WIRE AND WIRE FENCES.

Hon. Mr. Fielding to Reconsider His Proposition.

Mr. Mulock's Post Office Bill—Sir Charles Tupper Banquetted.

OTTAWA, June 10.—Sir Richard Cartwright moved that the House go into committee on the Post Office Bill.

Hon. Mr. Mulock introduced a bill amending the Post Office Act. It proposes a form of guarantee to take the place of separate bonds from each officer appointed.

In committee further items in the iron and steel list were considered. After discussion Hon. Mr. Fielding proposed to reconsider his proposition to make wire fences twenty-five per cent. while wire is admitted free. The Finance Minister hoped he might be able to make the duty less.

The banquet given Sir Charles by the Liberal-Conservative members of the House of Commons and the Senators last night was a most enthusiastic demonstration.

THE SHARKEY-MAHER FIGHT.

It Has a Most Unsatisfactory Ending.

Principals and Others Concerned in the Contest Arrested.

New York, June 10.—Before a crowd of more than ten thousand people Peter Maher and Tom Sharkey met in the arena of the Palace Athletic Club last night and the contest had a most unsatisfactory ending. Both Maher and Sharkey had trained carefully and when they stripped in the ring each one was the picture of health and strength. Maher was a big favorite, but there seemed to be plenty of Sharkey money around. When they began operations Maher's advantage in height and reach was very marked. The boxing was very tame for five rounds neither man showing a mark. In the sixth round Sharkey with a well-directed straight right on the mouth sent Peter sprawling half way through the ropes where he struggled for five seconds before he regained his feet. Ten seconds later the gong ended the sixth round, and when Maher returned to his corner he spat out a lot of blood. The seventh round was nearly completed when Maher, after getting in some good blows on Sharkey, sent the latter to the floor near the ropes with a left in the wind and a right swing on the jaw. Tom was up again inside of five seconds and rushed into a clinch. In this clinch Maher kept working his right on the body, and when the gong sounded neither heeded the warning of the time keeper but kept on hitting each other. One of Maher's seconds rushed over and grabbed Maher. While he was trying to pull the big fellow away Sharkey swung his right on the second's face dazing him. By this time the house was in an uproar and there were cries of foul. Inspector McLaughlin here ordered the police to arrest all those concerned in the fight. The principals were the first to be placed under arrest and then the seconds and referee were told to accompany the officers. While all this was going on the hundreds of spectators were clamoring for a decision from the referee. Finally it was made known that referee Co'ville had decided to call the bout a draw. This did not seem to please a good many, but according to the conditions agreed upon by both men the judgment of the referee was right and proper.

Get the Best

The public are too intelligent to purchase a worthless article a second time, on the contrary they want the best! Physicians are virtually unanimous in saying Scott's Emulsion is the best form of Cod Liver Oil.

LONDON, June 8.—At the royal military tournament at Islington, in the bayonet team fighting today between the Regulars and the Colonials, the prize was carried off by the 48th Canadian Highlanders.
