Carpenters
Union Meets

The regular meeting of Local
2268 United Brotherhood of Car-
penters and Joiners of America
was held in the Town Hall, Sum-
merside, last evening.
Several new members were ad-
mitted to the union at this meet-
ing which was addressed by the
president, Mr. Allison Horne, and
the secretary, Mr. Kenneth Mac-
Millan.

Mr. MacMillan spoke on the
various functions of a labor union.
Mr. Horne, in his remarks, said
the interest in union organization
indicated that it would be neces-
sary to expand and enlarge the
membership to take care of those
in other centers that were desir-
ous of having organization.

In referring to duties and priv-
ileges of union membership, Mr.
Horne said he believed that strikes
were unnecessary and as foolish as
war. He said that rather than
strike it was much more desir-
able to meet together with employ-
ers and settle any differences by
mutual understanding. -S.

Something New
In Hockey Tonight
At Kensington

Something new in the line of
hockey player divisions will be
shown at Kensington rink tonight
when "Lippy" Gaudet's Rovers
cross sticks with the Kensington
Tigers. The teams are of the 4-6
year old group, and the game will
consist of two ten-minute periods.
There will be a two-hour skate
before this weight match. The
kids get out way at 7:30 p.m.
"Lippy" Gaudet gets credit for
starting this new age bracket in
hockey. Whether they will ever
engage in competition for a Cana-
dian championship is a debatable
question, but a lot of very small
boys with ankles inclined to drape
along the ice are having a lot of
fun in any case.

Alberton W. M. S.
Monthly Meeting

Mrs. G. W. Campbell was host-
ess to the Alberton Presbyterian W.
M. S. for their February meeting
held on Wednesday afternoon Feb.
4th. Mrs. W. C. Lawson, vice pres-
ident, conducted the meeting, and
also had charge of the opening
devotional service. In the absence
of the secretary, Mrs. Kerr acted as
secretary pro tem.

The offering was received and
dedicated by Mrs. Lloyd Wilkie.
The members were reminded of the
World Day of Prayer, which meets
this year in the Anglican Church,
on Friday, Feb. 20th.

It was decided to have the sec-
retary order a new study book on
missions work in Africa. Mrs. Kerr
is to read the opening chapter at
the next meeting, when Mrs.
Campbell will again be hostess and
Mrs. Edgar Forsythe will have the
devotional period. The concluding
chapter in the present study book,
"Our Share In The World Mission"
was then read, and the meeting
brought to a close with the singing
of "We Have Heard A Joyful Sound," and the Mizpah
benediction. Delicious refreshments
were then served.

Bridal Shower
Held At Freetown

On Friday evening, January
14th, a large number of friends
gathered at the home of Mr. and
Mrs. William Gallant, to tender
a shower to their daughter, Muriel
Hatfield, prior to her approaching
marriage.

To the strains of the wedding
march, played by Mrs. Gallant,
the bride-to-be was escorted to
the seat of honour by her friend,
Miss Kaye Reeves. The gifts,
which were useful and beautiful,
were brought in by the Misses
Wanda Francis, Jean Francis, Shir-
ley Jardine and Wave Reeves, and
opened by Sandra Jardine and
Alberta Rowe. The names and ac-
companying verses were read by
Phyllis Taylor, and the gifts ar-
ranged on the table by Isobel
Murphy and Geraldine Hatfield.

When the gifts had been pre-
sented and arranged Muriel ex-
pressed her appreciation of the
gifts, and her friends and neigh-
bors, after which all joined
in singing "For She's A Jolly Good
Fellow."

Lunch was served by the
hostess, assisted by friends of the
bride. The remainder of the even-
ing was spent in music and
dancing, the music being furnis-
hed by Messrs. George Paynter and
Andrew Paynter. All will join in
wishing the bride and groom many
years of happy wedded life. -AB.

WEYBRIDGE, England, (CP) -
Daniel Stillman, an airline pilot,
has invented an automatic map
for passengers. Passengers can
see a light moving along the route
line showing the position of the
plane in which they are travelling.

He said:
"The change was made entirely
on my own responsibility and
without any suggestion from any-
one."

"I was not pointing at any spec-
ific person. My investigation
showed that the conditions which
prevailed before remedial action
was taken had been in existence
for some considerable time.

"I gave consideration to the fact
that there is a rapid turnover in
posting of army personnel, some of
them being in responsible posi-
tions for quite a short period. I
was not called upon to fix res-
ponsibility and it would have been
difficult for me, if not impossible,
to place individual responsibility
fairly. . ."

Only One Report
Mr. Currie agreed with Mr. Croll
that "there was only one Currie
report" and confirmed that he had
once considered using "at or near
the top" but changed it.

Annual Meeting Of S'side
Red Cross Society Branch

At the annual meeting of the
Summerside branch of the Red
Cross Society held in the Town
Hall yesterday afternoon, all the
officers were unanimously reelected.
The officers are: Mr. J. Frank
Arnett, president; Mrs. Frank
Green, secretary; Mrs. William
Strong, treasurer.

