QUIZ

West North East South

1. ♠ Dble Pass ?

What would you now bid with each of the following four hands?

1. ♠ K974 ♥ AJ62 ♦ QJ74 ♣ 45

2. ♠ 93 ♥ 865 ♦ KJ2 ♣ J8543

3. ♠ AJ72 ♥ 83 ♦ K7642 ♣ 85

4. ♠ K96542 ♥ J5 ♣ 82 ♣ 74

QUIZ

2. One diamond. The clubs are not strong enough to leave the double in, nor is the hand good enough to respond one notrump, which shows a much better hand, usually one that has 8 or 9 points.

The diamond response, even though it is made with only a three-card suit, is therefore selected as the least of the evils.

3. One diamond. The only question is whether it is better to respond with a diamond or spade. Since the hand is not without merit and rates a further voluntary bid at the next opportunity, the diamonds are bid first, with the intention of showing spades secondarily. In this way North will be apprized that the spade suit is only four cards long. North will also be able to deduce that the diamonds are of greater length, since, if the two suits had been equally long, the spades would presumably have been bid first.

4. Three spades. This is not a strong bid, but preemptive in nature. It shows a long, moderately strong, suit. North is expected to pass unless he has values in excess of a minimum double. The bid is roughly equivalent to an opening three spades bid as dealer. If South were interested in getting into game in spades—for example, with another king on the side—he would respond two spades and then support his choice.

Heart Attack Caused Death

QUEBEC (CP) — Coroner Jacques Roussel announced Wednesday a heart attack caused the death of Mrs. Cecilia Oliver, a passenger aboard the liner Ivernia arriving from England.

Dr. Roussel announced the cause of death after boarding the liner on arrival. Mrs. Oliver, 48-year-old resident of Hove, England, died Sunday while the Ivernia was at sea.

The coroner said about 100 sleeping pills were found in her cabin but the quantity was normal for persons who have trouble sleeping while they travel.

Mrs. Oliver was en route to Montreal to visit her two children.

Study Improved Service Across Bay Of Fundy

HALIFAX (CP)—S. M. Gossage, vice-president of the CPR's eastern region, said here Wednesday that improved service across the Bay of Fundy is being studied by the railway.

Mr. Gossage, addressing a Port of Halifax Week luncheon, said an alternative to the present car-passenger ferry Princess Helene operating between Digby, N.S., and Saint John, N.B., might be a train ferry similar to the one between Nanaimo and Vancouver, B.C.

"This has its problems," Mr. Gossage said, "particularly in the Bay of Fundy with its tides and storms. But it would open this route to all types of freight."

STUDY FISHERY PLAN

Also being considered is a "fishyback service" which would provide a vessel to carry trucks similar to truck-carrying trains.

The "piggyback" system is being studied as a possible means

Oppose System For Collecting Health Premiums

BATHURST (CP) — Two North Shore Agricultural Federations have adopted resolutions opposing the proposed system of collecting premiums for the New Brunswick portion of the national hospital insurance plan.

The Forge Federation of Agriculture met in the county court house here while the Federation Acadiens des Cultivateurs met at St. Saeur. The resolutions will be forwarded to the New Brunswick Federation of Agriculture meeting in Fredericton December 9, 10, and 11.

Other identical resolutions passed at the meeting recommended:

1. Distribution of grants to municipalities should be based on the number of children attending schools.

2. Discount of five per cent be given to those paying county taxes before September 1.

3. Potato and strawberry grading be enforced in Gloucester and Restigouche.

4. Bounties be given to encourage destruction of red foxes and bears.

5. An investigation be conducted on price spreads between finished leather and raw hides.

6. Freight assistance be given on fertilizer.

7. Assistance a transportation of cattle to the Gloucester exhibition.
