LADIES & GENTLEMENS HAIR CUTTER,

Dresser, Peruquier, Perfumer, and Ornamental Hair Manufacturer,

QUEEN SQUARE, CHARLOTTE-TOWN.

The Subscriber most respectfully returns his grateful acknowledgments for the very liberal support he has met with in Charlotte-Town, and begs leave to inform the Public in general, that nothing shall be wanting on his part to merit a continuance of their favours, Ladies, Gentlemen, and Childrens Hair cut in the most fashionable Style. He highly recommends for the use of Hair his Genuine MACASSAR and RUSSIA OILS, so much approved of in Europe, and which has been patronized by His Most Gracious Majesty, the late Royal Highness the Duke of York, His Royal Highness the Duke of Sussex, The Emperor and Empress of Russia, the Emperors of Persia and China, and most of the principle Nobility. It eradicates the scurf, nourishes the Hair, prevents its falling off or turning grey, produces a most beautiful and natural curl, and gives even to artificial Hair, a peculiar softness of texture, and if it be regularly and frequently used, it will have the effect of strengthening the weakest hair, and of producing beautiful and strong curly locks. If applied to Children it cleans the head of that scurf which is so prejudicial to the growth of Hair, and by gradually augmenting its strength, renders it that ornament as originally designed by nature. Also for Sale Perfumes, Essences, Esprits et Extraits d'odeurs, and for the use of hair, Hulies' Antique, and superior French Pomatums, Also perfumed Soaps in Tablets, for the preservation of the skin, with a variety of Brushes, Combs, Razors, Stropps, and Penknives of an excellent quality.