Mr. Arnett presided at yester-
day's meeting and outlined the pro-
gress of the branch and the great
work done by all the committees
during the past year. He commen-
ded in particular the way in which
the local Red Cross had come to
the aid of the Gallant family of
St. Chrysostom. He said that the
magnificent sum of \$1,800.00 had
been raised on their behalf and a
large quantity of clothing gather-
ed to provide for the victims.

Mr. Arnett expressed his great
pleasure at the splendid reports
handed in by the chairman of each
committee. He said that his duties
as president of the branch had not
been over exacting and that he
had always received excellent co-
operation from all the committees
when there was a project to be
looked after. The work of the local
branch was in most capable hands,

he said.
He also announced that the pro-
vincial annual meeting of the Red
Cross would be held in Charlottetown
on Monday, February 16th
and expressed the hope that all
who could possibly do so would at-
tend.

Reports of committees handed in
were as follows: Women's work,
Mrs. Traverse; Junior Red Cross,
Mrs. Willett and Mrs. MacNeill;
blood donors, William Currie; first
aid, Mrs. Traverse; swimming and
water safety, Ralph Emery (de-
vised by Miss Gladys Holman);
home nursing, Mrs. Robert Palmer
(also delivered by Miss Holman);
hat makers, Miss Millicent
Strong; loan cupboard, Miss Gladys
Holman.

The chairman of these commit-
tees were all reelected, with the
exception of Mrs. Traverse, who is
unable to carry on the work for
this year. Her committee will be
headed by Mrs. R. L. Noonan.

Much regret was expressed at
the absence of Mrs. Traverse from
the annual meeting and Miss Gladys
Holman paid a fitting tribute to
the great work she had carried on
in this capacity over the years.

Alberton Regals
In 12-3 Win
Over S'side High

A very shorthanded squad of
Summerside High School hockey
players was defeated 12-3 in an
exhibition game played in the
Alberton rink last night. Playing
with only one spare, their oppo-
sition failing to turn up, the
visitors put up an excellent show-
ing but could not withstand the
pressure of the home team with
a complete lineup as they scored
five goals in the opener, two in
the second period and five in the
final session for a total of
twelve. The Sum Hl boys scored
goals in each of the periods for a
total of three. The game was un-
eventful throughout with each
team missing good scoring oppor-
tunities.

The Regals' goal tender, Perley
Hardy, who put up his usual stellar
performance, was injured early in
the third period when struck
in the mouth by a puck, and was
replaced by John Kinch, who al-
lowed only one goal.

dozen more eggs were laid in 1952
through registered grading stations
in Saskatchewan than in 1951. Last

Unique Wings
Parade Held
At Summerside

A wings parade-unique in
many respects-was held at R. C.
A. F. Station, Summerside, last
evening.
Perhaps the most unusual fea-
ture of this ceremony was the fact
that the graduation exercises had
to be postponed yesterday after-
noon because of the absence of the
navigator graduates who were to
receive their wings.

The entire graduation class was
part of the crew of 13 aircraft
from Summerside taking part in
the search for a plane missing in
the Labrador area.

A severe storm-the aftermath
of a general wide storm pattern
that caused so much damage in
England and Holland-swept the
Labrador area in which the planes
were searching on Wednesday, and
forced all of them to land at
Goose Bay where the continuance
of the storm kept them grounded
until yesterday.

The 13 Summerside based air-
craft left Goose Bay at noon and
continued the search which de-
layed the return of all aircraft to
Summerside until about 6 p.m. last
evening.

The second unusual event of the
day, which followed a mess dinner,
took place when the graduates re-
ceived their wings in a wings
parade held in the officers mess.
The graduates, five abreast,
marched up to receive their wings
from the presenting officer,
Group Captain A. G. Kenyon, C.
D., commanding officer of R. C. A.
F. Station, Summerside, who brief-
ly addressed the new navigators
and wished them well.

The third unusual feature of
this wings parade was the fact that
no Canadians were included in
this class which was composed of
navigators from Britain, France,
and Belgium.-S.

couple their silver wedding anniv-
ersary.

Mr. Louis O'Connor, as the gen-
eral Master of Ceremonies, spoke
of the pleasant reason for the happy
gathering, and expressed re-
gret that in following his chosen
vocation, the only son of the
house, Frank, was located at a
distance too great to be present.

Mr. Ian Henderson read an ad-
dress, voicing appreciation of Mr.
and Mrs. Riley as citizens and ex-
tending congratulations and good
wishes.

Mr. George McKay presented a
400 day clock and a substantial
purse on behalf of friends and
neighbors, for which the recipients
expressed suitable thanks. Also
received by the celebrants was a
beautiful silver bread tray, a gift
of the Moase family of New An-
non.

A delicious lunch was served, and
a feast of music enjoyed, with Mr.
Harry Marks on the violin, Mrs.
Harold Moase at the piano and all
joining in singing songs old and
new. -Bur.
