

DOWN THE BACK STRETCH

Horsemen are reminded that the second payment of \$10.00 for the Prince Edward Island Harness Racing Club Futurity Stakes for two, three and four-year-old trotters and pacers will be due July 27 when horses must be named. If you have not already done so you should send your payment to the Secretary-Treasurer W. G. Gillespie, Box 304, Charlottetown, P. E. I. These stakes promise to be the biggest in the history of the Association judging by the many nominators that made their first payment.

From time to time we hear arguments as to when and where the first night races were held. Now it is learned that night trotting races actually began in Wilimantic, Conn., on October 5th, 1883, when a full program was conducted under 48 arc lights. Another claimant for the distinction is Lancaster, Ohio, whose citizens say the first night harness racing took place there in 1889 before 20,000 fans. The illumination was primitive. Iron pipe was laid around the track with standpipes installed at intervals. Natural gas sent through them was ignited forming torches.

The first Grand Circuit program under lights was conducted June 25th, 1929, at Toledo, Ohio. It was at Toledo that the first 2,000 mile under lights was made. That was on July 31st, 1931, when Star Egan drove Star Egan to a win in 1:59 4/5. The next 2,000 miles under lights were recorded in 1950 when White Mountain Boy and Highland Ellen came home over the same track in 1:59 4/5. The first night racing in the Maritimes was held at Northam, P. E. I. race track in 1932, where the enterprising proprietor, the late Edgar Milligan, constructed a beautiful plant and put in the necessary lighting facilities and the apparatus to generate the power.

The oldest woman race driver in the United States is Mrs. F. E. Burright. She was born on the infield of the track at Mount Carroll, Illinois, in 1883, is the mother of seven children and grandmother of three. She drives in 25 or 30 races a year and usually finishes in the money in at least half of them. Her best record—2:04 1/2—was made with the trotter Luckyette in 1943 at Delaware, Ohio, where she was competing against such star reinmen as Sep Pallin and Charlie Fleming. Other women who have gained fame as drivers include Mrs. E. Roland Harriman, who holds the world's record pacing against time for a woman driver—1:59 1/2—and Alma Sheppard who when eleven years old drove the three-year-old trotting stallion Dean Hanover a mile in 1:58 1/2 on a mile track. In California Helen Davis has been competing in harness racing for some twenty years.

One of the biggest surprises at Roosevelt Raceway this season was on the evening of June 23rd when Highland Ellen, seven-year-old brown mare headed the famous Good Time and Scottish Pence in the Free For All mile race in 2:01 3/5. Good Time and Scottish Pence were racing neck and neck down the stretch but about fifty yards from the wire they were passed by Dr. Stanton and Highland Ellen. The latter just nipped Dr. Stanton by a neck. Good Time was third. Scottish Pence suffered his first defeat of the year. That same night Joe O'Brien won a \$2,500 purse with the pacer Royal Blackstone, beating one of the best fields of the season. The time, 2:02, was the fastest ever stepped by this pacer over a half-mile track. Joe also came up with a surprise when in the eighth race he won the \$2,500 purse with Golden Broom. In both cases Joe came from behind. His timing and judge of pace was remarked upon by all who witnessed his feats that night.

A letter from Dr. George Bishop received yesterday has the fol-

lowing:—"I was not at the Lexington track the other afternoon when Imperial Hanover went his mile in 2:03 2/5. The week previously he trotted in 2:04 but made a break and could not be officially credited with it. He is in my opinion a tough horse to do that and must be ready. I think Tommy Berry deserves a whole lot of credit for developing him. He could not trot in 2:30 without making breaks when Berry took him over. I have had to do some work on him and I can say he is really a lovely stallion to work with, his manners are perfect both on and off the track. Mr. Berry shipped out last Friday to Goshen, N. Y. He probably won't be back here until September. You will remember that Imperial Hanover was the highest priced colt—\$72,000—ever sold at auction. That was at Lexington in 1949 as a yearling. He was purchased by Sep Pallin for a Mr. McIntyre, millionaire of the same name. A great disappointment last year and people had pretty much given up hope of him making the headlines when Berry took him over.

