FAMINE IN NEBRASKA.

The destitution in the western Nebraska counties devastated by the drought is growing daily, notwithstanding the efforts to aid the suffering farmers. The following appeal has been issued by Mayor Bemis, of Omaha: "Information has come to me within the past few days from the most reliable sources—from gentlemen of integrity who speak from actual observation—that the suffering among the farmers in the drought stricken districts of our state is exceeding severe. Families are on the verge of starvation; mothers have nothing in which to wrap their babes, and have no clothing for themselves except dresses made from gunny sacking; underwear and shoes are almost unknown, and fuel is a luxury only to be dreamed of. One of the informants, a clergyman, informs me that he has partaken of meals among farmers where the greens of potato tops and mouldy bread constituted the only food I am fully aware that there is a great deal of suffering among our own people, but I believe that our citizens should make a special effort to extend all possible assistance to the sufferers in our state outside the city. It would be a fitting manner of giving thanks for the blessing we have received for our citizens to contribute towards relieving the sufferings of these people. What is needed is clothing of all kinds and descriptions and food of all sorts."

ENDORSES DR. ROSE.

A Quebec Physican who Corroborates Dr. Rose's Opinion.

PORTLAND, Dec. 3.—The letter of Dr. A. G. McCormick, of Richmond, Que., testifying to his complete and permanent cure from Bright's Disease by Dodd's Kidney Pills, has been read with much interest here, supporting as it does the recent letter of Dr. E. A. Rose, of this place, who was cured of Diabetes by the use of these pills. Of course no further corroboration of the curative qualities of Dodd's Kidney Pills was required other than the testimony of Dr. Rose, but it is a satisfaction to know that other medical men are able to join the Dr. in testifying to the worth of the pills from personal trial.

The only time a man of experience takes his wife into his confidence is to tell her he is not making any money.

No one need pity you if you die of consumption, without having tried Miller's Emulsion of Cod Liver Oil, "the kind that cures" coughs, colds, bronchitis and all pulmonary diseases Every bottle warranted. No oily taste like others. In big bottles, 50c. and $1.00, at druggists.

"So," said Mr. Donegan, "they've been printing the funeral notices av a man that wasn't dead yit. It's a nice fix he'd be in if he had been wan af these people that believes iverything in the newspapers!"

I am not sure I ever told you what a safe and excellent, as well as palatable cure for Coughs, Colds, Consumption and all Wasting Diseases is made in Halifax, Nova Scotia. If not, let me now say that there is no other Remedy quite as good for these ailments as PUTTNER'S EMULSION. I need not enlarge—a word to the wise is sufficient—remember it is PUTTNER'S EMULSION—for sale in your town by all the first-class Druggists, in large eight ounce bottles for 50c.

Witherby—Your little one hasn't got off any bright things yet, has he?

Rankington—I don't know. What makes you think he hasn't?

Witherby—Your wife told me he took after you.

Nervous debility, general debility, then consumption; step by step, that's the way they go. Take a course of Hawker's nerve and stomach tonic, the greatest nerve and brain invigorator, blood builder, appetizer and digestive aid ever discovered, ere you, too, reach the final step.

"Who is that beautiful blonde?"

"My wife, sir."

"Ah! I beg pardon. The fact, is, I proposed to her just now, and"——

"And she refused you?"

"No—she accepted me."

Neuralgia and toothache are speedily relieved by a free application of Dr. Manning's german remedy, the universal pain cure.

Jesse—That young man is very disagreeable to stare at us that way.

Bess—The other is just as bad; he hasn't looked this way once.

Do not trifle with a cough, Hawker's balsam will quickly cure it.

"O—h! And is it a real diamond?" twittered the young woman in the most artless manner imaginable.

"It is not, Miss Fetherbe," said the young man firmly; "but I will say that it has always been my custom to give bond to replace it with a real one immediately after the performance of the ceremony.—Cincinnatti Tribune.

Piles are speedily cured by Hawker's pile cure.

Young lady—I should like to give my intended a little surprise before our marriage. What would you recommend?

Lady friend—Don't wear your false teeth just for once.

Testing His Honesty.

Your druggist is honest if when you ask him for a bottle of Scott's Emulsion he gives you just what you ask for. He nows this is the best form in which to take Cod Liver Oil.

Cholly Chumpleigh—Yes; gloves are worn in bed at night to make the hands soft.

Miss Coldeal—Indeed! Do you wear nightcaps, Mr. Chumpleigh?

"MAKE HENS LAY."

Such is the caption of an advertisement that appears not only in the local, but many leading agricultural papers, and which suggests the propriety of a few thoughts upon the subject. It may be laid down as a rule that most people indulge in raising poultry not for the pleasure it gives, but for the profit that is realized from the same, which must come from young chicks or eggs, and since the chicks must come from the eggs, the real profit may be traced to egg production, so the advice given in these words is of vital consequence to the poultry raisers. "The advertisement referred to recommends Sheridan's Condition Powder to make make hens lay, and so do we," says Mr. A. F. Hunter, poultry editor of Farm-Poultry. A hen to lay prolifically must be in perfect health, must be in condition, and here is based the true theory of the value of Sheridan's Coudition Powder—it promotes the general good health of the fowl, gently quickening digestion, and stimulating all the various orgnns of the body as well as the ovaries, to perform their functions." At this season of the year the use of Sheridan's Condition Powder is very valuable for laying hens and young pullets. By its use now they will get to laying earlier when the price for eggs is very high. I. S. Johnson & Co., Boston, Mass., the only makers of Sheridan's Powder, will send for 50 cents two 25 cent packs, five packs for $1.00; or for $1.20 one large two pound can of Powder, postpaid; six cans $5.00, express prepaid. Sample copy of the best poultry magazine free.

"Does Giblet move in the best society?"

"Yes; he has to move. He never pays his rent.

COD LIVER OIL has long been known to the Medical Profession as perhaps the *best single remedy* for CONSUMPTION and other Wasting Diseases—but most sick or ailing people have an unconquerable aversion to it, *in its crude state.*

The Hypophosphites of Lime and Soda are only second to COD LIVER OIL in their curative effects in the above complaints. In PUTTNER'S EMULSION the Oil, while retaining all its medical virtues, is completely disguised both from eye and palate, so as to be agreeable to the most delicate stomach, while its curative effect is enhanced *one hundred per cent.* by its scientific association with the salts of Phosphorus.
