

## SAINTS vs. MONTAGUE

### Crucial Tilt At Arena Tonight

Tonight's Island Senior Hockey League game at the Sports Arena may well be the most important clash of the year for the two teams involved. Montague Primroses and St. Dunstan's University.

With the Basilio Youth Club and Summerside Aces fairly safe from moving into the cellar at the moment, the Saints and Primroses are battling for that fourth and last playoff position. A win for tonight is an absolute "must" for both squads, because the loser is a good bet to finish in the league basement, and hence, will watch the post-season fun from the sidelines.

A loss and one they cannot afford, would leave Primroses deep in the cellar, with their two remaining games against the powerful Parkdale Flyers. A win, on the other hand, would lift Primroses into fourth place ahead of the Saints, who will have two more games left after tonight. One is against B.Y.C. and the other against Summerside.

A victory for Saints and the college lads will find themselves in third place, a few points ahead of B.Y.C.

### Pineau Giving Carver Stiff Competition In Scoring Race

With the regular schedule of the Island Senior Hockey League drawing to a close, Orin Carver of Parkdale Flyers is maintaining his lead in the scoring race.

With 39 goals and 27 assists Carver leads the pack with 66 points. However, Pineau is hot on his heels only 4 points off the pace with 62 points, and the youthful club leftwinger has taken over leadership in the goal scoring department with 42 having rapped home 9 goals in the last three games.

That cagy old veteran of the B.Y.C., Buck Whitlock, who started the season late and has played only 11 games, is not only in third place all by himself, but has taken over top place in the assists column with 35. Whitlock also has 17 goals for 52 points. Three more than the 49 racked up by Parkdale coach Allie Carver.

Completing the top ten are Buddy Dowling in fifth place with 43 points; Jack Ready in sixth with 42; Skip Carver 41; Billy

### Jollity's Pick Clocked In 30 2-5 At Causeway Yesterday

Some of the best racing of the season was seen yesterday afternoon at North River causeway where a total of 22 horses were entered in four classes.

Jollity's Pick sped to the fastest time of the afternoon being clocked in 30 2/5 seconds for the second quarter-mile in the A Pace. Pick won the first heat also, but didn't start in the third, won by Bob Clegg.

Lucky Logan won two heats of the A Trot, after taking a place position behind Flying Fortress in the first heat.

Murphy's Abbe won the first two heats of the B Pace and finished third in the last one won by Col. Henry. Taylor Dale was third behind Bob Carter and D.P. Dale in the first heat of the B Trot, but came back to cop honors in the other two.

### Trotters Tie For Top With 77-44 Win

Trotters moved into a tie with ideal second Saints for City Basketball League leadership by thumping winless R.C.A. R.C.A.F. 77-44 at the Summerside airport last night.

The strong Trotters rolled into a 20-17 lead at half time and piled in 47 more points in the second half while holding the Sultans to 27.

Mark Ladner paced the Trotters to the victory with a 32-point performance. Donnie MacLean slipped through the defenses for 18 and Father Roche dunked 14. Doug Hepburn with 16 points and R. Heaslip with 14 were top snipers for R.C.A.F.

Lineups: Trotters: 1. MacKinnon 1; C. Tandy 4; Burge 4; Ladner 32; MacLean 18; Lepage 4; Roche 14; Total 77. Sultans: Hepburn 16; Gascon 4; Heaslip 14; Terman 5; Little 2; Atkinson; Henley 2. Total 44. Referee: Harry Roper.

### Athletes of King's College Visitors During College Day

The University of King's College from Halifax will be sending teams to Charlottetown this Friday to compete against teams from P.W.C. on College Day. The girls' basketball team is due in the city Thursday night while the boys' hockey and basketball teams will be arriving early Friday morning.

The program will get underway at 2:15 with the girls basketball teams holding the spotlight. Little is known of the strength of the visiting team and the P.W.C. sextet has not been really tested this year. However, coach Bob LeClair is confident that this squad will make a good showing on Friday.

Following the girls game, the final match of the College table tennis tournament, currently being held at P.W.C., will be held. Defending champion is Roger MacLeod.

The feature of the afternoon program will be the boys' basketball game. The local boys, under the able coaching of a former student, Malcolm MacFadyen, will have a huge task cut out for them to match baskets with the visitors who boast a strong squad.

### Brown Retains Ch'ship With 11th-Round TKO of Bud Smith

By JACK HAND

MIAMI BEACH, Fla. (AP)—Joe Brown, a fancy dancer with a pin-point left, sliced up Wallace (Bud) Smith and stopped the slug-gish ex-champ in an 11th-round technical knockout Wednesday night to retain his world lightweight title in his first defence.

Dr. Alexander Robbins of the Miami Beach city commission ordered referee James Peerless to halt the uneven contest at the urging of Adeolph Ritacco, one of Smith's handlers.

Ritacco said Smith, who was completely outclassed in Miami Beach's first title fight, was unable to see out of his left eye after the fourth round.

CROWD BOOS LOUDLY  
As Dr. Robbins climbed out of the ring, he was asked whether Smith's eye or his cut mouth prompted him to stop it. The doc-

tor answered, "I think it's his reflexes."

Smith, who lost the 135-pound crown to Brown on a split decision Aug. 24 in Brown's home town of New Orleans, never was in this dull contest that drew boos and catcalls from the capacity crowd of 4,129 that paid \$23.081 to see the nationally televised bout.

Although Brown never was able to drop the 27-year-old former champion he cut him around the right eye almost closed the left and drew blood from his mouth and nose.

The three officials scored it in lopsided fashion for 30-year-old Brown before it was stopped. Although they fought only 10 rounds, it went as an 11th-round TKO under Miami Beach rules. Referee James Peerless had it 100-91 for Brown judge Stu Winston saw it 99-92 and judge Eddie Thal 100-91 for Brown.
