

A HEAD IN TROUBLE

SAN FRANCISCO — Manuel Moreno, 37, was jailed here on charges he had struck his wife while he was drunk. Moreno raised a rumpus in his cell and then tried to leave through the small opening used to pass food to the prisoners. He gained "freedom" up to his neck, but then could not get his head back. Here an unidentified fireman uses a hacksaw while the "freedom seeker" objects. It took an hour and half to free Moreno. (AP Wirephoto).
