ten seconds men in the world. Wefers holds the world's record of 9 4-5 seconds.

PUTTING 16 LB SHOT.

Marcus W Henderson of Moncton slung the shot 34 feet and half an inch. Joseph Darke Charlottetown, second, 31 feet 5 ins and W. H. C. Sprague Charlottetown 30 feet 8 ins. The world's record is held by Grey, 47 feet, and the Canadian record by C. F. Gouthro 40 ft 3 ins.

220 YARDS DASH.

The three competitors in the first heat were Stephen, Halifax; Ritchie, Ch'town and Harris, Halifax, who reached the tape in the order named. Time 23 2-5 seconds.

Gillespie of St. John and Wood of Halifax were the only competitors in the second heat. The latter won in 25 1-5 seconds.

The four winners raced off in the final. Stephen won the race, Ritchie second and Wood third. Time 22 1-2. Stephen won by a marvellous burst of speed. It is worthy of note that only four men have ever gone below 22 1-5. Stephen's time yesterday ranks him as one of the fastest men in the world.

POLE VAULTING.

Marcus Henderson, Moncton, won by a vault of 10 feet. Ruggles of Halifax, second 9 ft. 8 in.; Steele of Acadia and Lawlor of Ch'town dropped out of the contest at 9 ft. The record for Canada is held by Crocker of Amherst 10 ft. 4 1/2 inch.

THROWING 16-LB. HAMMER.

Henderson was also superior in this contest, throwing the hammer 99 ft. 1 inch; Joseph Darke, Ch'town, second; G. H. C. Sprague, Ch'town, third. Mr. Henderson afterwards gave an exhibition throw of 103 ft. 7 1/2 inches. The Canadian record is 104 feet.

HALF MILE BICYCLE.

Davidson and Stanley of Moncton, Hardigan, St. Mary's, Mumford of Amherst, Unsworth of Charlottetown and Howes started. Davidson won the heat, Unsworth second, Mumford third. Time 1:12.

In the second heat the starters were Newsome, Sellar, Cook, Clarke of Charlottetown, Scott of Moncton and Keith of Halifax. Keith won the heat, Scott second, Newsome third. Time 1:17 1-5.

The six winners started in the final heat. Newsome won by an admirable burst of speed maintained in the face of a heavy wind during the greater part of the last lap, winning by a good

lead in 1:16 2-5, Keith came in second, Scott third.

880 YARDS RUN.

H. H. Johnson, Halifax, L. B. MacMillan and P. F. Duffy, Charlottetown, were the starters. Duffy did not finish. Johnson won the race. MacMillan a close second. Time 2:08 1-5.

RUNNING HIGH JUMP.

F. W. Coombs, St. John, went upwards 5 feet 7 inches; Ruggles, Halifax, 5 feet 6 inches; Hall, Halifax, 5 feet, 3 inches; R. C. McPherson, Uigg, 5 feet, 2 inches.

The Canadian record is 5 feet, 10 1/2 inches and the world's record held by a New York man is 6 feet 5 1/2 inches.

ONE MILE BICYCLE RACE.

Mumford, Hardigan, Unsworth and Keith started in the first heat. Mumford won first place. Keith second, Unsworth third. Time 2:46.

Clark, Gaudet, Cook, Scott, Howes and Davidson started in the second heat. It was won by Cook, Howes second and Davidson third. Time 2:44. Clark was doing good work but lost his pedal.

Keith won the final heat in 3:04. Davidson, second; Cook, third; Unsworth was thrown from his wheel on the last lap.

QUARTER MILE RACE.

C. J. MacMillan won this race in 54 1/2 seconds; L. B. MacMillan, second, Wood, of Halifax, the other stater did not finish.

RUNNING BROAD JUMP.

Coombs won this event, 19 ft. 3 in.; Hall second 19 ft. 2 1/2 ins. The other competitors were Steele, of Acadia and McPherson, of Uigg.

ONE MILE RUN.

D. A. McKinnon, John Hughes, Jas. Donahoe, Charlottetown, and H. H. Johnson, Halifax, started. Donahoe and Hughes dropped out about the half. Here McKinnon increased his gait and in face of a heavy wind up the back stretch, soon placed 100 yards between himself and his remaining rival, a far famed racer. This lead McKinnon pluckily maintained to the finish, running the mile in the excellent time of 4 min. 50 sec.

100 YARDS HURDLE RACE.

Coombs, the St. John man also won this race, with Ruggles of Halifax a close second. McPherson, Steele and Hall were the other contestants. Coombs' time was 17 1-5 seconds, which beats any record ever made by a Maritime Province man. The record for the provinces is 17 seconds made in 1889 by A. A. Jordan of New York.

THREE MILE BICYCLE RACE.

The starters were Davidson, Unsworth, Cook, Harigan, Mumford, Sellar, Scott, Clarke and Newsome.

Unsworth won the race by a plucky and very fast quarter coming down the home stretch at a terrific rate amid the most vociferous cheering of the day. Crowds rushed on the track and carried him bodily into the dressing rooms so glad were they to see the champion of other years again wearing the laurel leaf of victory. His time was 8.26. Mumford got second place and Cook third. Newsome was riding a fast race but lost his pedal on the last lap.

Both Ritchie and McKinnon distinguished themselves in the running races, and Henderson's pole vaulting was a very creditable achievement. The Island champions by their performances made their admirers justly proud.

The fact that the Massey-Harris trophy was not competed for caused much disappointment, as this event had been announced and was expected to take place.

CITY OF GHENT.—The City of Ghent arrived here this morning at 7 o'clock with a general cargo and three passengers. She left on return to Halifax via Summerside at 11 o'clock. The following passengers went to Summerside: Mr and Mrs W W Clarke, Miss Hannah Small, Miss Trueman, Mrs Harry Beer, Mr and Mrs T J Dillon and Mr Percy Clark.

THANKS.—We have received, with the compliments of Walter Simpson, Esq., of Bay View, a box of fine red Astracan apples. They are so nice that we are inclined to think, if Mr. Simpson's orchard were nearer town, that neither dogs, nor fences nor five cent fines, with costs, would deter the small boy from climbing the trees and "bucking" the fruit.

EVANGELISTIC.—Conductor Upham, Travelling secretary, R M C A, will hold meetings in this city as follows: Sunday afternoon at 3.45, in Wright's Hall; Sunday evening, at 7 o'clock, in Kensington Hall; open air meeting near Kensington Hall at 8.30. The public are cordially invited.

S. A. NOTES.—Captain Price, of the Salvation Army, has come to Charlottetown to enjoy a well earned rest. Her many friends are glad to see her. Adjutant Creighton of the Salvation Army is sparing no effort in making the Harvest Festival this year a grand success.

ASSAULTED.—Mr. Peter McCabe who entered a saloon on Water street yesterday and had an altercation with the proprietor, was violently ejected and appeared somewhat the worse for the interview. He was alright again last night.

COURT OF CHANCERY.—The court of Chancery will meet tomorrow morning at 11 o'clock, when the vice-chancellor will deliver judgment in the Gas Co. and other cases.

C. O. F.—Court Charlottetown meets tonight at 8 o'clock.

Programme for Mrs Kent's recital will appear in this paper tomorrow.
