Dodgers Take 3-2 Lead In World Series

S. D. U. Downs Mt. A. 9-0 In Intercollegiate Football Series Opener

Saint Dunstan's University won the opening game of the Maritime Intercollegiate Football League here Saturday afternoon by scoring three unconverted trys and defeating Mount Allison University 9-0.

The A.J. MacAdam coached Saints enjoyed a wide edge on the play. They struck for one try midway through the opening half and came back for two more in the last thirty-five minutes.

The game was almost 20 minutes old when the Saints' Lloyd "Sanky" Gaudet raced across the Mounties goal line on a 25-yard run for the first try of the game.

The score resulted from a play which saw the Saints pass the ball from one side of the field to the other. Big Copy Callaghan set the stage for the score with a short run down the left hand side. He passed to Freddy Driscoll who relayed the ball to Clarence MacDonald. MacDonald fed a pass to "Scouts" Coyle and Coyle in turn handed it to the speeding Gaudet.

The Saints went ahead 6-0 at the 12.30 mark of the second half when big, tireless Art Pendergast worked his way through a mass of Mount A. players from eight yards out. Pendergast was tackled at the line but managed to reach out and touch the ball in scoring territory as two Mounties sat on his back and legs.

Less than three minutes later Phil "Scouts" Coyle raced 25 yards down the sidelines to score the final try of the game. Coyle took a pass from picking quarter Pete Dunphy on the Mounties 25. He swerved around the lone defender and went over the line standing up.

Bill Clarke, Mount Allison backfielder presented the visitors greatest scoring threat in the dying minutes of the game when he came within two yards of the S.D.U. line before being brought down.

The game, played on the cold, wind-swept Saint Dunstan's field featured great work by the Saints scrum. Although outweighed by the Mounties the Saints outheeled the visitors and followed the ball like bloodhounds throughout the contest.

The Saints forced the play into Mount A. territory on the opening whistle and kept it tnere during the greater part of the first half. The Mounties, however, made occasional bursts into the Saints half and at one time came close to scoring.

Then after five repulses by the Mountis defenses the Saints finally broke through with Gaudet carrying the mail for the opening score. Play was fairly even for the remainder of the half.

The Mounties pressed early in the second half, but could not cross the Saints 25 yard line. The Saints pushed the play into the Mounties left hand corner and following a succession of scrums Pendergast picked up a loose ball and wormed his way over the line.

The Saints final score followed a scrum near the visitors 25 yard line. The scrum heeled the ball cleanly to Pete Dunphy and Pete handed it to Phil Coyle on the dead run.

Dunphy turned in a good game for the Saints being especially effective with his kicking. The S.D.U. stars, however, were the forwards with Ronnie MacIvor, Freddy Driscoll and John Mullally, Clair Callaghan, Art Pendergast and Charlie Cheverie all playing heads up ball. Paul Jay, S. D. U. wingman, suffered a leg injury in the first half and was replaced by Bob Mooney.

The game was capably handled by Gordon Bennett.

All-Star Game

DETROIT, Oct. 5—(AP)—Maurice (Rocket) Richard fired a final-period shot into an open net to give the second all-star team a 1-1 tie with the first team in the sixth National Hockey League all-star game tonight before 10,680 fans.

Both goals came in easy fashion as the world's best hockey players engaged in a listless contest that drew few cheers.

Left wing Marty Pavelich of the Detroit Red Wings pushed the first team ahead at 9:57 of the second period. Goalie Jim Henry of Boston was sprawled helpless on the ice after stopping succesive shots by Dave Creighton and Ed Sandford, both of Boston.

Richard, Montreal scoring ace, got his goal just as easily at 1:36 of the final period. Hy Buller of New York fired a close-in shot and goalie Terry Sawchuk moved out to make a successful stop. But he was slow in getting back in front of the net and Richard scored.

Players Arriving At Glace Bay

SYDNEY, Oct. 5—(CP)— First new players for the 1952-53 edition of the Glace Bay Miners of the Maritime Major Hockey League checked in at the Bay tonight when goalie Bob Arneil from Rosetown, Sask., arrived with defenceman Bill Burage from Winnipeg.

Already on hand are homebrews Johnny Myketyn, Neil Amadia and Aish Batten from last year's club, along with several other locals who will be invited to try out with the team.

It was learned that Miners had completed a three-for-one trade with manager Don Penniston of Shawinigan Falls. Hard-skating Bob Legere, a second year man with Miners, goes to the Quebec Senior Group club in exchange for two forwards and a defenceman. Three clubs were interested in Leger who had 37 goals and 35 assists for 72 points in 87 games.

