FORESTERS IN COUNCIL.

Yesterday's Session at Kensington—Interesting Proceedings.

The High Court of the Independent Order of Foresters met at Kensington yesterday. Mr. J. M. Clarke, of Summerside, High Chief Ranger, occupied the chair. There was a good representation of officers and delegates, every court in the jurisdiction being represented.

After the opening proceedings Supreme Treasurer Collins was introduced and gave an interesting address. The appointment of the usual sessional committee followed.

The High Chief then presented his report. It dealt with the progress of the Order and made fitting references to those of the brethren who have solved the great mystery.

The report of High Secretary Fowler showed thirty-five courts with a present membership of 1425.

The report of High Treasurer Prowse indicated an expenditure of \$56.06 during the year and cash on hand amounting to \$401.95. The assets over all liabilities amount to \$450.11.

A resolution of sympathy with the widow and family of Mr. Reuben Tuplin was adopted.

The public meeting in the evening was addressed by Supreme Treasurer Collins and others.

PERSONAL.

Judge McDougall, wife and child, Toronto, are registered at the Hotel Davies. Senator Prowse, of Murray Harbor, is in the city. He is a guest at the Hotel Davies.

Ex-Governor Howlan and Mrs. Eowlan are summering at Old Orchard Beach, Maine.

Mr. and Mrs. H. R. Lorly were passengers to the west today en route to St. John.

Rev. J. A. Gordon and wife, and Dr. Gordon, were passengers by the express this morning, en route to Montreal.

Mrs. W. F. Tidmarsh and children, who have been visiting in Nova Scotia, returned to Charlottetown last evening.

Mrs. Otto Baird, Miss Fallie and Mr. Roy Baird, of Charlottetown are visiting friends in the city.—Moncton Times.

Mr. and Mrs. William McKechnie, who have been visiting relatives in Charlottetown, left this morning en route to Pittsburgh, Pa.

Mr. Walter Cotton, B. A., who has been spending his vacation in the western section of the province, returned to Charlottetown last evening.

It is pleasing to learn that Mr. James McKee, son of Conductor McKee, who was recently operated upon for appendicitis, at Yarmouth, is recovering rapidly.

It is rumored that William K. Vanjerbit, jr., will shortly be received into the Roman Catholic Church. Young Vanderbit wedded a daughter of the church, Miss Virginia Fair.

Hon. Edward Blake, who came out from England on the Allan line steamship Californian, left the vessel at Quebec and proceeded to Murray Bay, where he will spend part of his time while in Canada.

General Kitchener, of Khartoum, conqueror of the Sudan, will pay a visit to New York and other cities of this continent as soon as the important military mission upon which he set out upon on Friday is accomplished and he is able to take a vacation.

Mr. J. McKenna, the hustling passenger agent of the C. P. R., is among the latest arrivals at the Hotel Davies. He will leave to-morrow morning for Quebec. Mr. McKenna informs THE EXAMINER that on and after Monday next the usual American luncheons will be served on the dining cars between Truro and Mattawamkeag instead of the la carte luncheon which has not proved popular with Maritime Province travellers. The change above noted shows how anxious the C.P.R., people are to please patrons of the road in all sections.

A CHANGE.—The Pioneer reports that a change has been made in the races at the Summerside Driving Park. It says that prospects for a large field of horses in each class has compelled the management to give up the idea of a combined bicycle and horse meeting and to hold only a horse race Sept. 7th. A suitable date will be selected for the bicycle meeting.

LOCAL NOTICES.

Mr. John McQuillan has opened a feed store on Queen Street, opposite the Express Office. Shorts, bran, oats and hay for sale at the lowest prices. Owners of horses should patronize the new store.

THE STANLEY.—The steamer Stanley arrived from Picton last evening, where she was taking bunker coal. She will leave in the morning for Malpeque with the dredge Prince Edward in tow. It is said that the Prince Edward is going to Malpeque to dredge out a place for Hon. Peter McNutt's schooner, the Sir Louis Davies.

