

GEORGE WHITE Canadian-Built FORAGE HARVESTER

The Forager

with the features most farmers want!

A GEORGE WHITE'S big capacity and low power requirement are outstanding whether it is used to harvest hay, corn, grain or straw. It's especially useful in harvesting young hay (green or dry) — a feed with up to 22% protein — for it gets this protein rich hay into silo or barn between showers.

Hay making time is cut to a fraction. The time and money you can save with a George White Forage Harvester may equal the cost of the machine in the first year or two.

Plan to see the rugged, dependable, economical George White Forage Harvesters today. Their low cost will surprise you!

Legion Community Hall At Tignish Nearing Completion

The new Legion Community Hall in Tignish is now well under way, and with weather permitting will be completed in about three weeks.

Following the fire which destroyed their home last June, the executive promised that they would erect a bigger and better building as soon as possible. Now this promise is about to become a reality, and the new hall will be one that will completely fill a long felt want in the village.

The basement will house two standard length bowling alleys, a large billiard room, and an ample size meeting room. The main floor will have ticket office, ladies' and gents' cloak room, and canteen, all next to the main entrance leading to the dance floor which is large enough to play indoor games, such as basketball, badminton and ping pong, as well as seating space for movies. A large stage will also be erected at the farther end.

The construction is under the expert management of Mr. Hubert Gaudet, M.L.A., who is doing all possible to erect one of the best community halls in the province.

The citizens in general are lending their moral and financial support to this project, by responding generously to the appeal of the financial committee of which Mr. Walter H. Bernard is chairman.

The building committee are Messrs. J. B. Myrick Jr., J. Peter Gaudet and Anthony Desroches, who have been untiring in their efforts to procure the best material possible, and are to be complimented on the success of their efforts. They have seen to it that all local labour is employed, which is partly accountable for the speed and good workmanship shown.

The interest of others than those of the community is shown by the unsolicited donations from some sister branches of the Canadian Legion and wholesale houses throughout the province.

It is hoped to have the opening some time in November, with Don Messer and his Islanders, and other attractions suitable for such an occasion.

SOUTH WINSLOE W. I.

Mrs. Ivan Turner was hostess to the South Winsloe Women's Institute for the October meeting. In absence of the president and vice-president, Mrs. Val MacDonald opened the meeting with the Creed in unison, followed by roll call.

Minutes of the last meeting were read and approved. Bills were presented and paid, and collection amounted to 35 cents. The sick committee had no report.

Correspondence was read and discussed. The school committee reported two pictures were purchased for the teacher's room. Miss Villet kindly thanked the members of the Institute for their contributions to the school.

The lunch committee for the next meeting will be Mrs. I. Turner, Mrs. Harold Diamond, and Mrs. Lloyd Gillespie. The next meeting is to be held at the home of Mrs. E. Hughes.

It was moved and seconded that the meeting adjourn, and lunch was served by the hostess and committee in charge.

The Fiji Islands are between 200 and 250 in number, with a total area of 7,036 square miles.

Freetown and Vicinity

Mr. and Mrs. Lloyd Reeves are visiting with friends in Halifax and Amherst, Nova Scotia.

Friends will regret to hear of the illness in Lower Freetown of Mr. J. Elton Cairns and all hope for an early recovery.

Several properties have changed ownership lately in Freetown. The farm belonging to Mrs. Frank Deacon has been purchased by Mr. Waldon Moase, and Mr. Moase has sold his farm to Mr. Clarence Reeves. It is understood that neither of them will be moving to their new homes till next spring.

Mrs. Greta Achurch, who visited recently with friends in Upper Freetown, returned to her home in Sunny Brae, New Brunswick, on Tuesday, October 28th. While here she was the guest of Mrs. Russel Burns and Miss Rema Croseman.

Mr. Garnet Warren is a new mail courier on Freetown Rural Route No. 2, taking over the position following the resignation of Mr. Alfred Curley. Mr. Curley has been the efficient courier for the past seven years. All wish Mr. Warren success in his new undertaking.

