POTATO INSPECTION SHED BEING ERECTED

A building, where potatoes destined for the sheds on railway wharf, will be inspected, is under construction about a 100 yards from the shore-end of the Summerside wharf. Potato inspectors will be located in the building and its expected this new structure will help alleviate congestion around the sheds where truck traffic becomes heavy when truck traffic becomes heavy.

peniers, supervised by "Tubby" Gay are seen at work yesterday afternoon, on the new building, being built by the federal government.
