General Telegraphic News.

DUBLIN, April 21.—At the Wicklow sessions to day Mrs. Parnell, widow of the late Charles Stewart Parnell, brought a suit against twelve of her tenants for non payment of rent. Several applications were dismissed by the court on the tenants producing receipts shewing that their rent was not due and in other cases the tenants refused to pay unless the abatement allowed by Mr. Parnell some time before his death was given to them.

MELBOURNE, April 21.—The election yesterday resulted in a victory for the government, the members of the ministry being all returned. It is expected the government will have a majority of two to one in the parliament of Victoria. Of thirty-six labor candidates eleven were elected, of whom only five are workingmen. The returns show the election of fifty supporters and forty-five opponents of the one man one vote principle.

KILL that chronic cough before it kills you. A cough often ends in consumption, and to cure coughs, colds, bronchitis, whooping cough and all wasting diseases, no remedy equals Estey's Emulsion of Cod Liver Oil Sold by druggists. al dw 1m

One St. John, N. B, firm in reported to have paid $1,500 for Ontario butter within a month or two.

THE "Myrtle Navy" plug correctly represents the whole plan upon which its manufacture is conducted. There is not a fractional part of a cent expended upon it for mere appearance. It is neither wrapped in tin foil nor worked into fancy shapes, nor put in fancy cases, nor subject to any kind of expense merely to please the eye or captivate the fancy. The manufacturers rightly believe that tobacco was not purchased for ornament, but for smoking, and therefore all extraneous expense was avoided and added to the quality of the tobacco. The public have testified in its case that they prefer paying their money for a high quality of article than for ornament out out of place.

Tuesday last was Primrose day in England, in memory of Lord Beaconsfield.

Now is a good time to take Estey's Iron Tonic so that the system may be strengthened and the blood purified to withstand the debilitating effects of the warm summer weather. Druggists sell it. Price 50 cents. apl dw 1m

Here is a *straight tip* for you, and a good one.

Are You
Suffering from a cold?
Estey's Emulsion of Pure Cod Liver Oil will cure it.

The Telephone Company —OF— P. E. ISLAND.

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.

SAVED!

The testimonial below refers to a patient who was pronounced incurable by leading physicians in England:

From Rev. Dr. Hill.

M. F. Eagar, Esq., HALIFAX, N. S.

Dear Sir,—I feel that it is due to you that I should say publicly what I have said privately very many times, namely, that I firmly believe your PHOSPHOLEINE was the means of restoring a near relative of mine to ordinary health. The patient was apparently in the last stages of Consumption, but with the concurrence of skilled physicians the PHOSPHOLEINE was tried, and, I am happy to say, with results that I certainly did not anticipate. My friend is enjoying excellent health.

Believe me, yours very truly,
