Brooklyn Dodgers Back In Top Spot In League

NEW YORK, May 30—(AP)—Duke Snider's home-run powered the Brooklyn Dodgers back into first place in the National League today, while their World Series foes—the New York Yankees—whipped the Boston Red Sox twice to solidify their lead in the American League.

Brooklyn, with Snider hitting three homers in the second game, edged the Philadelphia Phillies, 7-1 and 6-4, in a morning-afternoon Memorial Day doubleheader at Ebbets Field. The two defeats dropped Philadelphia from first to third place.

A crowd of 73,728—second largest of the season—saw the Yankees increase their advantage to three games over Detroit by whipping the Red Sox, 11-7 and 5-3. Detroit divided with Cleveland, winning the second game, 5-2, behind Hal Newhouse's five-hit pitching after dropping the opener to Bob Lemon, 4-0.

The St. Louis Cardinals climbed over the Phillies into second place with a double victory over Pittsburgh, 17-13 and 8-5.

The Boston Braves and New York Giants split a doubleheader. Johnny Sain's five-hitter gave Boston a 7-2 victory in the opener. Larry Jansen stopped the Braves with six hits in the nightcap, 10-3.

The Chicago Cubs and Cincinnati Reds divided their doubleheader. The Cubs took the second game, 7-4, after losing the opener, 4-1.

In the American League, home runs by pitcher Bob Hooper and Sam Chapman featured Philadelphia's 6-1 victory over Washington as Sam Mels three-run homer aided Washington in taking the opener, 4-3.

The Chicago White Sox slammed out 38 hits to humble the St. Louis Browns, 12-9 and 14-2.

A crowd of 34,700 held its collective breath as Snider missed a fourth home run by only four feet his last time up. The blow, which hit the right field screen, went for a single.

Granville Hamner's bad throw gave the Dodgers the winning run in the tenth inning of the morning game. Home runs also featured this contest. Mike Goliat, Richie Asburn and Dick Sisler found the range for Philadelphia, while Jackie Robinson and Roy Campanella connected for Brooklyn.

The Yankees knocked out Mel Parnell with a five-run blast to take the opener from the Red Sox. Joe Collins then highlighted a two-run rally in the eighth inning of the second game to give the New Yorkers their margin.

While the Cardinals got 30 hits against Pittsburgh, Stan Musial, the National League's leading hitter, managed only one — an inside-the-park homer in the ninth inning of the second game. Musial had one hit in ten at bats, his average dipping from .442 to .415. He batted in five runs, however.

After pushing across seven runs in the eighth inning to insure the

N.H.L. Moves To Stop Banging Sticks On Bench

MONTREAL, May 30—(CP)—The National Hockey League governors moved today to put a stop to banging of sticks on the boards by players.

The usual offenders are players seated on the bench who break out with a clatter and banging of sticks in protest against a referee's decision or in jubilation over a goal or save.

Hereafter the stick-banger will get an automatic 10-minute misconduct penalty. If the referee can't determine the culprit he will order the team's coach to name a man to sit out a two-minute minor penalty.

The governors felt the practice has gone beyond all reason.

Suggestions to change the delayed-penalty rule so that no fewer than five players to a team will be on the ice at any time were rejected. The present minimum is four.

The Pacific Coast Hockey League has already decided to establish the five-man minimum. The N. H. L. moguls decided they will wait and see how the change works out in the P. C. H. L.

The question of a general agreement among all professional leagues to make 18, instead of 16, as at present, the minimum age for signing youngsters to any form of contract or agreement was left unsettled. The N. H. L. itself is in favor of the change and further deliberations with other leagues will be carried out.

The governors, in their 33rd annual meeting, gave formal approval to continuing the 70-game schedule, increased last season from 60. The season will open Oct. 11 although the full schedule has not yet been approved.

The All-Star game will be played in Detroit Oct. 7, and Lynn Patrick, who recently resigned as coach of New York Rangers, will be invited to handle the All-Star squad in the annual match against the Stanley Cup winners—Detroit Red Wings this time.

Patrick left the Rangers so he could become associated with his father, Lester Patrick, in Victoria, B. C., and coach the Victoria Cougars of the Pacific Coast League.

opener, the Cardinals rallied for six runs in that same inning to take the nightcap. Nanny Fernandez hit two homers for Pittsburgh in the opener.

Members Of Charlottetown Chess Club

Pictured above are a number of chess enthusiasts who attended a formal banquet as the concluding feature of a chess tournament held at the Y.M.C.A. earlier this month and resulted in the formation of the Charlottetown Chess Club. Seated in the front row, holding Challenge Shield, is Mr. R. E. Mutch, the donor of the Shield for annual competition, while seated next to him and holding the winning trophy, is Dr. M. Schapira of New Glasgow, the winner of the tournament. The following are the names of the group:

L. to R. (standing)—Roy Coles, John McInnis, Harry Miller, Alan McCabe, Mr. Churchill, E. F. Seller, Donald Nauss, C. C. Toombs (Club President and C. ess Governor for P.E.I.), J. O. MacLean (Secretary-Treasurer), Billy MacKinnon, F. Schaniel, Fred Gamble, Don Reid, Dr. A. J. Murchison, Lorriem Cudmore; L. to R. (seated)—Dr. R. E. Kassner, Miss Doris Easter, Dusan Rosman, Mrs. R. E. Mutch, R. E. Mutch, Dr. M. Schapira, Edwin C. Johnstone, T. Roy Cudmore.

Drillon Named Moncton Coach For Next Season

MONCTON, N. B., May 30—(CP) George Bell, manager of the Moncton Hawks of the Maritime Senior Hockey League, tonight announced appointment of Gordon Drillon as coach of the team for next season.