Halifax Team Wins Softball Series Opener

The Halifax City Works softball team, champions of Nova Scotia, took the first game of the P. E. I.-N. S. series, defeating the R. C. A. F. Flyers at the Summerside airport Saturday afternoon by the score of 10-1. The game produced some exceptionally fine defensive work considering the weather. The Halifax outfield particularly made some fine catches of flies that were rendered difficult by the high wind.

Both Armstrong for the local boys and Miller for City Works went the route. Armstrong giving up thirteen hits and Miller six. Kendall and Slaumwhite each had three safe bingles, for the visitors, while Dunster of R. C. A. F. also hit a trio of safe blows Miller and Richardson both hit tripples, and Slaumwhite and J Hertnett banged out doubles.

The next game of the best of three series will be played at Halifax. The date has not been decided.

LITTLE SPORT — By Rouson

Ray Marshall, 23 year old left winger from Kirkland Lake, Ontario arrived in the City over the week-end to await the opening of the Islanders training camp this week. Marshall, who stands five nine and weighs 155 pounds, played with Kirkland Lake in the N.O.H.A. Intermediate A League last year. He has been playing hockey as long as he can remember and has spent a lot of time in Ontario Intermediate Leagues. He jumped from junior to intermediate hockey when he was eighteen years old.

• • • •

Asked about his younger brother Willie, the older Marshall stated that Willie would return to the Islanders if he did not make pro hockey. Willie, he stated, had a pretty easy summer as he rested up for the hockey season. Judging by the reports out of the Toronto Maple Leafs training camp at St. Catharine's the rest is paying off for Willie as he appears to be going well with Pittsburgh and looks to be a good bet to make the jump into pro ranks.

• • • •

Murph Chamberlain, who isn't divulging too much information as he makes the rounds of the training camps, may arrive in the City Tuesday evening. Wimpy Stevenson, the red-headed defenseman from Saskatchewan is expected here tonight or tomorrow as is Jim MacKenzie, the hard-working left winger from Winnipeg.

• • • •

But like fishing boats, while some hockey players move in others move out. Lorne Hennessey left yesterday morning for Montreal where he will attend the Halifax Saint Mary's training camp. Lorne has received a leave of absence from Maritime Central Airways for the winter. He was employed with M.C.A.M. since last spring and Saturday night before he left here Lorne had a lot of good words about his employers.

• • • •

Hennessey, along with two or three other ball players who joined Maritime Central Airways in the spring, has been given an opportunity to learn an aircraft trade. The players who have been receiving a good wage, have received an increase in pay and are already learning their trade so it is no wonder they are enthused over the deal they have received from Carl Burke's firm. These fellows played a lot of good ball for M.C.A. this summer and it is a pleasure to learn that they are doing well in the important game of making a living.

• • • •

Halifax Saints, who were reported willing to trade Hughie Campbell for Ronnie Matthews, will not make any move until the status of Matthews has been cleared up. Ronnie is now at the Sherbrooke training camp and it appears that he is not too interested in returning to the Maritimes. Matthews asked for his release from Sydney some time ago, stating that he was going to Calgary of the Western Pro League. He is on the voluntary retired list of Syracuse and could turn pro by going to the Syracuse camp.

Saint Dunstan's University today are on top of the Maritime Intercollegiate League as the result of week-end games here and in Antigonish. The weather prevented fans from seeing a fast, wide-open game between Saints and Mount A. although the game had its crowd pleasing moments. Possibly if it had been a finer day the score would have been more than 9-0 in favor of the local team. The low temperature and high wind certainly hampered the backfields of both sides especially the Saints who had control of the ball and who appeared to have the more speed.

• • •

While the S. D. U. backfielders turned in fine performances it is the forwards we would like to single out for special mention. As a rule these boys do a lot of hard work and receive little notice fot their efforts. However the Saints forwards Saturday played as good a game as any group of forwards we have ever seen. They gave away a good few pounds to the opposing scrum but still outheeled them. They followed the ball constantly, made good runs and tackled hard. Before Saturday's game they were still a question mark but by their performance on the field they should have erased one worry from coach A. J. MacAdam's mind.

• • •

The big test for the Saints comes this Saturday when they play St. F. X. in Antigonish. The Xaverians and Acadia appear to be of equal strength and it appears that the Maritime championship will be decided between those two teams and St. Dunstan's. Mount A. certainly do not appear to be as strong as they were in past years, especially the years following the war when they dominated the Maritime Intercollegiate football scene with such players as Jimmy Keefe, Fats MacLean and "Tiny" Titus.

