Newton Cross Notes.

The ingathering of the crops is progressing very well in this vicinity: some farmers have already finished digging their potatoes, and are preparing for threshing.

The drought which existed some time ago damaged the turnip crop to some extent.

Mr. William Smith, of Lower Newton, has been successful in gaining second prize at the Provincial Exhibition with his two and one half year old colt, an animal of which he may be proud.

Mr. Richard Gill, of this place, is at present very ill, and not expected to recover. He was some time past a Road Supervisor, but owing to old age he resigned the office. He is a man with whom very many are acquainted, and those who have the pleasure of his acquaintance will regret to hear of his illness.

There are some fine horses in this vicinity in good saleable condition. It would bo well for some horse buyers to take a teur to this part of the country, as it is a place where there are good stock.

The steamer Heather Belle was pretty well crowded on last Thursday, by people from this vicinicy who were visiting the exhibition, and had it not been for the high fare charged by the boat authorities, especially on those without return tickets, she would have as many more.

Pullets Should be Laying.

Young pullets hatched in March and April ought all to be laying this month. Later hatched ones, if not laying by November, will probably, if left to themselves, not lay before spring when eggs are down to fifteen cents per dozen. A well-known poultry farmer showed us recently his account for last December with 125 pullets. The net profit for that month from eggs alone was $39.39; from the same pullets in April following the profit was $14.97, and he got 50 dozen more eggs in April than in December. Now this is a striking lesson to all who keep hens for profit. Get all the eggs you can this dull year when other crops are short, as eggs always bring cash. Probably 45 cents per dozen by Christmas. Therefore get the pullets to laying early when prices are highest. Rev. S. W. Squires of Franklin, Mass., says: "For the purpose of seeing how many eggs I could obtain last winter from twelve hens, I used four large cans of Sheridan's Condition Powder. I believe it is the best preparation known to increase egg production. I saved part of the eggs for hatching after forcing the hens four months for all they were worth with Sheridan's Condition Powder, and I never had a greater per cent. of fertile eggs or more vigorous chickens. In brief, I do not believe I can afford to be without the powder to give health and vigor to young hens." Six cans of Sheridan's powder will pay a good dividend in eggs if you commence early. If you connot get it near home, I. S. Johnson & Co., 22 Custom House Street, Boston, Mass., (the only makers of Sheridan's Condition Powder) will send, for 50 cents, two 25-cent packs of powder; for $1, five packs; for $1.20, a large 2½ lb. can, all post paid; six cans for $5, express prepaid; one large can of Powder, also one year's subscription to the Farm Poultry monthly, both sent post paid for $1.50. Sample copy of paper 5 cents. Send stamps or cash. Testimonials sent free.—oct7 dy6i w1i

It Made Mother Strong

"My mother has been using PAINE'S CELERY COMPOUND for nervous prostration, accompanied by melancholia, etc., and it has done her a world of good. It is the only medicine that strengthens the nerves."

G. H. BEERS,
Orbisonia, Pa.

"I am in my 64th year. Have been afflicted in several ways—could not sleep, had no appetite, no courage, low spirits. I commenced using Paine's Celery Compound, and felt relief from the third day after using it. I now have a good appetite and can sleep well. My spirits and courage are almost like those of a young man."

S. C. KINKAID, D. D., Gonzales, La.

Paine's Celery Compound

Strengthens and builds up the old, and cures their infirmities. Rheumatism, indigestion and nervousness yield quickly to the curative power of Paine's Celery Compound.

A Perfect Tonic and Invigorator, it GIVES NEW LIFE.

"I am now 69 years old and have tried several remedies, but none had any effect until I used Paine's Celery Compound. I feel entirely different for the short time I have used it. I can walk nearly straight, sleep sound and well, and feel as though there was new life and energy coming into my whole system."

H. MYLIUS, Cleveland, Tenn.

Paine's Celery Compound is of unequaled value to women. It strengthens the nerves, regulates the kidneys, and has wonderful power in curing the painful diseases with which women so often silently suffer.

$500 REWARD

is offered by the manufacturers of **Dr. Sage's Catarrh Remedy,** for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of **Catarrh, "cold in the head," Coryza,** and **Catarrhal Headache.**

Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of *Ithaca, N. Y.*, writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., *2902 Pine Street, St. Louis, Mo.*, writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, *Runyan P. O., Columbia Co., Pa.*, says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
