A PAINFUL ACCIDENT.—We regret to learn that Mr. Gordon Alley (son of Judge Alley) while working in the engineering department of McGill College, yesterday, had the misfortune to lose three of the fingers of his left hand by contact with some part of the machinery. The accident is a very painful one, and the loss irreparable.

ECLIPSE OF THE SUN IN 1893.—In the year 1893 there will be two eclipses, both of the sun, one a total eclipse on April 16, visible to South America, the larger part of Africa, Southern Europe, and intermediate Atlantic Ocean; and an annular eclipse on October 9, visible to western halves of North and South America, the West Indies, the extreme north-eastern trips of Asia, and Eastern and Pacific Ocean.

MATRIMONIAL.—On Wednesday evening, Nov. 23rd, Miss Agnes C., youngest daughter of Mr. and Mrs. H. M. Stewart, of Douglastown, N. B., was married to Mr. John S. McLeod, of Wheatley River, P. E. I., at the residence of the bride's parents, 4 Riverdale St., Allston, Mass. The ceremony was performed by the Rev. D. P. Birnie, of the Allston Congrational Church, Allston, Mass. Miss Emma McDonald, of Cambridge, acted as maid of honor, while Mr. James R. Nicholson, of Roxbury, did the honors for the grooms. The bride was the recipient os presents, both numerous and costly.

ENTERTAINED AT DINNER.—The complimentary dinner tendered Captain Roderick Cameron, of the steamer Northumberland, by the people of Summerside at the Clifton House, on Wednesday night, was an exceedingly pleasant affair. Richard Hunt, Esq., Chairman of the Town Council, presided. Speeches were made during the evening by the Chairman, John Gaffney, J. H. Haslam, S. Rogers, Captain W. H. Barnard, Captain Reid, J. H. Bell, Neil McQuarrie, R. C. McLeod, Joseph McNeil, Neil McKelvie and D. Gordon. The table was spread in the Misses Mawley's best style.

A NOVEL SUIT.—Among the killed on the Central Hudson Railway by the collision at Hastings, on the night before Christmas, 1891, was John R. Bagnall, of Poughkeepsie, N. Y., and among the injured was Miss Eva Frear, also of that city. It is said that the two were engaged to be married. Now Miss Frear has commenced a suit against the railroad for damages amounting to between $36,000 and $40,000, claiming that she was to have been married to Mr. Bagnall, and because of the accident, which was the result of carelessness, she has lost a husband, and therefore she has been deprived of support and maintenance during her life. It is reported she offered to compromise for $20,000. The suit is certainly a novel one.

ALL ABOUT A BOTTLE.—On the 12th of October last, the Hardwick, N. B., correspondent of the World set adrift at Escuminac Point a bottle, and in it he put a slip of paper on which was written the date and requesting the finder to write and inform the correspondent where the bottle was found. About a fortnight ago he got an answer from his bottle, telling him that it was picked up on the shore at Miminigash, Lot 3, P. E. I., on the 26th of October. The bottle was 15 days from the time it left the hands of the New Brunswicker until the Prince Edward Islander got it. It was picked up by Mr. Patrick O'Brien, of Miminigash, who wrote the correspondent quite a long letter. He said that when he set other bottles adrift that he could dispense with paper, but that he would like to find a bottle in which would be found something that would make a fellow feel good these cold October mornings.—Chatham World.

ARTILLERY COMPETITION.—The official return of the general efficiency competition for 1892 appears in the last Militia General Orders. There were thirty competing batteries The Governor-General's prize was carried off by No. 3 Battery, Halifax, under command of Captain Maxwell, which made a total of 251 points out of a possible 260. Second place (the Landsdowne Cup and $40) was taken by No. 5 Battery, Halifax, commanded by Captain Oxley, with a score of 246 points. No's. 1 and 4 Batteries of the New Brunswick Brigade took third and fourth places with 244 points each. No. 1 Battery, of Prince Edward Island, under command of Captain H. M. Davison, stands fifth on the list with 225 points; and No. 2 Battery, under command of Captain J. A. Longworth, comes tenth with 194 points. When it is remembered that the Island Batteries were compelled to perform their drill in camp last June (the only Garrison Artillery in the Dominion that had to do so) and there was great difficulty in getting all their own men into camp, it must be admitted that the Island boys did very well. No. 1 Battery especially did excellent work.

The Miss Wilson referred to is well and favorably known in Charlottetown.

What is Dandruff?

A disease of the scalp that causes falling off of the hair, in fact, death of the hair. It irritates the scalp and causes scales and eczematic eruptions—produces baldness. Bear in mind that Anti-Dandruff removes dandruff with three applications—stops falling and restores fading hair to its original color. Sold by druggists at 75 cents per bottle. 11
