PREMIER

Black and White Sale

For years we have been making new occasions of one kind or another, adding new interest to store life and shopping news right along. White Goods Sales are becoming common ('twas not so when we began them here five or six years ago), and besides, we believe in new ideas, new attractions and new goods of all kinds. We will therefore commence our

Premier Black and White Sale

Thursday, Feb. 1st.

We realize the necessity of unusual attractions in these wide-awake days, and have therefore been preparing for this sale for several months. It is not a rehash of old goods and remnants, but a smart stock of NEW GOODS purposely purchased for THE PREMIER SALE. All goods will be marked in plain figures.

LOCAL AND OTHER ITEMS.

To-Night.—Evangelist McKay in Zion Church.

Crossing both ways at the capes to-day. The mails arrived at 3.15 p. m.

No business before his honor the Stipendiary Magistrate this forenoon.

The Stanley arrived at Pictou to-day at 12 o'clock. The ice is reported heavy and the passage fine.

Practice.—The Charlottetown Hockey Club will meet to-night, at a quarter to eight for practice. A full attendance requested.

I. O. A.—Regular meeting of St. George's Lodge, No. 1171, in the 1st Degree, will be held to-morrow evening at eight o'clock sharp, in the Lodge Room, Euston Street Hall. All members are requested to attend.

Supreme Court.—This afternoon, before Mr. FitzGerald resumed his address, the Attorney-General intimated that it was not his intention to proceed with the trial of McIntyre, and the Larter trial would also have to stand over till next term owing to the absence of the principal witness.

Dulse.—Messrs. Jenkins & Son, grocers Queen Street, recently obtained from the shore of the Bay of Fundy a barrel of dulse. To the old boys about town, it recalls the time when they were young in the country and used to run upon the beach, and it comes as the breath of the sea. We have to thank Messrs. Jenkins & Son for a package of it.

The Baptist Church was filled again last evening to hear Evangelist McKay. The interest in these meetings is being well sustained. To-night the meeting will be held in Zion Church at 7.30; prayer meeting at 7. A silver collection will be taken up at this meeting to defray the expenses of the mission. Several of the churches are giving up their regular prayer meeting this evening so that all may unite with Conductor McKay.

Hockey.—A large number of spectators witnessed the hockey match, Clerks vs. Allcomers, in Hillsborough Rink, last evening. After an exciting contest, the clerks proved victorious by a score of two goals to one. For the victors, Bruce Wright scored the goals, and for their opponents, Miller captured the honor of making the only goal. Mr. S. C. Moore acted as referee in the match. Galbraith's Band was present and its choice music was much appreciated. A match between the Victoria and Hillsborough Clubs has been suggested as the next match.

Explosion.—An explosion of more than usual force occurred in Dr. Strickland's Dental Rooms about eleven o'clock yesterday morning. The Dr. in order to hurry up matters in the vulcanizer placed it in the inside of a large cannon stove, and the heat rising quicker than was expected the vulcanizer exploded and in doing so smashed the stove in pieces, scattering it in all directions and smashing the windows. The fire in the stove also spread about the room and the furniture and carpets were ignited. The fire was soon extinguished and the remnants of the stove and burning coals carried out. The damage to the furniture and the room exceeds $100, covered by insurance. How the Dr. and a patient who was in the dental chair escaped without injury is one of those things that cannot be accounted for, but luckily no person was hurt.

"Garcia Morena."—A crowded hall greeted Rev. Dr. McMillan at the A. O. H. rooms last evening. Garcia Morena was the martyred president and patriot of Ecuador. The paper was a life history of the patriot, detailing the leading events of his life. His birth, early education, visit to Europe, return home and subsequent election to the presidency were all graphically portrayed, and the war with Peru touched upon. Several times after retirement he was obliged to again assume command of affairs to save his loved country. His assassination in 1875 after leaving the cathedral was vividly described. Garcia Morena deserved to be ranked with the world's greatest men, and he would be referred to by the future historian as one of history's brilliant stars. A vote of thanks was moved by Mr. J. H. Reddin, seconded by Mr. Peter McCourt, and tendered the learned lecturer.