In this vicinity Hallowe'en passed off very quietly. Many weird and ghostly apparitions were abroad, silently flitting from house to house but very little damage is reported. Calls were made on all households, with the admonition, "Treats or Tricks." Needless to say, the treats were forthcoming.

Mr. Goldie Reeves has returned from Halifax, N. S., where he was a patient at the Victoria General Hospital for several weeks. Friends are glad to know that his condition shows improvement.

Messrs. Ronald Lewis and Brian Scates, who are attending school in Rothesay, N. B., spent the week end of November 1st at their homes in Freetown. Friends were glad to welcome them back.

Friends of Mrs. Wilbert Drummond are sorry to learn that she has had to enter the Prince County Hospital for treatment and all hope she will soon be restored to health.

Malpeque W.I. Annual Meeting

The annual meeting of the Malpeque W. I. was held at the home of Mrs. Charles Lockhart on Tuesday evening, October 21st.

The president presided and the meeting opened by singing the Ode and repeating the Creed in unison. There were 20 members and one visitor present, and roll call was answered by members paying fees.

The president then gave a short address, outlining the year's work and thanking all members for their co-operation.

The treasurer then gave her report which showed that \$47.60 had been raised, and there was a balance on hand of \$90.93.

The school committee reported not having had enough money to buy an atlas, and it was moved and seconded to donate money for that purpose. The sick committee had no report and Mrs. Wilton Ramsay and Mrs. Fred Champlon were appointed for the new sick committee.

The ceiling in the Institute room had not been painted, as planned previously, and it was decided to have it done the coming week.

Mrs. G. W. Ramsay was appointed chairman for the election of officers which resulted as follows: president, Mrs. Kenneth Owen (re-elected); vice-president, Mrs. John MacNutt (re-elected); secretary, Mrs. Sidney MacGougan; treasurer, Mrs. Claude Barrett (re-elected); auditors, Mrs. Frank Bearstoe, Mrs. Wilton Ramsay; directors, Mrs. Ernest Bryenton, Mrs. Keith Donald, Mrs. Russell Craig; Red Cross convenor, Mrs. Charles Lockhart; Blue Cross convenor, Mrs. Russell Craig; press secretary, Mrs. Sidney MacGougan.

Correspondence was then dealt with, which consisted of two "Thank You" cards and School Board letter.

New business was then discussed and it was moved by Mrs. F. L. MacNutt, seconded by Mrs. G. W. Ramsay, that a box of raisins be sent to the adopted W. I. in Swindon, England. Mrs. Gerald Lockhart and Mrs. Earle Taylor were appointed to look after the same. It was decided to sell lunches at Mr. Herbie Stewart's, sale price 0c 25c for sandwiches and tea. Mrs. John MacNutt and Mrs. Edward MacGougan suggested a birthday box for the coming year, and Mrs. Robert Wall was appointed to have charge of the box.

Roll call for December is to be answered by Mrs. F. L. MacNutt, giving a gift from Mr. Herbert Orphanage. The next meeting is to be at the home of Mrs. Edward MacGougan. The meeting closed by singing the "Maple Leaf Forever."

The secretary, Mrs. Herbie Stewart, who is soon leaving the district to live elsewhere, was then remembered with a farewell gift for which she graciously thanked the members. A delicious lunch was served by the committee in charge.

Saint John Ferry Service To Resume

SAINT JOHN, N. B., Nov. 5 — (CP) — Saint John's new common council, sworn into office Monday, immediately decided to put the harbor ferry Loyalist back into service. The ferry has been idle since last July, when it was tied up for inspection.

At that time the cost of repairing the vessel to meet requirements was estimated at \$63,460. The council today decided to re-establish the service at a cost not exceeding \$75,000.

Repairs to the Loyalist and ferry floats would take about 48 days. The Halifax Harbor Commission will be asked about the possibility of obtaining a vessel for temporary service during this period.

IN MEMORIAM

MRS. JOHN ERSKINE LOCKERBY

Mrs. Sylvia Gordon Lockerby, 57, of 59 Clinton Avenue, Westwood New Jersey, N. J., died Saturday afternoon, October 18, at Hackensack Hospital, N. J., where she had been taken the day before following a heart attack.

