## Local and Other Items.

MILITARY PARADE.—The military will not parade to church to-morrow as intended.

THE INSURANCE.—We understand that Mr. Garrett's insurance on his property at Stanley Bridge, destroyed by fire this morning, amounted to $2500.

A POLICEMAN WANTED.—Windsor, N. S., wants a policeman. Applicants must state age, height, weight and former occupation. The salary is $400.

A CHANGE.—We are informed that Mr. W. W. Clarke has been appointed agent in this city for the Canadian Express Company, in the place of Mr. Theo. L. Chappelle, resigned.

RIGHT YOU ARE.—With John L. Sullivan joining the fugitives from justice in Canada, it looks as if he had voluntarily placed prize fighting in its proper category.—*Pittsburgh Despatch.*

MAMMOTH TROUT.—The St. John *Sun* says: A trout weighing nine pounds will be on exhibition at the fish stand in the country market to-day. The fish came from Port Arthur.

Y. M. C. A.—Members of the Y. M. C. will please show their interest in the association by being present this evening, at 8 o'clock. All active members have the voting privilege.

ZION CHURCH.—Rev. Mr. Rankin will occupy the pulpit of Zion Church to-morrow, at 11 a. m., and in the evening at 7 o'clock. Morning prayer meeting at 10.15 Sabbath School at 2.30 p. m.

WARSHIPS COMING.—A telegram received by His Lordship Chief Justice Palmer yesterday afternoon, states that the flagship and two other ships of the fleet would leave Halifax for this port on the 10th August next.

TO-MORROW.—Don't forget the Railway Gospel Meeting in McLeod's Hall, to-morrow afternoon at 4 o'clock. These meetare free and open to all. Strangers always welcome. Lesson, Hebrews. 4th chapter, from the 14th verse.

METHODIST CHURCH.—The services to-morrow will be as follows:—Brick Church, in the morning, Rev. C. W. Hamilton; evening, Rev. John Read. Upper Prince Street Church, Rev. John Read in the morning, and the Rev. C. W. Hamilton in the evening.

BAPTIST CHURCH.—Rev. J. Baston, of Boston, Mass, will occupy the pulpit for the Baptist Church in Y. M. C. A. Hall to-morrow at 11 a. m. The pastor, Rev. J. A. Gordon, will preach at 7 p. m. All seats free. Strangers cordially invited and made welcome.

SUPREME COURT.—The Court at Georgetown adjourned at three o'clock this afternoon until Monday forenoon. At latest accounts the celebrated mowing machine case of Alfred Patterson and another vs. Malcolm Matheson was still on. The criminal cases will probably be called on Monday.

LAWN TENNIS TOURNAMENT.—The Inter-Provincial lawn tennis tournament will be held here in August next, commencing on the 20th, and will last for three days. All entries will close on the 5th of August, and, judging from the number of clubs already heard from, the tournament will be the largest ever held in the Provinces.

LIBERATED.—Captain John Welsh, sentenced some two years ago to four years' imprisonment in Dorchester penitentiary for the shooting of a sailor named Ottree, and whose sentence was recently commuted, arrived in the city last evening, and was warmly welcomed by his old friends. The Captain does not look much the worse for his two years' experience of prison life.

ANOTHER ATTRACTION.—Mr. Arthur Newbery has placed a large iron vase at the south-east end of Queen Square Garden, near the Law Courts building. The vase proper is of iron, and rests on a wooden pedestal. It is festooned with galvanized chain, and will add much to the beauty of the place, when filled, as it will be, with beautiful flowers.

TEA AT CRAPAUD.—The Tea at Victoria, Crapaud, came off to-day as per advertisement. Between two and three hundred people left town on board the steamer Heather Belle shortly after nine o'clock this morning for the picnic grounds. A large number of persons were refused tickets, the steamer having her full complement of passengers. She will leave Victoria for town about five o'clock this evening. The weather is delightful, and all present are, no doubt, having a pleasant time.

THE FOUNTAIN.—The basin of the fountain on Queen Square will be completed this evening, when it will likely be filled and tested. Should the test prove satisfactory, the water will be allowed to remain in the basin. The temporary ornamental jets, to be used until such time as a proper fountain is procured, will likely be here next week. The delay in filling the order is occasioned by the jets having to be specially made. As soon as the jets arrive they will be placed in position, and the fountain will probably be in working order by the latter part of next week or early in the week following.

