N. Y. Stocks

NEW YORK (AP)—The stock market declined Thursday after a three-session rally.

The vigorous rise had more than erased the sharp losses of Friday brought on by news of the president's illness.

Higher prices encouraged profit-taking and most stocks were slightly lower at the close.

Railroads held out against the trend and closed higher along with some oils and aircrafts.

The Associated Press average of 60 stocks was off 10 cents at $181.50. The industrial component was off 80 cents, railroads were up 70 cents and utilities were ahead 10 cents.

Cosden Petroleum was the day's most active issue off 4⅜ at 45⅝ on 102,700 shares. The drop followed an announcement that the merger agreement with W. R. Grace and Co. had been ended. Grace was the sixth most active issue up 1 at 51½.

Canadian issues were mixed on the New York exchange. Hudson Bay Mining was up 1⁰, Aluminium Ltd. gained ¾, Dome Mines added ½, and Canadian Pacific gained ¼. McIntyre lost 1, Granby Mining was off ¾ and International Nickel fell ⅜.

Canadian stocks also were mixed on the American exchange. Great Sweet Grass Oil, Jupiter Oils and Wilrich Petroleums all gained 1-16 and Canadian Marconi added ⅛. Eureka and Molybdenite both lost 1-16, Sapphire Petroleums fell ⅛ and Shawinigan dropped ⅜.

Volume slowed to easiest pace of the week at 3,796,000 shares. Six new highs were recorded against 11 new lows.

Manufacturers, steels and constructions were higher among industrials but motors, refining oils, papers and miscellaneous industrials were easier.

Hudson Bay featured senior base metals with a gain of 1½. Other seniors — Noranda, Consolidated Smelters, Falconbridge and International Nickel—lost fractionally. Juniors were traded lightly but Gaspe Copper lost 1 points. Cowichan Copper was off 29 cents. Consolidated Denison led uraniums lower with a loss of ¼.

Index changes: golds off .03 84.66; base metals off .49 to 236.30; and western oils up .20 to 150.15.
