THE KENT CASE. A Visit to the Works of the British North American Note Company. OTTAWA, April 8.—A visit paid yesterday to the work of the British North American Bank Note Printing Company in whose employment is Mr. G. H. Kent, the report of whose recovery from Bright's disease with all its accompanying horrors of scrofulous linings, convulsions, coma, and fearful pains, has been the cause of so much discussion in the city, showing that he is still in the enjoyment of the health which he has gained by the judicious use of Dodd's Kidney Pills. For a man who may be said to have had one foot in the grave, and whose health is despaired of, he presented a remarkable picture of health and vigor, and pursued his work at the busy press without any indication of weariness. He is loud in his praises of the remedy which cured him.

Experience Has Proved It. A triumph in medicine was achieved when experience proved that Scott's Emulsion would not only stop the progress of Pulmonary Consumption, but by its continued use, health and vigor could be fully restored.

Orilla's Prominent Furniture Dealer Gives Facts. Orilla Feb. 10th, 1894. EDMANSON, BATES & Co. Gentlemen,—About three or four weeks ago I had an attack of Itching Piles. I tried two or three different remedies recommended by druggists as "the best and only cure," etc., etc., but got no relief. About this time I was beginning to despair of finding any relief. With some slight misgivings I bought a box of your pile cure, which I am pleased to say gave me almost instant relief and permanent cure. I consider your Ointment a God-send. ALF. J. DEAN.

Glads Tidings of Great Joy. There could be no gladder tidings than news of a cure for consumption. Miller's Emulsion of Cod Liver Oil cures consumption and every disease of the lungs and respiratory organs. Why? Because it supplies new blood to the exhausted system, thus giving a new lease of life. Miller's Emulsion is made from the Oil of the Norwegian Cod Liver, and in conjunction with hypophosphites of lime and soda forms the greatest fertilizer of the age. Miller's Emulsion is the great nerve strengthener and blood maker, and cures Coughs, Colds, Bronchitis, Scrofula and all Lung affections. In big bottles, 50c. and \$1, at all drug stores.

The Cheapest is Pond's Extract. Because on "Small" bottle, 50 cents, has more beneficial effect than one gallon of other preparations sold as being "the same as" or "equal to" Pond's Extract. For all pain and soreness.

Parents Must Have Rest. A President of one of our Colleges says: "We spent many sleepless nights in consequence of our children suffering from colds, but this never occurs now: We use Scott's Emulsion and it quickly relieves pulmonary troubles."

20 YEARS OF SUFFERING. 20 Failures to Cure. For 20 years I suffered the torments of the damned with blind and itching piles. Had I known of any cure I would not have hesitated to have given hundreds of dollars to obtain it. I followed the instructions of an eminent physician in using syringe treatments. I used Fowler's Pile Cure and 20 others of different kinds. From some a little relief was gained, but nothing approached a cure. I was about resigned to the fate of having to pass through an almost uninterrupted course of suffering so long as I lived, when Chase's Ointment was brought to my notice. The statements in regard to it were so strong and bore with them a sense of conviction sufficient to overcome my skepticism in regard to its being no better than the rest. I used it, with the result of receiving immediate relief and permanent cure. For weeks and weeks I was fearfully afraid of a return to misery, but it did not occur. I started using Chase's Ointment, hoping for relief and realized a cure that is permanent. I do not believe there ever was a worse case of blind and itching piles than mine, which leads me to think there is not a case to be recorded that Chase's Ointment will not cure. Yours truly, GEO. W. MORRIS, Brantford, Ont. Prop. The New Morris Separator.

Prop. The New Morris Separator. Like the Queen, the Princess of Wales suffers from rheumatism in the knee. The affection is the result of the long, serious illness the Princess had many years ago at Sandringham, which, for a time, was subdued, but has recently re-asserted itself. The Princess cannot preside at any ceremony which requires her to stand for any length of time. Even her favorite exercise of skating was found this year to be impossible. Through the exuberant imaginations of some contemporary chroniclers described the figures she cut on the ice and many other details, as a matter of fact she walked about on the ice or on the bank with the Duchess of York, who was unable to join the other young people.
