Truck Crashes On Malpeque Road

A Fargo 1952 truck bearing Nova Scotia number plates heading west on the Malpeque Road shortly after 4 p.m. yesterday swerved from the proper driving side and plunged across the ditch on the left side of the highway a short distance from the Water Works. En-route a trunk line telephone pole was sheared off at the butt and also snapped off just under the cross-arms. The impact of the truck carried the broken portion of the pole, which was about 8 feet long, more than 30 feet from its base. Still carrying on, plowing through the field, the truck overturned about 75 yards from where it left the pavement.

The truck is said to have contained two men, neither of whom appeared to have been injured as they left the scene of the accident.

Federal election in the near future and said that preparation for this was highly necessary at this time.

In addition to the presiding officer there were several speakers who voiced the regret of the meeting at the recent death of Mr. B. Roy Holman, one-time president, and the departure from this Province last month of Mr. D. L. Mathieson, former member of the Legislature.

The very largely attended meeting was termed by speakers the biggest political party meeting in several years. Members unanimously passed several formal resolutions expressing confidence in the leadership of the Federal and Provincial groups. Among the speakers heard briefly last night were Mr. A. J. McDonald, former member of the Legislature and chairman of the Resolutions Committee, Mr. Charles McQuaid, secretary of the county organization, J. Angus MacLean and Mr. McLure.

Mr. McLure said he did not expect to see a Federal election before this time next year. So far as the question of an attempt to divide this county was concerned the matter was entirely in the hands of the Liberal Government in power.

Dr. W. J. P. MacMillan said that in order to get what was thought to be a proper representation for this city it would be necessary to take away present representatives from the First, Second, Third and Fourth Districts of Queens County, and he asked "how would you like that?" He thought this Province should have a better financial agreement with the Federal Government as regardless of whether it has 95,000 or 5,000 population, it is still a Province.

Thugs To Lose Their Citizenship

WASHINGTON, Oct. 2.—(AP)—Attorney General James McGranery today announced a plan to strip United States citizenship from naturalized aliens in the underworld, and deport them to their native lands.

He reiterated his intention of moving to deprive Frank Costello, the gambling czar, now serving an 18-month prison sentence, of his American citizenship on grounds that he concealed a criminal record to obtain it in 1925.

Sees Stalin In Odd Role

By William L. Ryan Associated Press Foreign News Analyst Stalin, in his new discussion of economics, seems to be appearing in an extremely odd role—as an apologist for the Soviet economic system. In effect, he announces that the law of supply and demand still operates in Russia. It is simply "controlled" under Soviet-planned economy.

Stalin lectured Soviet and world Communists in a 25,000-word article in Bolshhevik, top Moscow theoretical journal.

On the international side, he seemed to be saying that Russia intends to play a waiting game just short of a hot war, while gearing itself for eventual economic onslaught against the United States.

The foreign affairs theme was that time was on the side of the Soviet Union and world Communism; that the U.S.S.R.—and under its prodding the satellite countries—would build furiously the Red world's economic potential; that the U.S.S.R. hoped to avoid all-out world war while directing a wearing-down process against the west.

This part of his article looks like a kickoff of the new Kremlin program for world Communists—a giant peace offensive looking toward economic attack on the west in a matter of a few years.

Only part of the text is available at this writing, but the sections so far seen convey a weird impression of Stalin arguing with some comrades who apparently believe that since the law of supply and demand still operates, a return to some form of capitalism would be justified.

The full meaning of Stalin's words probably will not register for some time to come, until Pravda and other Soviet propaganda organs expound on them.

Garnhum-Doiron Wedding

St. Augustine's Church at Rustico was the scene of a pretty wedding on August 19th, when Rev. Clarence Pitre, pastor, united in marriage, Mary Delma, daughter of Mr. Stanislaus Doiron and the late Mrs. Doiron, and William Edward Garnhum, son of Mrs. Garnhum and the late James Garnhum of Charlottetown. Rev. Father Pitre performed the double-ring ceremony and celebrated the Nuptial Mass which followed.

The bride, looking lovely, entered the church on the arm of her father who gave her in marriage. She wore a gown of white satin, shoulder-length veil with hat-effect crown, and carried a bouquet of American Beauty roses. Miss Stella Doiron, sister of the bride, as bridesmaid, wore a blue taffeta gown with matching veil, and carried a bouquet of pink roses. The groom was attended by Mr. Edward Blanchard.

The nuptial music was played by Sister St. Alcide, Superior of Rustico Convent, and the choir of the Children of Mary sang several appropriate hymns.

Following the ceremony, the reception was held at the home of the bride where approximately one hundred and twenty-five guests were present. The table was beautifully decorated with a three tier wedding cake topped by a miniature bride and groom. Rev. Pitre proposed the toast to the bride to which the groom responded. Later the bridal couple left on a honeymoon trip by car, visiting New Brunswick and parts of the U. S. A.

For travelling the bride wore an aqua gabardine suit and a corsage of pink roses with white feather hat and black accessories. On their return Mr. and Mrs. Garnhum will reside in Charlottetown where Mr. Garnhum is employed with the Island Telephone Company.

Out-of-town guests included: Mr. Gus Doiron, Somerville, Mass.; Mr. and Mrs. Mat Martin, Waverley, Mass.; Mrs. Priscilla Hennessey, Charlottetown; Mr. Bruno Martin, Charlottetown; Mrs. Mae Garnhum, Charlottetown; Mr. and Mrs. Aubin Doiron, Moncton; Miss Louise Doiron, Moncton; Mrs. Wallace MacPherson, Charlottetown; Miss Yvonne Ross, Charlottetown; Mr. and Mrs. Roy Hollifield and Heather, Charlottetown; Miss Dorothy Garnhum, Charlottetown; Mr. Danny Garnhum, Charlottetown; Miss Viney Meehan, Montreal; Mrs. Wayne Nelson, Montreal; Mrs. Charles Marks, San Diego, Cal.; Mrs. Neil Durant, Charlottetown; Mr. Ted Doucette, New Jersey; Mr. Alyre Doucette, Toronto; Miss Loretta Doucette, Montreal; Mr. A.
