FACTS

A man must be an elephant or a mouse to intimate to the people of this section that they do not know the difference between a "Mule and a crayon Portrait". It is a great compliment to pay to the people of Prince County by foreigners, who in return seek for orders to enlarge Photos, and Tintypes. They will soon find out their error. Competition being so keen I will, for 6 months give 25 per cent discount on all Portraits ordered by mail.

I can have your work enlarged in 9 different grades.

For Crayon Portraits only, I will charge as follows:

1 crayon Portrait 16x20	\$1.50
2 Do	2.75
3 Do	4.00
4 Do	5.25

Now let us compare prices of my enlargements with those of foreign agents.

I can give you a 16x20 Portrait, flesh tint, in a 6 in. Elm and gold frame complete for \$12.00—Where are the extra 13.60 that are charged by foreign agents?

They are cutting your throat as it were by imposing on you and charging you an exorbitant price for work which is not a bit better than what I can give you.

My "Crayon Portrait" (charcoal as they say) I make for one dollar less than you pay for their "charcoal".

In all the other enlargements the comparison in prices is still greater. My horse frames, as they say, I sell for 2.50 where their own horse frames, similar to mine, they charge you 4.00.

compare the prices and judge for yourselves where you derive the most benefit.

Which is the most profitable to you, to patronize an Islander or a foreigner?

Look up my advertisement in this paper.

Nous constatons avec regret que le jeune John McFadyen, fils de M. A. F. McFadyen est assez gravement malade. Trois médecins ont été appelés et ont été obligés de faire une opération qui a très bien réussi, nous dit M. McFadyen, père. Les médecins sont confiants.

***The people of this village are desirous to have Mr Tarbush remain and open an office here. The work he has delivered shows such a superiority over work which has been delivered by other parties that the people are very anxious to get the worth of their money by having Mr. Tarbush remain.

Lundi de la semaine dernière, tandis qu'un petit garçon d'

Portraits GRANDEUR NATURELLE

—ou— EN MINIATURE

Le rédacteur de ce journal et autres personnes prominentes ont eu le plaisir d'examiner les portraits présentés par M. S. F. Tarbush et en ont été très satisfaits.

Il y a beaucoup d'ouvrage en ce genre dans cette partie de la province, qui ne donne pas satisfaction.

M. Tarbush, pour la "High Art Co", est hautement recommandé par les principaux journaux de l'île, pour la qualité de l'ouvrage et la manière dont il fait usage dans son commerce. Il garantit tout ouvrage qui lui est confié. Point de dépôt demandé. Il vous accordera le privilège d'examiner l'ouvrage avant de payer. Il vous garantit que vous n'êtes pas obligés d'acheter les cadres, et délivre l'ouvrage lui-même.

Méfiez-vous de ceux qui prétendent représenter "The High Grade Art Co". Ces gens n'ont aucune autorité de M. Tarbush. Leur travail est très inférieur et le "High Grade Art Co" ne fait rien que "High Grade Work".

Laissez vos commandes à M. Tarbush et vous serez satisfaits.

cinq ans, fils de M. François Gallant à Mont-Carmel, était à s'amuser dans un "dory" il a été emporté par le courant, à une distance assez considérable dans le détroit de Northumberland.

C'est avec beaucoup de difficultés qu'on a pu le sauver à cause de la grosse mer.

Une dépêche d'Ottawa dit que le capitaine McElhinney actuellement en route pour l'Angleterre a été ordonné par le gouvernement d'Ottawa, à son départ, d'acheter ou de contracter, à Glasgow, pour la construction d'un bateau à vapeur pour faire le service d'hiver entre l'île du Prince Edouard et la Terre Ferme.

High Grade Art Co. Toronto, Ont.

The work of this well known company is now taking the lead in P. E. Island. For years, the people of this section were asked to pay high prices for work, which is not up to the standard.

Mr S. F. Tarbush who represents the High Grade Art Co, has made his first delivery in West Prince and the many exclamations of delight, specially from the ladies, is sufficient guarantee that all portrait either in

OIL, SEPIA, WATER COLORS, ENAMELLED, PORCELAIN PASTEL AND CRAYON are superior to any work ever brought to this island.

Mr. Tarbush is now taking orders for a second delivery. His prices are low compared with the superior work which he delivers.

The leading papers of P. E. I. speak highly of Mr. Tarbush and his manner of doing business.

His work will speak for itself. Hold your orders for him. May 26th 1898—3 mos.

During Mr Tarbush's absence from the village Mrs M. McElroy will take all orders left at her residence.

Year in mind that there are other parties who pretend to be representatives of the High Grade Art Co. of Toronto, but they are not, unless they can show authority from Mr. Tarbush.

Mardi, jour de la fête, de la Reine s'est passé très tranquillement ici. Le jour a été privilégié pour la bicyclette. Des pavillons flottaient majestueusement, au mat de l'église, à L'IMPARTIAL, au couvent et chez M. McFadyen, en honneur du jour.