Tignish-Miminegash Wins Intermediate B Opener

The powerful Tignish-Miminegash Royal-Aces won the opening game of the Provincial Intermediate Baseball B play-offs yesterday afternoon by walloping the Peakes Bombers 15-0 on the St. Roch diamond.

The second and the third game if required will be played on Peakes Diamond Wednesday afternoon.

The Royal Aces raced into a 9-0 lead in the first two innings yesterday as they pounded the offerings of starter A. Handrihan. The winners led 6-0 at the end of the first frame.

Rodney MacInnis started and went the distance for the winners and was given top notch support by his fielders. A. Handrahan, who started for Peakes, was relieved by Paul Jay in the second.

MacInnis allowed 14 Bombers to reach base during the nine inning contest but he bore down in the clutches and left all of them stranded. All of the winning players except one got on base at least three times.

The game was handled by Leo Doyle with Ev. Toombs and Elmer Ward on the bases.

S'side Airmen Retain Maritime Soccer Title

The Summerside R. C. A. F. soccer team, winner of last years Maritime championship, repeated their victory this year, defeating the Sydney Broadview Ramblers at the R. C. A. F. grounds Saturday by a score of 3-1, after the teams had fought to a scoreless draw in Sydney.

Sydney was ahead at the end of the first half on a goal by Bill Drover at the fifth minute mark.

Gibson of the R. C. A. F. evened it up after six minutes of play in the second half, and the teams then struggled for twenty-eight minutes before Green broke the tie making the score 2-1 for the home forces. At the thirty-eighth minute mark Gibson again scored and the score remained 3-1 until the end of the game.

F/L Green of the Summerside R. C. A. F. refereed the game.

At the conclusion of play, the winners were presented with the John E. Lloyd Trophy, emblematic of the Maritime championship.

Local Players Hold Workout

Larry Travis, Bob Gray, Buck Whitlock and Bucko Trainor had their first skate of the season over the week-end when they worked out over the ice which Forum manager Bill Brown claims was laid down in record breaking time.

The four hockey players will likely be joined by Ray Marshall today in another workout.

The first water was laid over the sprinklers at the Forum at 2.30 Thursday morning and less than three days later the players had a good sheet of ice to workout on it was learned from Bill.

The freezing machines, after a complete overhaul by Percy Rodd assisted by Cap Hasting and Roy MacKinnon, are in tip-top shape. In fact they are so good that Bill anticipates laying down the blue-lines and red lines right away and hopes to have them ready when Murph arrives here Tuesday night.

At the same time a house-cleaning job is going on up in the seats where a hard-working group of women are sweeping and scrubbing up. Still higher up a band of men are busy putting new ventilators on the roof.

Rochester Wins Little World Series

ROCHESTER, N. Y., Oct. 5 — (CP)— With righthander Jack Crimian starring in a relief role for the third successive game, Rochester Red Wings won the Little World Series Saturday by defeating Kansas City Blues 6-4 in the decisive game of their best-of-seven series.

The victory for the International League champions capped a great comeback in the series. At one point they trailed the American Association representatives 3-1 in games.

The series players' pool, drawn from the first four games, amounted to $46,641. The Red Wings took shares of $1,212 for each player compared with $730 a man for the losers.

Kid Gavilan Outpoints Graham

HAVANA, Cuba, Oct. 5—(AP)—Welterweight champion Kid Gavilan of Cuba defended his boxing title tonight by outpointing Billy Graham of New York in a 15-round bout. Each fighter weighed 146 1/2.

Ottawa Senators Defeat Chicago In Exhibition

OTTAWA, Oct., 5—(CP)—Paced by Dusty Blair, Ottawa Senators of the Quebec Senior Hockey League turned back Chicago Black Hawks of the National Hockey League 4-2 Saturday night in a bruising exhibition game.

The Senators scored their goals in the final period to come from behind after the Hawks took a two-goal lead in the initial stanza and protected it throughout the second.

Blair, who starred with Saint John Beavers in the Maritime Major League last season scored two of the Ottawa goals, his second with four seconds remaining in the game after goalie Al Rollins was taken out with the score 3-2. Other Ottawa scorers were veteran Al Kuntz and Ken Laufman, last season with the junior Guelph Biltmores, Memorial Cup champions.

Jimmy Peters and Pete Babando scored for the Hawks.

(Frederick, with Charlottetown Islanders last year, was goalie for Senators.)