"Mr. Ritzman, manager of Gainesway Farm, and Mr. Brown, the manager of Walnut Hall Farm, and I have been planning to go over to the fair grounds in Louisville to see the trotting races. We will probably make it some time this week since the breeding season is almost over. Some of the farms have shut down now (June 15th) and others will carry on until June 30th, which is the end of the season here. Next week we start treating the suckling colts for blood worms, or strongyles, with Phenothiazine, either the twenty-day method or the single dose. I am having the Blue Grass Drug Company send you a catalogue which you might use as a reference. They are the agents for Hagyard's now as far as the medicine angle is concerned. I will be anxiously looking forward to the results of the racing in the Maritimes this season, particularly on P. E. I. Thanks, Doctor, for continuing to remember us.

Some good miles were turned in at Woodstock, N. B., making races at Island Park. Honey Glegg won both heats of the No. 1 Classified for owner-driver Lorne Britton, in 2:20 and 2:19. In the No. 2 Classified Jo Jo Spencer won both heats in identical time—2:13. The first quarter of the second heat was stepped in 30 4/5 seconds and the half in 1:04 4/5. He was driven by Roy Barnett and is owned by Charles Rose of Woodstock. In the No. 3 Classified Bob Brown's Chris McElwain was a straight heat winner in 2:21 and 2:18 4/5. In the No. 4 Classified the first heat was won by Heinie Henley, owned by Charles Rose and driven by Roy Barnett, in 2:13 4/5 and the second heat was won by Free Spirit, owned by Fred Violette of Edmundston, with driver Smith Time, 2:16 3/5. Night races under the lights started last Tuesday, June 28th. Their Old Home Week dates are August 7-8-9, the week previous to ours.

At Truro last Saturday night the three-year-old Gallant Bobby, by The Great G, that took a record of 2:21 as a two-year-old, was the winner of the 5th race and lowered his record to 2:19. He is well thought of by everybody and predictions of a low record are being made for him. He is owned by C. L. Dauphinee and was driven by W. Carroll. Johnny Ladner's former good trotter Bud Kalmuck was the winner of the 1st and 4th races. Bud never lifted his nose in either heat, trotting the first 2:16 and the other 2:17 1/5, heading a good field of six pacers and one trotter. Another horse that we are pleased to see in the winning column over there is Joey Harvester 2:13 3/5, owned by Lahey & McNeill and driven by Johnny Conroy. Joey won in 2:14 1/5 from such good pacers as Callonage 2:12 2/5, Chief A. C. 2:10

Fish, Game Meeting Held At Alberton

There was a very large attendance of sportsmen, farmers and interested citizens at a meeting of the Prince County Branch of the P. E. I. Fish and Game Protective Association held in the Alberton Court House last night. The meeting was opened by the president of the Prince County Branch, Mr. Richard Found of Ellerslie. The minutes of the last regular meeting of the branch, which was held in Summerside were read by the secretary Mr. N. E. McLeod. Following the reading of the minutes an address was given by the president, Mr. Found, regarding the association and what it has accomplished so far and what could be done in the Prince County area with a larger membership in the association. Many problems were brought up by those present regarding fishing and hunting and all were attended to satisfactorily by Mr. Spurgeon Jenkins of the Department of Industry and Natural Resources. After the business of the meeting a very interesting film "Winged Horizons" was shown.

Sport Briefs

KENTVILLE, N.S., June 29 (CP)—Truro Bearcats crowded all their runs into two big innings here today to down Kentville Wildcats 10-3 in a regular Halifax and District Senior Baseball League game.

STELLARTON, N.S., June 29 (CP)—Stellarton Albions picked up 14 hits off a trio of Dartmouth Arrows hurlers today to rack up a 1-6 victory over the harbor town visitors.

LIVERPOOL, N.S., June 29 (CP)—A single in the bottom of the ninth inning by Bob O'Donnell today gave Liverpool Larupens a 5-4 victory over Halifax Capitals in a Halifax and District Senior Baseball League game.

ARCADIA, Calif., June 30 (AP)—The Santa Anita race track, subject of bitter controversy last winter when several famous horses broke down, is being reconditioned. Justly or not, the hardness of the track was blamed for injuries to such horses as Hill Prince, Bed O' Roses, Bolero and others last winter.

NEW YORK, June 29 (AP)—Joe DiMaggio said today Chicago White Sox will make plenty of trouble but won't win the American League pennant because their pitching will sag. The Yankee Clipper predicted "It will be a finish fight between the Boston Red Sox and us."