—We regret to hear complaints about neglect on the part of officials in several branches of the public service. Complaints about letters lost and delayed in the post office are very frequent. We advise those who have been disappointed and annoyed by reason of negligence in the post office to go at once to the post office inspector and make definite statements of their cases. Eternal vigilance is the price of more than liberty.

Local and Other Items.

BOYS BRIGADE IN CAMP.—No. 1 Company of the Summerside Boys Brigade went into camp at Camp Andrew, North St. Eleanor's, on Monday morning and will remain there until Saturday.

MRS. McDONALD DOUBTFUL.—Mrs. McDonald, wife of the Klondik King, who is said to have declared himself insolvent in Dawson, is in Vancouver. She declares her absolute disbelief in the story of his insolvency. Some of the local bank people are disposed to accept Mrs. McDonald's view.

WESTERN WHEAT CROP.—According to a Winnipeg despatch the Northern Pacific crop reports make the prospect out better than for years past. Twenty bushels is the lowest estimated yield in any part of Manitoba, the estimate running all the way to forty bushels. Wheat cutting has already commenced in many points.

THE BRUDENELL LOST.—A cable from Arroya, P.R., announces that the schooner Brudenell, Captain King, loading molasses there for Halifax had been driven ashore in the big tornado and is a total loss. The Brudenell was about half loaded at the time. The vessel was owned by Hon. D. Gordon, of Georgetown.

POLICE COURT.—Norman Valley was the only candidate for justice this morning. For being drunk and incapable on the 13th inst. he was fined \$5 or 30 days and for being drunk and disorderly and fighting on the 5th inst. a similar fine was imposed. For the next two months Norman will be a guest at the Hotel Harvie.

RAILWAY TO BE SOLD.—The Great Eastern Railway, running from the C. P. R., formerly the South-Eastern Railway, at St. Michel de Yamaska to St. Gregorie, Nicolet county, on the G. T. R., about 28 miles long, is announced to be sold by the sheriff of Richelieu at Sorol on the 29th inst., at the instance of Mayor Prefontaine in his suit against the company and C. N. Armstrong.

SEVERE STORM.—The storm of Sunday night was very severe at Parreboro and Springhill. In the former place the chimney of Dr. Hayes' house was struck and shattered, and the house generally discommoded and shaken up. The house alongside occupied by Miss Turle also felt the effects of the concussion. A house at Riverside was completely demolished. In Springhill the dome of the Academy was struck and shivered to pieces.

IMPORTANT DISCOVERY.—It is announced that Mrs. Joseph S. Palmer, of St. John has discovered that she is a direct heir to the property now valued at two hundred million dollars granted by the United States Government to the heirs of General Hugh Mercer, who died in 1777 of wounds received at the battle of Trenton. Her maiden name was Margaret Mercer and her grandfather was General Mercer's brother. Mr. Palmer is a sister of Mrs. Lewis Carvell. She will communicate with the Chicago heirs at once.

ACADIAN FEAST.—There was a grand Acadian celebration at Palmer Road on the 15th, and also a picnic in the afternoon. A solemn High Mass was sung by Rev. Father Burke, with Rev. Father's Turbide and Chaisson as deacon and sub-deacon. The altar was beautifully decorated with natural flowers. Father Turbide preached a most eloquent sermon on religion and patriotism, and showed that the Acadians were striking examples of both. All day long the large crowd amused themselves to the full on the picnic grounds. A handsome sum in aid of the church was made.

STOLE SEVEN THOUSAND.—Seven thousand dollars in bank bills were stolen from the Canadian Pacific railway station at Joliette, Quebec, last Monday night. The money had been sent by the Bank Nationale to its local branch there. It arrived late in the evening and as the express company's safe was out of order, the agent hid the money in the cellar of the station. On Tuesday morning it was gone. This is the third time, inside of three years that the station has been robbed. On the first occasion the safe was cracked and \$6,000 stolen. The second time \$3,200 was taken and the station burned to cover the crime. Now \$7,000 more is missing. The thieves in the first two robberies were never caught.
