### HIS TIME HAD COME

#### No Thought a Quebec Man Until Dodd's Kidney Pills Cured Him of Bright's Disease

Quebec, April 23.—Narcisse Mangy, of 109 St. Anne Street, this city, considers himself an extremely fortunate man. He has come through the ordeal of Bright's Disease alive.

Bright's Disease is a extremely fatal disease of the kidney. The sufferer lingers on, growing weaker and weaker, slowly and miserably dying. Once it fastens itself upon a victim there is only one hope to save him. Dodd's Kidney Pills. But they never fail.

Narcisse Mangy says: "I have endured Bright's Disease for over five years. Doctors told me I would never get well. I thought my time had come. A friend told me to try Dodd's Kidney Pills. I have just finished the fourth box and am cured."

Death is natural, beautiful, progressive. There is small doubt it is treated far too sentimentally.

## The Danger of PILES

Too frequently overlooked, Dr. Chase's Ointment a Prompt and Positive Cure.

The suffering caused by the intense itching and burning sensations of piles is only one of the horrors of this disease, for there is always great danger of piles developing into fistula, one of the most disgusting diseases imaginable. Even the great danger and expense of an operation are preferable to running the risk of contracting this most loathsome of diseases.

But there is no necessity for a surgical operation for piles. Dr. Chase's Ointment is guaranteed to cure any case of piles, no matter of how long standing, or how aggravated the case may be, so long as piles have not become fistula.

It is only by rare chance that internal treatment will cure piles. But it matters not from what cause they arise, Dr. Chase's Ointment will at once stop the itching and burning, and soon effect a perfect cure.

You can use Dr. Chase's Ointment with fullest assurance that what has cured scores of thousands of cases of piles will cure you. For sale by all dealers, or Edmanson, Bates & Co., Toronto.