Nous venons de recevoir le calendrier de la "E. B. Eddy Company", Hull, Canada, pour les années 1898 et 1899. Ce calen-

drier est un des plus magnifiques que nous ayons jamais eu occasion de voir et est embellie de jolies photographures de différentes villes du Canada et de Terre-Neuve. Nos plus sincères remerciements.

Samedi le 28 mai, aura lieu à la salle Ste Marie un concert donné par les élèves de l'école Grammaire de Tignish. Au commencement du concert, il y aura une lecture en anglais sur l'Astronomie. Le reste du concert consistera de musique chansons, de plusieurs morceaux dramatiques etc. Le but de ce concert est de payer des cartes dernièrement achetées pour l'usage de l'école. Comme c'est de l'intérêt du district, tous doivent se faire un devoir d'y assister. Venez en masse. Les prix sont : 10, 15, 20 cents.

Portes ouvertes à 7 heures l'ouverture à 7.30.

Jedi de la semaine dernière tandis que M. Hubert Arsenault, Clem. employé à la factorie de homard de M. A. F. Larkin, Skinners Pond, était sur le bout du quai, prêt à descendre dans son embarcation de pêche, il fut soudainement frappé en arrière par un "Tramway" dont les pêcheurs se servent pour transporter le homard et précipité de la hauteur de dix pieds. Il donna le côté contre le plat-bord de son embarcation et enfonça deux côtes et s'infligea d'autres contusions qui le retiendront à la maison pour plusieurs semaines. Hier on nous dit que M. Arsenault pouvait se lever et faire quelques pas.

Mr. S. F. Tarbush has gone to Charlottetown yesterday; he will return this evening. M Tar Bush has a way of giving a good crayon portrait with frame complete for five dollars.

Mr Tarbush will be in Tignish the remainder of the week

Niagara Falls

Engraved on Steel after the Famous Painting by CHARLES GRAHAM, America's Leading Scenic Artist.

There are only a few copies of this magnificent art work left and you will be fortunate indeed if you secure one.

This cut illustrates but very faintly the magnificence of the original. The above reproduction is less than one-fiftieth the actual size, the engraved surface being 4 1/2 x 6 1/2 inches, printed on heavy plate paper for framing. Actual size of picture 46 1/2 x 27 inches. The publisher's price is \$25.00, unframed, and that is what a copy would cost you in the art stores. It is a work that would grace the walls of the most palatial mansion in the land.

"The subject is treated in a masterly manner, the grand curve of the Horseshoe in the foreground leading the eye up to the tumbling, raging rapids above, and the broad expanse of river beyond, with the islands in the middle distance and the face of the farther curve of the Horseshoe, as well as the great white wall of the American Fall, partially obscured by a cloud of rising spray which is handled lightly with fine effect. In the great amphitheatre below the falls are seen the boiling waters, strongly and effectively depicted, and the two before has this subject been handled by any artist with equal force and impressive dignity, combined with deep, thorough feeling and delicacy of touch."—The Railway Age.

We will send a copy postpaid on receipt of \$1.85, or if you will do a little pleasant work and secure a few subscribers for us as follows—The Famous Picture will be Sent Absolutely Free.

WOMAN * HER HOME, HEALTH AND BEAUTY

Boudoir and Toilet. Dining Room and Parlor. House Decoration. Health of Women and Children.

A BOOK THAT EVERY MOTHER AND DAUGHTER SHOULD STUDY AND EVERY HOUSEHOLD POSSESS

An Intensely INTERESTING Chapter on Girlhood . . . Education of Women

A Very PRACTICAL Chapter on "General Hygiene," including: Hygiene of the Skin, and Hygiene of the Digestive Organs.

Sympathetic Articles on MOTHERHOOD and the HYGIENE of CHILDHOOD Also Hygiene of the Respiratory Organs. Hygiene of the Eye Hygiene of the Ear Hygiene of the Generative Organs

It is hardly conceivable that any exigency could present itself, or any question arise, in the household, that this book would not meet or answer. It is a book expressly for women. It deals exhaustively and intelligently with a vast number of matters, concerning which all women ought to be thoroughly informed. In its comprehensive sweep, it covers the whole ground of personal and domestic life, and especially for those just entering on the cares and responsibilities of housekeeping.

A CHARMING BOUDOIR EDITION. Size 12 mo., 388 pages, bound in blue cloth, gilt top, uncut edges, ornamental cover design in gold and two colors. Illustrated. Among the illustrations are 16 full-page reproductions of as many paintings of ideal female heads, each by a different celebrated artist—Seiffert, Coomans, Thumann, Sichel, Bougereau, and others.

In the Health Department of this valuable work are exhaustive chapters of inestimable value to all mothers and daughters, giving practical hints in emergencies. Whole chapters are given to Woman's Physical Structure. Motherhood. Diseases of Women. Maidenhood. Education of Women. Babyhood. Diseases of Babyhood. Womanhood and Wifehood. Childhood. Diseases of Childhood.

Too frequently such matters are clothed in technical language to such an extent as to be very difficult to comprehend their real meaning. This work will be found to be a plain home talk with all women.
