

**Tourney Dates Are Announced**

MONTREAL (CP) — Duncan Millican, president of the Royal Canadian Golf Association, said Friday that the 1967 Canadian Open has been given the dates of June 29-July 2 so that the event will tie in with Canada's July 1 centennial celebration. Last September, the RCGA said financial arrangements had been completed with a company sponsoring the event and with

the City of Montreal, under which the prize money would be doubled to an event record of \$200,000 for 1967.

"Several months ago we asked the Professional Golfers Association of America to give us firm dates to tie in with our centennial anniversary of July 1 and, of course to make it one of the highlights of Expo '67," Millican said.

This year's Canadian Open is to be held Sept. 29-Oct. 2 at the Shaughnessy Golf and Country Club in Vancouver.

**Kinasewicz Mocks 'Over Head' Idea**

TORONTO (CP)—Coach Ray Kinasewicz of Edmonton Oil Kings rejects the idea that Oshawa Generals may be playing over their heads in the Memorial Cup playoffs. "I don't sell that team short, and neither do our guys," Kinasewicz said Friday after a team workout at Maple Leaf Gardens. "They've got too many guys who can hurt you," said Al Hamilton, the King's big defenceman.

When Blair, Oshawa manager, said Thursday the Generals may have played "a little over their heads" in winning the second and third games of the series 7-1 and 6-2.

With the series tied 2-2 after Edmonton's 5-3 win in Wednesday's fourth game, the teams resume the battle this weekend.

The fifth game is set for tonight at 8 p.m. EDT, and Sunday starting at 2 p.m. **KEY TO SUCCESS** Both Kinasewicz and Blair agree the team that wins tonight's game will be in the driver's seat.

"If we can get the jump on them in the game we'll be on our way," said Kinasewicz. "The team that wins Saturday will be all fired up to end it Sunday," said Blair.

Kinasewicz said the Oil Kings misjudged the Generals' strength after beating them in the opening game 7-2. "There's no doubt that we let up after that first game, and we got clobbered."

"But we proved Wednesday that we can beat Oshawa with hard work. That's what it's go-

ing to take to beat them," says Kinasewicz.

Oshawa will dress injured Bobby Orr for the weekend, but it's doubtful if he'll see any action.

Blair said the absence of Orr could cost the Generals the series. "There's no doubt in my mind that with Orr we're the better hockey club. But I have to admit that I'm worried about whether our guys can keep on winning in a long, close series as this one has turned out to be."

**Green Gables Opens Today**

The Green Gables Golf Club is scheduled to open this morning and club professional Errol Nicholson reports that the course is in excellent condition. Several new tees have been added to the layout and all sandtraps had received a new coat of sand.

members had turned down \$70,000 offers on a three-year basis to turn professional.

Mr. Pearson, a former hockey player himself and an avid sports fan, said he knew there were pressures on the team members to turn pro.

But offers that seemed tempting now might not look so good years later.

He recalled advising a player in the 1920s to reject a \$1,000-dollar-a-game contract to play for New York Rangers in favor of continuing his education.

The player had taken his advice and now has made a great mark in engineering, Mr. Pearson said. He didn't want to mention any names.

The luncheon made good a promise by Health Minister MacEachen. He saw the team off to Europe in March and told them he'd be host to a gathering when they returned.

The team attended the opening of Friday's sitting of the House of Commons and their attendance was referred to by Speaker Lucien Lamoureux. MPs gave them a desk-thumping welcome.

**Pearson Praises National Team**

OTTAWA (CP)—Prime Minister Pearson told members of Canada's national hockey team Friday they had represented their country well in the 1966 world hockey championships. He listened to every game on radio, the prime minister told a luncheon honoring the team.

"I was very proud of the way the men conducted themselves under difficult circumstances,"

he said. "They were a great credit to their country."

Many Canadians don't realize how important international sports have become, Mr. Pearson said. Doing well in world competitions now has become important to a country's prestige.

"We must wake up to the fact that our national teams should have the whole nation behind them."

Team captain Terry O'Malley said it was "an honor and a challenge" for players to play for their country. The team was determined to bring world honors to Canada.

The Canadian team finished third in the 1966 tournament won by Russia. O'Malley also said some team