BERLIN, June 29 (AP)—Referee Otto Nispel, who officiated at the Ray Robinson-Gerhardt Hecht bout in Berlin last Sunday has been suspended for three months by the Western Berlin Boxing Union. The union said Nispel gave notice today he would protest the action but meantime he has been replaced as referee for a bout at Dortmund Sunday.

NEW BASEBALL LEAGUE
McADAM, N. B., June 29 (CP)—A third international baseball league for New Brunswick and Maine was formed here with teams from Woodstock, Devon, McAdam and Vanceboro, Me., being represented. It was decided at the meeting that the Carleton-York Border Baseball League would officially open on July 2, with Devon playing at Woodstock

Entries Coming In For Bike, Road Races Monday

Three entries for each the six-mile road race and the ten-mile bike race had been received by the director, Brigadier Bill Reid yesterday and more were expected last night and today for the meets on Monday. All entries for the six-mile run have been mainlanders, but a couple of Islanders have signified that they may compete. Entries have been received from Pat Shelter, Sydney; George Gallant, Shediac and Paul Bellevue, Moncton. Russell Doyle and Jack Hennessey of Charlottetown may be in the competition.

Mainland Athletes To Compete Here On Monday

Track and field teams from four centres will compete in the Maritime Track and Field meet here on Monday afternoon. It was learned yesterday from the meet director, Brigadier W. W. Reid. A total of 30 athletes had submitted their names for competition in the meet by six o'clock Friday evening and more may have been submitted during the night. They will carry the colors of the Halifax A.A.C. Antigonish Highland Society, Charlottetown A.A.C., and Bathurst. Single entries have been received from Saint John and another centre.

Among the athletes are many well known names. B. Haley of Halifax is a highly reputed sprinter and J. Martin from the same club is a crack quarter and half miler. Another outstanding member is Bob Pilon in the weight class. "Think" Kyle the former St. F.X. speedster and high jumper will be among those representing the Antigonish Society. Hardie MacDonald, the pole vaulter, is another.

Saint John's lone entry, Bill Keleher is well known in track and football circles here. A former end in football for U.N.B., he is a crack 100 yard man and pole vaulter. Following is the Abbies lineup: Geo. Walters, Ernie Matheson, Wendell Barrett, Ron Atkinson, Ev. Cutcliffe, Jack Brown, Dave Boswell, Bill Purcell, C. Proctor, B. Naylor and Arthur Pendergast.

Plans Completed For Blind Picnic

Mrs. D. J. Riley, President of the Charlottetown Women's Auxiliary to the Canadian National Institute for the Blind, announced today that arrangements had been completed for the 2nd annual summer picnic to be held here for the blind of Charlottetown and district. The picnic will be held again this year at Stanhope Beach where so much success was achieved when the picnic was held last year under the chairmanship of Mrs. W. J. P. MacMillan, past president of the Charlottetown Women's Auxiliary, with the kind permission of Mr. MacGillivray, superintendent of the National Park.

The summer picnic will be held on the afternoon of Tuesday, July 24, and arrangements have been completed to have bus transportation from Charlottetown to the site of the picnic for the blind of Charlottetown and their escorts as well as any other blind persons who can be in Charlottetown on that day. Mrs. Riley stated that the success of the picnic is assured because the committee on refreshments, transportation, recreation, etc. are zealously striving so that each and every blind guest will get as much enjoyment and benefit from the day's outing as possible. Cooking facilities have been made available at the beach and games have been planned to be included with swimming as entertainment.

There are more than 40 blind persons now resident in Charlottetown and many of those who attended last year's picnic stated that it had been the first country outing for them in many years. So this annual picnic party, like social parties and bowling tournaments are proving to be a very worthwhile part in the rehabilitation program of the Canadian National Institute for the Blind.

HUNTERS' CORNER

A short two weeks ago I commented in this column on the immense school of three and four pound sea trout hanging out at North Lake between the road bridge and the Factory. Anglers from all walks of life experienced the thrill of a life time when they tied into four pounders and better. On one afternoon twenty-two rods were in action and all were hooking trout of hitherto undreamed of poundage.

LITTLE
Continued from page 1
The Starch Factory at East Baltic has been going full blast all spring. Accompanied by the Deputy Minister of Industry and Natural Resources, the Director of Fisheries and the Department of Agricultural Engineer I assisted in an investigation of a complaint re: pollution at North Lake on Thursday of this week.