A moncton native, Drillon starred with Toronto Maple Leafs of the N. H. L. for six seasons, and one with Montreal Canadiens before retiring from professional hockey.

In a comeback as a player last season Drillon played with Saint John Beavers of the M. S. H. L. He scored 48 goals and 24 assists for 72 points.

Drillon's return to Moncton in a coaching role was part of a reorganization of the club which held the Moncton franchise in the M. S. H. L. Several weeks ago control of the club was transferred from a five-man group headed by H. R. Brown as president to G. D. (Monty) Montgomery, who managed the club last season, and George Bell, former right-winger with the Hawks.

Drillon declined tonight to discuss plans for next season. The 36-year-old right winger said he would probably devote all his time to his new job and leave the playing to players he hoped to line-up between now and fall.

All members of last year's team are under a Maritime Amateur Hockey Association suspension which will be dealt with at a meeting of the Canadian Amateur Hockey Association at Banff, Alta., next month.

Drillon said it was possible some of last season's players would return to the club but no decision could be reached until the C. A. H. A. rules on the suspensions.

During the course of yesterday's column a number of sporting activities scheduled for the forthcoming summer were mentioned as progressing well towards the development of their activities for the season. There are a number of other sports not mentioned, however, that are taking up their rightful place in the sporting picture as part of the large scale sporting program that will be in progress here throughout the summer.

Although not a sport that is so widely known for its spectator appeal, rifle shooting here is a highly popular pastime for many throughout the Province. The Provincial Rifle Association, a highly active body for many years, governs the main bulk of this activity and has already mapped out its program for the various competitions this year.

The big project at the moment, is the selecting of the Prince Edward Island team that will represent the Province at the Inter-Maritime Rifle Match to be held at Debert, N. S. on June 17th. The Island team will be the defending champions at that meet, having defended their title successfully here over the Squaw Point Range at Tea Hill last summer to make it the third straight year they have won the coveted trophy, emblematic of marksmanship supremacy in the Maritimes.

The P. R. A. will hold their qualifying shoots on June 3rd, 7th, and 10th to determine the 12 best shots to move into the final selection shoot which will be held on June 14th. The result of this final shootoff will determine the best eight marksmen who will compete as a team at the Inter-Maritime Match as the representative team for the Province. In the first three qualifying shoots, the 12 highest shots of any two of the three matches will be eligible to advance in to the final round on June 14th.

It is understood that many local marksmen have already been out practicing over the Squaw Point range in preparation for the forthcoming qualifying rounds and in anticipation of garnering an honored position on the Island team. P. R. A. officials have announced that the range will be open daily for practice shoots in the afternoon, until further notice.

Harness horse racing, a sport unmentioned up to this point and one that could be easily termed the "sport of sports" in this Province, at least from an attendance point of view, also will be coming into its own this month. June 17th is the big date set for the opening of the Charlottetown Exhibition Association's popular sport under lights known as "Night Racing".

But of course it will not only be at night that ardent horse racing fans will be flocking out to the track by the thousands. There will be the regular Wednesday afternoon meets at the various tracks throughout the Island Circuit, as well as the feature programs that will highlight most of the civic and national holidays observed during the summer months.

As far as this writer is concern-

Johnny Parsons Wins Race As Deluge Ends Event At 345-Mile Mark

By Charles Dunkley
 INDIANAPOLIS, May 30—(AP)—A deluge that lasted no longer than 60 seconds today ended the scheduled 500-mile automobile race at 345 miles with Johnny Parsons, Van Nuys, Calif., a record breaking winner.

The handsome 31-year-old Parsons, 1949 racing champion of the American Automobile Association, led most of the way despite gallant bids by Mauri Rose, South Bend, Ind., a previous triple winner of the Memorial Day race, and Bill Holland of Reading, Pa., 1949 winner.

Parsons established a record speed average of 124.002 miles an hour for the 345 miles.

Records were strewn in Parsons' wake from the 50-mile mark on to the sudden finish. At 50 miles he averaged 124.941, and at the 100-mile mark he was speeding at 124.997 to blot out Wilbur Shaw's performance of 123.441 in 1939.

He eclipsed Shaw's record at 150 miles, for which Parsons' average speed was 125.579. At 200 miles Parsons was hitting 126.319, which also erased Shaw's record of 123.361 made in his 1939 triumph. The rain storm that broke suddenly from one black cloud ended the race in confusion.

Chester Ricker, chief timer for the A. A. A., announced that official placings and times of all finishing cars could not be figured out until midnight tonight.

The unofficial final order of finish placed Tony Bettenhausen, Tinley Park, Ill., in second place, with Holland, third—his lowest finish in four consecutive speedway races. Cecil Green of Houston,

Softball League Meeting Called

Mr. Elric Campbell, president of the Summerside Softball League has called the annual meeting of the league for Thursday evening at the Armories. At this meeting new officers will be elected and plans will be laid for the summer. If no Town Baseball League operates there may be increased activity in softball and the school diamond may be available for their games.—S.

Tex., a first-time driver in the race, placed fourth with Rose winding up fifth.

Twenty-three of the original 33-car starting field still were running when the race ended. There were no serious accidents.

The sudden short deluge, followed a few minutes later by another downpour, drenched the estimated crowd of 175,000 shirt-sleeved spectators.

The amount of money that Parsons will be enriched by this victory will not be known until the drivers' victory dinner tomorrow night. Presumably he will bag around \$50,000.

SNAP SHOT FINISHING

Rolls of film developed and printed and sent out the same day. Prints double size at no extra cost. Any 8 exposure roll 35c. Reprints 4c each or 10 for 35c. Mail Film Service, P.O. Box 204, Charlotte-town.
