

pets

i once had a hamster
i think his name was bruce
i tossed him in a barbecue
and washed him down with juice

once i had a puppy dog
he loved to go out barking
i ran over him with my truck one day
and now he enjoys parking

i had a little kitty cat
i treated the bastard well
i dropped her off a building
now the bastard's burning in hell

i used to have a big fat cow
who gave milk whenever i wanted
one day i wanted a hamburger
and now my barn is haunted