Bathurst C.Y.O. Wins N.B.-P.E.I. Baseball Series

Bathurst C. Y. O. made it two straight over the R. C. A. F. Royals at the Air Force ball park Sunday afternoon, defeating the Burns-coached crew by the decisive score of 9-2. The Bathurst team had previously defeated the Royals at Bathurst by the score of 8-7.

The winners used two pitchers and each using a blazing fast ball as his principal weapon, was too much for the Air Force batters. A. Doucet gave up only two hits in five and two-thirds innings, and Keilty gave up no further bingles in the remaining three and one-third frames.

The visitors cracked out fifteen base hits off three Royals hurlers, including the longest home run hit to centre field seen in Summerside for a long time. The mammoth clout was delivered by Al Gaudet, the coach of the Bathurst team, in the seventh inning.

Boudreau and Frenette each poled out three hits for the C. Y. O. team. Jimmie Grady and Freddie Pittman got the lone bingles for the home boys.

Jimi Grady made a nice one-hand stab of a long fly to right field in the fourth inning, and Frenette made a spectacular diving catch of Grady's towering fly to short in the fifth frame.

A high wind made fly balls very difficult to trap, and a dispute arose over calling Pratt out in the fourth inning when with the bases loaded, he lifted a high fly which at one time was over short field, but which the wind took out to Texas leaguer territory out of the reach of shortstop Frenette, so that an outfielder actually fielded the ball. Plate umpire Plante nevertheless ruled it an infield fly, and called Pratt out. The R. C. A. F. coach protested the game, but as there is no body authorized to deal with such protests, the matter was dropped.

Joe O'Brien Drives Winner

LEXINGTON, Ky., Oct. 5—(AP)—Hillsota, taking his third straight victory at the Lexington Trots, won the $10,000 Tennessee two-year-old pace in straight heats here Saturday.

Capturing the first heat by 10 lengths, the colt was timed in 2:00 3-5, only one fifth of a second off the world record for age and gait set by Knight Dream in 1947. Hilsota was driven by Joe O'Brien of Alberton, P. E. I.

Owned by Dr. F. R. McNabb of Itchaca, Mich., Hillsota was in the stable of the late Sep Palin this year. Second in each heat today was Keystoner, belonging, to George Tipling of Cleveland.

Kimberly Kid, owned by Allwood Stable of Far Hills, N. J., won the co-featured Lexington Trot for two year olds worth $9,600.

Score 6-5 Victory Over Yankees In Thrill-Packed 11-Inning Game Sunday

By Jack Hand

NEW YORK, Oct. 5 —(AP)— Duke Snider's blazing bat and Carl Erskine's clutch pitching brought Brooklyn Dodgers an 11-inning, 6-5 victory over New York Yankees today in the fifth game of the World Series and gave the National League club a 3-2 edge in the best-of-seven competition.

Snider and Erskine were great. They had to be or the day's honors would have gone to Johnny Mize, 39-year-old New York first baseman, whose bid for a second home run that would have tied the score in the 11th was frustrated by a spectacular leaping catch by Carl Furillo.

Erskine retired 19 batters in a row after the Yankees had counted five runs in the fifth, three of them on Mize's homer.

Snider's bat drove home four runs on a two-run homer, single and the game-winning double.

The Duke was the big gun against Ewell Blackwell and Johnny Sain, two National League Waiver castoffs. His homer in the fifth built up a 4-0 Dodger lead. His single in the seventh tied the score to repair the damage of Mize's three-run blast into the lower right field seats in the fifth.

In the 11th, Snider came through once more. Following singles by Billy Cox and Pee Wee Reese, he bounced a double off the screen in front of the Yankee bullpen to score Cox with the winning run.

But all Snider's slugging would have given the Dodgers no more than a tie, if it hadn't been for Furillo's leaping stab of Mize's homer-labelled smash in the last of the 11th.

The crowd of 70,586 sat tense as Mize, with three homers in the last three games, strode to the plate in the 11th. Erskine hadn't let a Yank reach base since big Jawn belted his home run in the fifth.

The lights, turned on from the start of the 10th, seemed even brighter in the gathering darkness as Mize again faced little Erskine.

Two strikes and two balls was the count as Erskine came down with another pitch. Mize swung and the ball curved in a high arc toward the stands.

Furillo, playing back near the wall, timed his leap perfectly and nabbed the ball just as it was about to disappear into the stands.

Throwing his 165 pounds into every pitch, the 25-year-old Erskine then curled a called third strike past Yogi Berra to end the game.

