"The Mikadow" To Be Produced In Charlottetown

An event of special interest to all lovers of entertainment will be the presentation of Gilbert and Sullivan's immortal stage classic "The Mikado" by the Prince of Wales Choral Groups under the direction of Miss E. Lillian MacKenzie on March 20, 21, and 22. The three performances will feature several gifted student soloists, chorus, and orchestra. Authentic costumes are being sent from Toronto for the occasion.

The arrangements have been made with the special cooperation of Miss Bridget D'Oyle Carte and the music and stage directions are loaned through the curtesy of the D'Oyle Carte Opera Company.

It is many years since "The Mikado" has been produced in Charlottetown, although it is easily the most popular of all Gilbert and Sullivan's works and one of the most delightful of all stage spectacles. It is hoped that the three performances will give as many citizens as possible the opportunity of enjoying this work on stage, especially the younger people. Tickets will be on sale during the next few weeks.