THE MOCK PARLIAMENT.

The attendance of members at this popular institution last night was large, and a goodly number of visitors, including ladies, were present.

His Honor Mr. Speaker Laird took the chair at 8 p. m., and the proceedings commenced by the Clerk (Mr. MacNeill) reading the journal of the preceding meeting.

Mr. B. D. Higgs announced to Mr. Speaker and the Assembly that after the resignation of Mr. Weeks and his Government, His Honor Governor Fitzgerald gave him the pleasing task of forming a new administration, in which he had readily succeeded. He then announced the new Government as follows:—

Premier—B. D. Higgs.
Attorney-General—J. A. Macdonald.
Minister of Finance—D. S. MacRae.
Secretary of State—P. Carver.
Minister of Public Works—R. H. Campbell.

On motion F. S. Moore was called to the chair, and His Honor Mr. Speaker delivered his very able and exhaustive address on Confederation.

Mr. Laird, who is personally acquainted with the subject, reviewed the financial affairs of the Island before and since we entered the union, and in accordance with the provisions on which we entered Confederation, showed that the Province was justly entitled to an increased subsidy.

Mr. Higgs, Leader of the Government, moved, seconded by Mr. F. W. L. Moore, Leader of the Opposition, a vote of thanks to His Honor Mr. Speaker for his very instructive address. The motion was supported by Hon. J. W. Richards, of Bideford, Mr. Godkin, of Summerside, and Mr. MacWilliams, of West Cape, Members of the Provincial Legislature. The vote was unanimously adopted, tendered and acknowledged.

The question of changing the nights of meeting, owing to the evening lectures of the master of the Master of the Rolls to law students, was not favorably received. Much as members of the mock parliament desire to attend Judge Hodgson's lectures, fears were entertained that a change in the nights of meeting would not be to the advantage of the Mock Parliament, and it was hoped that His Honor would see his way clear to deliver his lectures upon some other evening than that of Tuesday.

NEWS OF THE WORLD.

Wolfville, Nova Scotia, has a population of ten or eleven hundred. But within the past ten years it has spent $190,000 in the erection of new buildings and the enlargement of old ones.

There is expected to be a ten million dollar deficit in the Imperial budget this year. Sir Richard Cartwright would feel quite proud to know Sir William Harcourt. They are statesmen of the same school and the same misfortunes.

The Liberal Winnipeg Tribune holds that the Angel Gabriel could not be elected on the Conservative ticket in Winnipeg. Possibly the Tribune estimates aright the intelligence of its party. There are some Grits who would not learn even from such a messenger.

The majority of the Congressional Ways and Means Committee has resolved to raise the proposed duty on Canadian barley from twenty to thirty-five per cent ad-valorem. Mr. Erastus Wiman and those Canadian Liberals whom the Buffalo Commercial told about, are evidently succeeding in their work better than they deserve.

Mr. Wilson, in his tariff speech to Congress, pointed out that under the present policy the United States forest area was being rapidly denuded and the most valuable part of the timber destroyed. Free lumber from Canada will relieve somewhat the demand the forests suffer from and preserve them to be of greater value in the future. The United States stands to gain in a double sense if the Wilson tariff becomes the law of the land.

The statisticians have been computing the population of England and Wales in 1900 if it goes on increasing at its present rate. They figure it out in this way: 1894, 30,060,000; 1895, 30,394,000; 1896, 30,731,000; 1897, 31,071,000; 1898, 31,416,000; 1899, 31,764,000; 1900, 32,116,000. The steady growth of England's population is a factor in the nation's maintenance of its political importance in Europe, and as the colonies grow too, the British becomes each year a more and more vital force in the world. May it ever continue so to be.

REPUTATION!

WHAT IS IT?

It is the combined judgment of many men regarding one man or article.

It is deemed a man's most valuable possession.

It means something, then, when hundreds of buyers affirm that OUR FURNITURE IS THE BEST FOR THE MONEY ON THE MARKET, and by their testimony give it that reputation that has enabled us to build up such a large business as ours.