NEW HOSE.—The five hundred extra fine of Barker 3-ply cotton hose, ordered from the Gutta Percha Rubber Company, Toronto, was received yesterday and is now on the reels all ready for service. We are informed that the hose is warranted for five years, and that any damages sustained by it during that period will be repaired free of cost by the manufacturers. With a well-equipped fire department such as Charlottetown now has, and a bountiful supply of water, we fail to see any good reason why the reduction in the rates of insurance should not become general.

MILITARY CHANGES.—From the *Canadian Gazette* received to-day, we learn that Mr. E. D. Sterns, late of the Engineer Corps, has been appointed second Lieutenant of No. 1 Battery, G. A., in the place of Ronald Macdonald, whose resignation has been accepted; that Second Lieutenant William Hunter, R. S. I., has been made Lieutenant of No. 7 Co. 82nd Battalion, Alberton, in the place of John L. Donald, resigned; and that Charles A. Woodman, has been made Second Lieutenant (provisionally) of the same Company. The appointment of Charles Leigh, jr., as Second Lieutenant of the Engineer Corps, is confirmed. The appointment dates from the 2nd of May last.

## TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER.

### Warlike News.

LONDON, July 19.

In the House of Commons to-day, Henry Labouchere asked what truth there was in the statement semi-officially published by *L'Opinone*, in Rome, that by a definite *entente*, the English and Italian navies would go together in the event of war with France, and also that years ago, when a French attack on Spezzia was feared, the British Mediterranean Squadron was held in readiness to assist Italy.

Right Hon. Sir James Ferguson, Parliamentary Secretary for the Foreign Office, stated that the action of the Government in case of war between France and Italy, would be guided by circumstances. England is under no engagement fettering her liberty. The Government never had any grounds to attribute to France a piratical design to try to capture Spezzia.

### A "Cut" in Steel and Iron.

PITTSBURG, Pa, July 19.

Carnegie, Phipps & Co. to-day reduce the selling price of steel plates six dollars per ton, and other products in proportion. This cut is unprecedented in the history of the steel and iron industry. The sliding scale goes into effect in January next. Wages will be based on the price of steel for the preceding three months, and will result in a great cut in wages. Chairman Abbott, of Carnegie, Phipps & Co., denies that their firm reduced the price of steel plates or made any other cut whatever in the selling price of their products. He says further, that steel plates have been selling at cost, and reductions are impossible.

### A Medical Prosecution.

MONCTON, July 19.

A complaint was lodged last evening against "Dr." F. Carleton (who has been practising medicine here for some time time past), by Dr. Purdy, at the instance of Dr. Christie, of St. John, President of the New Brunswick Medical Society. One charge was that Carleton was practising without the necessary license. The case was brought before Stipendiary Wortman to-day, and the courtroom was crowded. Several witnesses were called, and this afternoon the Stipendiary fined Carleton $20 and costs. The "Dr." was immediately re-arrested on another complaint of a similar character, and the case is set down for Monday.

### Jack the Ripper Captured.

LONDON, July 19.

The man taken into custody by the police this morning confessed to be the murderer of all the women whose bodies were found in and about Whitechapel district. He gave the names of the victims and the dates upon which he murdered them, with all the ghastly and indecent details connect-with the crimes. The police believe that he is a luhatic, but possibly the story he tells is true, and he is the murderer.

### Dunraven's Ultimatum.

LONDON, July 19.

The Earl of Dunraven to-day gave his ultimatum in connection with his yacht challenge for the American cup. He will not send the Valkyrie across unless the Americans have trial races to choose the champion yacht and make an international affair of it. He positively will not go to race with 70 footers for the Paine Cup.

### A Disastrous Cloudburst.

CHARLESTON, W. Va, July 19.

One of the most disastrous cloudbursts ever known here occurred yesterday on Elkviner, 15 miles above this city. Great quanties of timber ties, staves, wheat, oats and fences ran out. The loss is estimated at $5,000,000. A dry dock was swept away.

### Personal.

Emperor William will inspect the British fleet at Spithead August 3.

Mr. William Mitchell, of the telephone service, Halifax, is visiting his relatives in this city.

Mr. Mowat, premier of Ontario, leaves London shortly for Scotland and North Wales. He will return home by the Vancouver Aug. 20.

Mr. John Trainor, for many years in the employ of the late Owen Connolly, and who, for some time previous to his leaving the Island last May was engaged in the store of Mr. John McKenzie, Summerside, has returned from tho Pacific Coast via New York and other American cities. He says Canada is good enough for him.