This was a tremendous pitching job by Erskine, knocked from the mound in the sixth inning of Thursday's second game. The first Yankee hit in the fourth was a bunt that Mickey Mantle pushed toward Jackie Robinson.

Four of the five Yank hits came in the fifth when Mize looked like a sure-fire hero for the second straight day.

Erskine blew them down 1-2-3 through the sixth, seventh, eighth, ninth, 10th, and 11th.

STARTERS IN NEXT GAME

Manager Casey Stangel announcd Vic Raschi (20-8) as tomorrow's pitcher. The big righthander whiped Erskine 7-1 in the second game.

Brooklyn, needing one more victory to win its first world championship, picked Billy Loes (13-8) to work the sixth game at Ebbets Field.

If the Yankees win, the seventh game also will be played at Brooklyn Tuesday. If it comes to that, Allie Reynolds and Joe Black probably will battle it out again.

There were fine plays galore in today's struggle. George Shuba, who started in place of Furillo to give the Dodgers lefthanded punch, made a long running catch of Phil Ruzzito's drive in the first inning.

Andy Pafko, then playing right field, reached into the box seats to drag down Gene Woodling's home-run bid in the second. And Cox turned Rizzuto's whistling punch into an easy out in the 10th.

Blackwell's toss to force Shuba at the plate after he fell flat trying to field Erskine's play-it-safe squeeze-bunt in the second saved his skin.

The Dodgers already had one run home on a walk to Jackie Robinson, Shuba's single off Billy Martin's glove, a stolen base and Pafko's ground single to right.

Hodges walked and the bases were full with only one out. Erskine worked the count to 3-1 and then bunted toward first base.

Shuba, standing on third, waited to be sure Erskine bunted the ball before he ran. He was forced on Blackwell's good play.

Perhaps the Dodgers played it a little cautious because of the way their squeeze try backfired yesterday when Black missed a bunt and Pafko was dead at the plate.

With Erskine rolling along on a one-hit shutout, the Dodgers got him a 4-0 lead in the fifth. Hodges, still hitless in the series, walked and made second ahead of Blackwell's throw on Erskine's bunt. With men on first and second and none out, Cox sacrificed. Pee Wee Reese's fly to left drove in Hodges.

Then Snider smashed Blackwell's first pitch some 350 feet into the lower right field stands, scoring behind Erskine.

The big five in the fifth rocked Erskine and brought manager Chuck Dressen out for consultation. Dressen stuck with the puny righthander and Erskine settled down to justify his manager's faith.

The inning started innocently enough, Hank Bauer walking on a 3-2 pitch. Martin's little hopper rolled over second base into short centre for the second hit.

Stengel sent Irv Noren up to bat for Blackwell and he duplicated Martin's hit.

Bauer scored on the hit to break the shutout and black dashed from the bench toward the Dodger bullpen to start warming up.

McDougald bounced to Reese who forced Noren but Robinson's relay to first was too late for the double play. While they tried for the double play, Martin scored the second run.

Rizzuto's single to right field brought Dressen out to talk to Erskine on how to pitch to Mickey Mantle. Apparently he had the right answer for Mickey fouled to Cox.

Mize stepped up, fouled off the first pitch and looked at a called strike. Out in front of the hitter, Carl tried unsuccessfully, to make him go after a high outside pitch.

A low fast ball came up and Mize swung. High and away the ball rode sinking gently into the stands near the Yank bullpen.

Sain couldn't hold that 5-4 lead against the bounce-back Brooks. He escaped in the sixth when Furillo led off with a double and was stranded. He didn't quite make it in the seventh.

Cox's single off McDougald's glove and Reese's sacrifice set the stage for Snider to line a tying single into centre. Mantles throw to the plate was too late to get Cox and Snider hustled to second.

The Dodgers threatened in the eighth, on Rizzuto's error and in the ninth on a hit batsman and walk, but Sain and his defence stopped them.

In the 10th a falling catch by Woodling on Hodges' sinking liner postponed the inevitable for one more inning.

Yanks Bitter

The Yanks were bitter about umpire Art Passarella's calls at first base.

Sain was called out on a close play at first base opening the last of the 10th. The Yanks insisted Hodges was not on the bag. Earlier Passarella called Hodges safe at first in the eighth, claiming Rizzuto's throw pulled Mize off the base.

"Sain was safe," said Mize. "Why Hodges was lying off the bag. But they called him out. If the call had been right and Sain was on, it could have been a different game . . ."

Cox, who had only one hit in the first four games, came up with three of the Dodgers' 10 hits off the former National Leaguers. Snider
