Patrols are: T. MacKenzie p.l., R. Steele, E. MacNeven, L. Gallant, L. DesRoches, A. Gallant, D. Coles, M. Gaudet.

Girl Guide News

Souris News

The Guides of Souris are really having fun. A Scavenger hunt was held, with Barbara McPhee's Patrol getting back first and winning a box of Chocolates. Another hike was held with 37 guides taking part, to Norris Pond where a regular Guide meeting was conducted, followed by supper, nature games, shore racing and finally a grand Camp Fire. Marshmallows were toasted and a rousing sing song. After all the fun the girls did full justice to the eats. Joyce Cheverle won several prizes for racing and every one present voted it a wonderful hike. This is how Guiding should be whenever possible, outdoors and camp fires. All Leaders should plan a few summer meetings for Brownies and Guides as weather in winter does hamper outdoor meetings. Mrs. F. Jenkins would be glad to help you and come along with the girls if you are members of Leaders, Souris Guide Company is like many others short of funds, and plan on selling candy to pay for uniforms and company expenses.

Lone Guide Activities We have not heard from our Lones for quite a while and it was arranged to receive the following from Miss Betty Coyle her Captain. Miss Marjorie Holman and Betty motored to Bloomfield recently and had a wonderful meeting with the Lones there. They arrived at the Mill by 3.30 and found all the girls assembled. The recruits went off with Miss Holman to pass their Tenderfoot test and one Patrol led by P. L. Betty Martin laid a trail while the others did nature work. Z. MacAusland followed the first Patrol to their hide-out in the woods, on the return journey they reversed the order. The following guides passed this test: Betty Martin, Lila Craswell, Marie Peters, Betty MacAusland, Lorraine Martin, Alberta MacAusland, Aletia Martin, Marie Gallant, Elaine Pineau and Barbara McKenna. Supper time next, and what a wonderful campfire to cook over. Betty, Lila and Lela were trying for the 2nd Class cooking test. They used the "T" form, rolled back the turf and lined it with heavy stones. Other Guides gathered wood and Betty and the twins cooked beans and toast. Lots of fun was had toasting marshmallows. I wonder if any fell in the fire or burned, some were a little I heard a whisper. Time to clear away the mess, turn back the turf and it was all done very neatly by the girls and they all passed for the test. Guides formed a horseshoe on the bank of the brook with the setting sun at the back. After a sing song Miss Coyle introduced the recruits, to Miss Holman, who were enrolled as "Lones" and it was a thrill for all the guides as well as the new ones, Rita Gallant and Norma Brown of Pultsville. Several of the Guides are planning to attend Camp at Pownal. Our Lones of Prince County wish all the other Island Guides lots of fun this summer until they are in the news again.

CORNWALL W. M. S. The June meeting of Cornwall W.M.S. was held at the home of Mrs. Charles Hyde, Meadow Bank. The worship theme, "Worship and Works" was under the leadership of Mrs. Mack Vickerson. Suitcases were sung and passages of Scripture were read by Mrs. Sterling Clow, Mrs. Hazel Howard and Mrs. Elmer Frizell. "Church Youth At Work" from the Missionary Monthly, was read jointly by Mrs. Harry Crosby and Mrs. Charman.

The business period followed, with Mrs. M. K. Charman, the president presiding. Minutes were read and roll call answered by twenty-seven members. Four new members joined. Mrs. Harry Hyde reported canvassing for new members and said that several more of Cornwall church women intend uniting with our society. There were several visitors present.

Discussion took place on the entertaining of the Lay Association in July and the cleaning and re-decorating of the church. Mrs. Richard Drake reported that a box of clothing, designated for Korea, had been sent.

The July meeting will be held with Mrs. Harry Crosby when the devotionals will be taken by Mrs. Colin Murray and the study by Mrs. Harry Hyde. Mrs. Pearl Scott and Mrs. Colin MacPhail will assist the hostess with lunch.

