

Things to Remember.

Remember that David Laird was elected by Belfast to stop the Railway, and that he built fifty miles of branches.

Remember that he was elected as an anti-confederate, and that he started for Ottawa in the night to negotiate terms of union with what he himself called "the Canadian Harlot."

Remember that he bargained for \$26,000 a year less than the Island afterwards received under the Pope-Haviland-Howland Terms.

Remember that he agreed that the proceeds of the Fishery Award should be Dominion property.

Remember that he was elected for Queen's County to support Sir John A. McDonald.

Remember that he "sold" Sir John for a seat in the Grit Cabinet.

Remember that he attempted, and as far as he was able, did disfranchise more than half the voting population of the Island.

Remember that he sold the representation of the Island in the Cabinet for a Governorship in the North West, and \$8000 a year.

Remember that he betrayed every political principle he ever professed.

Remember that he asked that his tongue might cleave to the roof of his mouth and his right hand loose its cunning, if he ever voted for separate schools.

Remember that he voted for separate schools in the whole of the great North West.

Remember that he charged \$1,600 for travelling expenses in coming home to Charlottetown.

Remember that Louis H. Davies, while Attorney General of Prince Edward Island, neglected our interests for the sake of a large fee from the Dominion.

Remember that he says now that our claim for a share of the Fishery Award is separate and distinct from the other provinces.

Remember that he did not urge that claim before the Commission as the Attorney General for Newfoundland did.

Remember that everything he did was to put money into his own pocket and the Dominion Treasury, instead of looking after the interests of the people of this Island.

Remember that he supports Edward Blake, who says that up to 1880 the Dominion lost \$1,027,000 by Prince Edward Island.

Remember that he supports Alexander Mackenzie, who, before the Cape Traverse Railway grant was made, said: "I think we have done very well by the Island, and we have carried out the Terms of Union to the utmost possible extent."

Remember that he supported David Laird through the whole of that gentleman's crooked career.

Remember that it will be to your interest to leave them both in private life; in order to do that, don't forget to mark your ballots for Brecken and Jenkins.

Remember that L. H. Davies says in his card that he is a FREE TRADER.

Remember that his leader and hero, Edward Blake, says in his card that Free Trade is impossible, and that he is in favor of MODERATE PROTECTION.

Who attempted to disfranchise every P. E. Island voter, who did not own one hundred pounds worth of real estate?

Laird, Yeo, McIntyre, Perry.

LORNE HIGHLAND WHISKY

AN ANALYTICAL SANITARY INSTITUTION 54, Holborn Viaduct, E.C., London, Aug. 8, '79 REPORT ON THE LORNE HIGHLAND WHISKY: "We have visited the bottling stores of Greenlees Brothers, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were very fragrant, mellow, and of pleasant flavor, and possessed all the characteristics of pure and well-matured Scotch Whisky of the first quality."

ARTHUR HILL, HASSALL, M. D. "OTTO HEINER, F. C. S., F. I. C." Agent.— OWEN CONNOLLY Charlottetown, P. E. I. Feb. 24, 1882.

To the Free and Independent Electors of Queen's County.

GENTLEMEN.—Again I have the honor of soliciting your suffrages at the Election to be held for the Dominion House of Commons on the 20th June next.

"Thanking you for the support you formerly accorded to me as a representative of the Liberal Conservative Party in this Province at a time when its policy was first inaugurated, I can now the more confidently appeal to you when we know the success which has followed the introduction of that policy.

As one of your representatives in Parliament for the past four years, my views upon most of the leading questions of the day are known to you.

A supporter of the Liberal Conservative Party of the Dominion, I have endeavored, having your special interests in view, to assist the present Government in its many measures advancing the material interests of Canada.

Without increasing our taxation it has been able to establish and foster great manufacturing and commercial industries, and by wise and judicious legislation materially to advance the prosperity of the whole people. A yearly surplus in the treasury has proved its capacity for administering the finances of the country, and enabled us to-day to enjoy free of duty some of the necessities of life.

The unopposed development and peopling of the North West Territories has been the result of the contract made by the present Government with the Canada Pacific Railway Company, in the face of the bitter opposition for some time past given to any public measure. A year's experience has more than justified the Government in that act, and falsified every prediction against its success.

I will not deceive you by announcing myself a Free Trader. I will be as honest as Mr. Blake, the Leader of the Reform Party, and, using his words in his recent address, say, "Free Trade is for us impossible, and the issue is whether the present tariff is perfect or defective and unjust." I have no hesitation in upholding the present tariff, believing it to be framed in the best interests of the whole Dominion, and that its adoption has infused new life and vigor into our country, lifting it out of the condition of prostration into which it had sunk four years ago.

