

Accused Elects Trial By Judge

SUMMERSIDE — A Summerside man, Joseph Norman Gallant, elected trial by judge without a jury on a charge

of theft of a Volkswagen when he appeared before Magistrate W. Chester S. MacDonald in Prince County Court.

In a previous appearance in court the accused had been remanded without plea with bail being set at \$5,000 on two sureties of \$2,500 each.

Gallant also appeared on a charge of uttering a forged document and also elected trial by judge without a jury on this charge.

Bail was set at \$3,000 on the second charge with two sureties of \$1,500. He was also remanded in custody to March 22nd for a further adjournment to March 30.

Pleading guilty to charges of indecent assault, two young Chelton men, Lloyd George MacDonald and David McCormack, elected trial by magistrate and had their sentences deferred to April 12.

Lloyd Darrach, Clyde River, entered a plea of guilty to a charge of impaired driving and

was fined \$125 and costs or two months.

Lloyd James Murphy of Augustine Cove pleaded not guilty to a similar charge and his case was adjourned to March 22nd.

A Summerside man, Ralph Charles Ryder, was found guilty on two charges, failing to surrender his license when ordered to do so after it had been

suspended and having care and control of a motor vehicle while impaired.

De Gaulle Stand Called Helpful

LONDON (Reuters) — Conservative Opposition Leader Edward Heath has partly backed President de Gaulle's call for changes within NATO.

support the French leader's decision to withdraw his troops from NATO military commands, but said de Gaulle's moves are "helpful" by forcing a fundamental study of the future of the alliance.

The Conservative chief, who wants to get Britain into the European Common Market if he

wins the March 31 general election, urged talks between U.S. President Johnson and de Gaulle and said he is sure a compromise could be worked out.

Heath told a press conference it is unrealistic to say NATO should remain in its present form.