The study of Japan was continued with Mrs. Bruce MacKinnon reading from the chapter "Life Begins At 2600". We find that Feudalism is gradually being replaced by Democracy and that social and educational reforms are everywhere apparent. Due to the great scarcity of newspaper second hand books and magazines are much sought after.

Collection was taken and Benediction pronounced by Mrs. Charman. Lunch and a social hour followed.

Assistance Arrives The fire brigade from Matane was the first to reach Cap Chat, a village without waterworks or regular fire crew, and installed pumps in the St. Lawrence half a mile away.

Brigades from Ste. Anne Des Monts, Mont Joli and Rimouski also arrived and drenched the flaming area with salt water.

Confusion reigned in the afflicted district as men and women rushed away with what possessions they could save.

An elderly widow became hysterical. She was taken away by neighbors who explained she had lost everything.

Town officials urged people to move calmly to the convent of Les Filles De Jesus Marie, where food was being prepared.

One man, driving his auto out of the flaming area collided with another auto, injured his hand. His injury was the only one reported during the fire.

The fire broke out just a week after Cap Chat proper-owners agreed to let the municipal proposal to spend \$206,000 for a sewer and waterworks system.

Red Cross Aid QUEBEC, July 5 - (CP) - Red Cross officials announced that Lt. Col. J. B. S. McEhiney, Quebec City branch manager, and four members of his staff will leave tonight for fire-ravaged Cap Chat.

An army convoy also is leaving for the Gaspe village, 250 miles northeast of here, with 100 beds and 400 blankets for the 250 homeless.

THOUSANDS Continued from page 1 uniform and goggles, would let the parade get ahead, and then give his horse the whip in order to catch up again.

The largest class shown, for doll carriages, included thirty-five young ladies, some in elaborate costumes, and others who had spent all their time and no doubt some of their mother's, just decorating their carriages. Many of them were outstanding and received their full share of the ovation as they moved slowly around the floor. One young lady, dressed as the "Old Woman", was behind a doll carriage covered with a huge shawl with tiny dolls at all the windows. Little Red Riding Hood was present leading the Wolf, and others clothed as mothers of all periods, wheeling their children in very elaborately decorated carriages.

Turtles To Chickens Pets in the final part of the parade ranged from turtles to chickens, and included many species in between. Rabbits, dogs of all sizes, shapes and breeds, and kittens, one of which was in costume, rounded out a very entertaining parade. One of the rabbits which aroused a vast amount of comment with its beauty was a white angora, held by a tiny girl clothed in white angora sweater.

Two organizations were responsible for the success of the parade, the Kiwanis for the Pet Parade, and the Beta Sigma Phi for the Doll Carriage and Tricycle Parades. Mrs. Gordon Rayner was chairman for the latter group, and Mr. Wilfred Smith for the Kiwanis.

Judges for the contests were as follows: (Doll Carriage and Tricycle) - Mrs. W. H. Soper, Mrs. Gordon MacDonald and Mrs. P. A. Creelman. (Pet Parade) Messrs. Arthur Hogan, Arthur MacPherson, Harold MacLean and Robert Snazell.

Prize winners included: (Doll Carriage) - Attractively decorated carriage; (1) Judy Dianne Mur-

THE HAGUE, July 5 - (AP) - The International Court of Justice proposed today that Britain and Iran agree on an interim plan for keeping Iranian oil flowing until the court can reach a decision in the full dispute.

Iran rejected the court proposals. British officials said the proposals were "very welcome to us." They said Britain would try to follow the recommendations set down in the 3,500-word decision if Iran would agree. Britain indicated that if Iran refused to agree, Britain might put the oil case before the U. N. Security Council.

But Iran clung to its uncompromising determination to seize full control of the Anglo-Iranian Oil Company's wells and refineries on the Persian Gulf.

Britain had asked the court to propose interim measures as a matter of greatest urgency to stave off the threatened complete shutdown of her Iranian oil operations.

BEDEQUE W. I. - The regular monthly meeting of the Bedeque Women's Institute was held on Tuesday evening, June 5th at the home of Mrs. George Ballum. There were eleven members and three visitors present.