Trout recovered on Sunday and Monday were in good shape as far as handling was concerned. I examined a number in storage. I held a beautiful female specimen, a few ounces under the four pound mark, that was a picture of beauty and symmetry. There are anglers who would gladly travel a thousand miles for the thrill of hooking and landing such a prize.

Other officers named were: vice president, Florine Evans; secretary, Mary McQuaid; treasurer, George Abbott; business manager, Lillian Duchemin; publicity, J. T. Place; stage manager, Fred Pound; entertainment, Mrs. Gordon White; costumes, Mrs. Robert Abble; play reading, Barry Bugden; adjudicating, Mrs. Bert Patterson; makeup, Betty Hall; reception, Mabel Adams; historian, Mrs. Harry Morris; membership, George Anderson; lighting, Arthur MacLean; music, Strirling Walker. Mr. J. A. Lawson was named additional member of the executive.

Following the meeting members of the executive were the guests of Mr. and Mrs. Harry Morris at their home.

Keen Racing In Prospect At S'ide Dominion Day

The racing season will open in Summerside on Dominion Day when five classes of classy trotters and pacers will line up behind the starting gate for a gala afternoon's competition. A free for all event with four horses entered will be one of the features of the well balanced racing card. Taking part in the free-for-all will be the well known speedsters Manner Direct, A. G. Scott, Look Hanover and Worthy Ermine.

A total of \$2,400 in purses will be paid out. The free-for-all purse is \$700 and the purse for the No. 1 classified \$500. Six horses are entered in the No. 1 classified. A total of 47 horses are expected to take part in the afternoon's racing. Race time is 1:46.

New Press Box Being Installed At The Forum

A new press box, directly above the boards and about the mid-line of the Charlottetown Forum is being installed for the use of reporters at next season's hockey games. The box is approximately 15 feet above the ice surface and will permit reporters to have a clear view of the play at all times. It is being built on the west side of the Forum or the left side as you enter the main door.

16 feet long and five feet wide the press quarters are designed to hold 12 members. Access to the box will be attained by a gangway leading from the steps. This gangway will be raised to the rafters after the members have ascended to their quarters and will be lowered again for their descent. The sides of the gangway or stairs will be collapsible. Seating and writing quarters are provided for the reporters. This innovation for the press is in keeping with other repairs and innovations which have been conducted at the Forum this spring under the guidance of the Manager Bill Brown.

On the outgoing tide on Sunday they started coming back in reverse. Anglers standing on the road bridge watched in helpless bewilderment as scores of tackle busters, their fighting days over, floated belly up under the bridge seaward bound never again to return. One round with a man-made death trap was all they could take and the sea, from whence they came, was re-claiming its own.

Trout up to four pounds were caught in long-handled landing nets and retrieved for examination but other fish allegedly of greater poundage slipped by the wielders of the landing nets. Several fishermen told me that they saw trout floating on the water that would tip the scales at five pounds or better. One trout that drifted ashore measured 2 3/4 inches. This fish was decomposed so badly it started to break up when an attempt was made to salvage it.

Trout recovered on Sunday and Monday were in good shape as far as handling was concerned. I examined a number in storage. I held a beautiful female specimen, a few ounces under the four pound mark, that was a picture of beauty and symmetry. There are anglers who would gladly travel a thousand miles for the thrill of hooking and landing such a prize.

Baseball Game Scheduled Sunday

An Inter-City baseball game will be played on Memorial Field diamond on Sunday afternoon at 2:30. The players have been picked from the City League teams and will be handled by Buck Whitlock and Fred Whelan.

Following are the teams: Catcher, MacCallum; pitchers, Carson, MacLean and Burke; 1st base, Trainor; 2nd base, L. Hennessey; 3rd base, Buck Whitlock; 3rd base, J. LeClair; if J. Coyle; if B. Lewis; if W. Shepherd, sub, Spy Ready, coach Whitlock.

Leo Lamoureux Expected Next Week

Leo Lamoureux, coach of the Charlottetown Islanders hockey team is expected to arrive in the City some time next week, very probably Saturday, it was learned yesterday. Although not known definitely, it is reported that Leo will remain here through the summer.

BOSTON, June 29 (AP)—Boston Red Sox today released right-handed pitcher Bill Evans out right to Louisville and recalled infielder Fred Hatfield from that American Association farm club
