## GRAIN

WINNIPEG, April 5 — (CP) — Trading on the Winnipeg Grain Exchange today was irregular, with fairly aggressive buying in the deferred months of oats and barley.

Offerings increased during the trading and in some cases early gains were reduced or erased, particularly in flax contracts.

Rye saw some American demand while flax attracted small trade from processors and local houses.

In overnight export loadings, the United Kingdom was allocated a small parcel of wheat, consisting of about 20,000 bushels, while Belgium took 70,000 bushels.

Class two and international wheat prices both marked up gains of from ¼ to 1¼ cents.

Closing prices:

Oats: May 1.01⅝B; July 92⅝A; Oct 85½B.

Barley: May 1.50; July 1.43¼A; Oct. 1.29¾.

Rye: May 2.34¾; July 2.24⅛B; Oct. 1.95⅜B.

Flax: May 5.28; July 5.10B; Oct. 4.68½A.