Meeting opened by singing the Institute Ode, followed by the Creed in unison. Minutes of previous meeting read and approved. Roll call was responded to by each member buying a decorated hat for 15 cents or paying a fine of 25 cents.

Report On June Fox Pelt Sales

Results of June sales for most types of fox pelts were generally disappointing, according to a bulletin issued by the head office of the Canadian National Silver Fox Breeders Association, Summerside.

The bulletin reports that lack of satisfactory results was due primarily to lack of European buyers and buying orders from that continent, and the unsettled conditions in the United States.

The latter are considered to be the result of a strike in the manufacturing end of the fur industry. It is also believed that a general increase in taxes in this country has helped to cause a depressed condition in the fur market generally.

In the June sales of fox pelts the platinum, good and ordinary, were mostly unsold. Inferior platinum remained firm in demand and price with 65% being sold, while the pearl platinum had approximately 55% sale. Other grades were mostly withdrawn, but low types sold well.

Sask. Bush Pilots Strike PRINCE ALBERT, Sask. July 5 - (CP) - The bush pilots who fly in supplies to Saskatchewan's booming north country went on strike today.

The pilots walked off the job with other employees of Saskatchewan Government Airways to protest the dismissal of Pilot Stuart Miller. The strikers, about 70 in all, are members of Local 1, Canadian Airlines Employees Union (C.C.L.).

Reinstatement of Pilot Miller is demanded by the strikers. The reason for his dismissal has not been made public. Resources Minister J. H. Brockelbank said the Government would arbitrate the issue.

Ian MacLeod, acting manager of the airline, said the strike would not affect mining activity or other northern industry. Most freight is flown in during the winter months.

"Our traffic during the summer is mainly in fresh and perishable goods," he said. "I believe that the northern settlements are stocked up sufficiently on staples to last all summer without air transport."

There will be delays to mail. So far about 30 bags have accumulated at Prince Albert post office.

Chelton W. I. The regular monthly meeting was held at Mrs. Waldo Gardiner's. The President, Mrs. Heber Schurman opened the meeting by inviting the "Collect" repeated in unison. Roll call was answered by six members. Old business was discussed and, it was decided the choice of speaker at the Experimental Farm, for the Provincial Convention, be on "Gardening." It was also decided the Secretary write the R. C. M. P. concerning a matter important to the community at large, and a letter to the J. W. Windsor Co., concerning a recent order.

The first member to be in Summerside was asked to see about engaging a table for a Pantry Sale at the earliest date, one available at any of the department stores.

The correspondence was read and dealt with, the collections for the Salvation Army were passed in by canvassers and the members gave their donations to the committee.

Final plans for the District Convention of which Chelton is the entertaining Institute this year, were discussed and completed. It was decided to ask Mrs. Wilbert Wright to give the "address of welcome."

The secretary is to purchase the necessary articles for serving supper. Each Institute is to bring 25 bags of candy to sell at intermission of the evening session.

After the collection was taken the program was carried out by Mrs. Waldo Gardiner who gave a reading, Mrs. Ray Campbell gave a reading, and a "nut contest" by Mrs. Earle Pearson. A delicious lunch was served by the hostess assisted by some of the ladies.

Prize winners in the class for decorated tricycles were (Most attractive) - (1) Norman Walker, (2) Brennan Shea. (Most original) - (1) Robert Coffin, (2) Wally Dalziel.

Other competitors included Bobby Peterson, John David McFarlane, Lewis MacDonald, Jarvis Mills, John Andrew, Carl Cheverle, Sterling Brudon, Earl Lund, Ralph Runtz, Thane Burke, Patsie MacPhail, Lynne Taylor, Verna Marie Donald, Dianne Hayes, and Kathleen Sutherland.

The questions to be considered by the Supreme Court with Chief Justice Thane A. Campbell presiding, are:

1. Is it within the jurisdiction and competence of the Parliament of Canada to enact the Agricultural Products Marketing Act, (1949) 13 George VI (1st Session) Chapter 16?