The settled policy of both parties is adverse to Free Trade. It is dishonest to attempt to conceal the fact. I ask your suffrages on no false issue, but if elected by you will always feel it my duty in the adjustment of the Tariff, to see that the particular interests of this Province are not overlooked.

Our claim to a portion of the Fishery Award is one of paramount importance. I regret that hitherto our efforts to obtain its recognition have been unavailing with both political parties. We have, at least, the satisfaction of knowing that no time or opportunity has been lost in presenting it. Finding that our claim singly and apart from that of the Maritime Provinces, would not be entertained favorably by the House, I, with the other representatives of this Island, joined hands with the representatives of the Maritime Provinces and pressed our case upon the Dominion Parliament with a strength only to be gained by united action. You are aware of the failure of that effort, and the pronounced opinions of the leaders of both parties against us. It is greatly to be regretted that the separate and distinct claim of the Island was not at the settlement of the case presented before the Fishery Commission at Halifax, duly made and claimed. It was an inexcusable oversight on the part of the counsel representing this Island. For although recognizing the fact that the arbitrators could by no possibility have made a separate award in our case, the fact of our having a distinct claim, had it thus been brought to the notice of the British Agent, would have placed us in a much better position when distribution was made and Newfoundland paid a portion of the award.

Dealing with a Government which has so far recognized the rights generally of the Maritime Provinces to this Award as to grant for the material furtherance of their fisheries the interest on the full sum awarded, I shall continue to press for the recognition of a claim which I believe to be just and equitable.

The grant this year made to our public works is an earnest of the evident intent of the Government to deal generously with us. I need not say that, knowing from whence it comes, every dollar granted will be really appropriated and spent for the purposes for which they were granted.

My colleague, Mr. Jenkins, and myself will, I trust, be able in the short time allowed us, to meet most of you at the public meetings called throughout the County.

I have the honor to be, Gentlemen, Yours respectfully, FREDK. DEST. CROIX BRECKEN. June 1, 1882—ne

To the Electors of Queen's County.

GENTLEMEN.—Having received the unanimous nomination of the Delegates convened at Charlottetown, on the 20th inst., to select candidates to contest the County, in the interests of the Liberal-Conservative party, at the coming general election, I beg to solicit your support for myself and my colleague, Mr. Brecken.

I do so with the more confidence that I feel assured the constituency I aspire to represent is truly and essentially independent; that the great majority possess that intelligence and discrimination which enable them to discern and appreciate the good qualities of a Government such as now rules the destinies of Canada, whose history proves them to be gifted with that rare administrative capacity and exceptional financial ability, which have the effect of rapidly and easily developing the resources of the country, maintaining, at the same time, a large and increasing surplus in the treasury,—a surplus produced by a fiscal policy which, while it does not press unduly on the industrial classes, stimulates and encourages those great mining and manufacturing interests, which are indispensable, as adjuncts to agriculture, in promoting the prosperity of a people.

Having so large a surplus, the Government is in a position to deal liberally with the Provinces, and the fact that, in the supplementary estimates, there is the handsome sum of \$312,000 for this Island, is evidence of the intention, as well as the ability of the Executive, to provide unobtrusively for our public works; and I am happy to be in a position to state that engineers will be here almost directly to commence one of the works; i. e., to survey the different routes suggested for the location of the Cape Traverse Railway.

Under the policy of the Mackenzie Government, on the other hand, the resources of the country were undeveloped, mines and manufactures were reduced almost to a state of stagnation, and the treasury was worse than empty,—its only possession being a large and annually increasing deficit. These are facts, gentlemen; if any one be disposed to doubt them, I shall have much pleasure when we meet, in proving them beyond dispute, and I trust to the good sense and patriotism of the Electors of Queen's County not to aid in putting men in power whose manifest incapacity reduced our country to the confines of ruin.

The attacks of the Opposition on the policy adopted by the Government for the building of the Canada Pacific Railway and the development of the Great North-West, are effectually and most satisfactorily answered, and the wisdom of that policy triumphantly confirmed by the vast and daily stream of immigration now pouring into that great and increasing fertile portion of our country.

The question of our claim to a portion of the Fishery Award is one of great difficulty, chiefly due to the fact that the Terms of Union agreed to by the Laird-Haythorne Delegation stipulated that the other Provinces should participate equally in the Award with this Island, and to the fact that our distinctive claim was not urged before the Fishery Commission. I believe, however, that there is still a chance of our receiving a portion; and, if elected, I will use every effort to see that justice is done in this matter.

I very much regret that time will not permit me the pleasure of personally soliciting your suffrages; but if you do me the honor of returning me as one of your representatives, I will justify my confidence by striving, to the utmost of my power, to further the interests of this County, of the Island, and of this Canada of Ours.

I am, gentlemen, With every consideration, Yours truly, J. T. JE KISS. May 31, 1882.