Born in Lowell, Mass., while her parents were visiting there from their home in Prince Edward Island, Canada, Mrs. Lockerby lived in Prince Edward Island until her marriage 36 years ago to John E. Lockerby. Mr. Lockerby served with distinction with the Seaford Highlanders (Canada) First Division and was one of the first returned heroes of World War I in which he was seriously wounded. The couple moved to Nova Scotia and made their home there 12 years, coming to Westwood, New Jersey 24 years ago.

Mrs. Lockerby was the daughter of the late Captain and Mrs. William Gordon of Georgetown, P. E. I. Her father was one of the colorful merchant mariners of the late 19th century. She is a direct descendant of Donald Gordon and James McLaren, founders of the Scottish Pioneer Settlement at Brudenell River, which 150 years ago was a Canadian wilderness. Her husband, John Erskine Lockerby, is a native of Alberton, P. E. I.

Mrs. Lockerby was active in the social life of Westwood, New Jersey and was a member of the General Montgomery Chapter, Daughters of the British Empire. Her two sons, Gordon and Earl Lockerby, were both killed while serving with the American Forces in World War II.

Besides her husband, surviving are two daughters: Mrs. Helen Van Gorder of Andrews, North Carolina, and Mrs. Kathryn Heuer of Detroit, Michigan. Six grandchildren also survive.

Funeral services were held Tuesday morning, October 21, at the Halsey Funeral Home, Westwood, with the Rev. Harold Cutler of St. Peter's Church, Rochelle Park, officiating. Burial followed in Westwood Cemetery. The funeral chapel was massed with beautiful floral tributes from friends and relatives throughout the United States and Canada. Tributes from the local press also testified to the high esteem in which Mrs. Lockerby was held.

Alberton and Vicinity

Mrs. Arthur Wright, Alberton, spent the week-end in Charlottetown.

Mr. James Watson arrived at Alberton South on Tuesday after being employed for some time at Boston, N. B. A short time ago Mr. Watson suffered a foot injury which resulted in the loss of several toes. He was a patient at hospital in Fredericton for a number of days but is now able to be up and around.

IN MEMORIAM

MRS. SAMUEL DRUMMOND

It was with feelings of deep regret that her many friends and relatives received the sad news of the death at her home in South Freetown, on Tuesday, October 21, 1952, of Mrs. Samuel Drummond. She was eighty-two years of age and had been ill for only a few days. She was the former Eliza Biggar of Breadalbane. In early life she married Samuel Drummond who predeceased her six years ago.

For many years she was a regular attendant at the United Church, Freetown, of which she was a member. She will be greatly missed in the home where she was always ready to welcome her friends; loved and esteemed by her family, she returned that same love for them; truly a mother and grandmother in every way.

Her thoughts were so full of the family, she could never forget, and so we think that where she is, she must be watching yet. She was always a great lover of the out of doors and in her younger years was always happy while working in her garden or among her flowers which she loved so well. As a neighbour she was ever willing to lend a helping hand in time of sickness or a friend in need.

As she realized her earthly life was drawing to a close, she faintly repeated "The Lord's Prayer." She leaves to mourn the loss of a kind and loving mother, the following daughters and sons, namely: (Eva) Mrs. Willard Stetson, Freetown; (Addie) Mrs. Stanley Biggar, Stanley Bridge; (Gladys) Mrs. Essie Wright, Middleton; Minnie and Mrs. Olive Wright at home; Thomas, Frederick and Wilbert, all of South Freetown; one brother, Calvin Biggar, San Francisco, California; also sixteen grandchildren and three great grandchildren, to whom she was very attached.

The impressive funeral service conducted by Rev. Kenneth Campbell, assisted by Rev. Burton Crowe, was largely attended. Hymns sung were: "The Lord Is My Shepherd", "In the Sweet Bye and Bye", the latter being a favorite of the deceased.

Mr. J. B. Lewis sang very feelingly "No Night There". The pallbearers were: Walter MacLeod, Joseph and Nelson Matheson, Eldon Drummond, Albert Stetson and Ivan Kennedy, who tenderly laid her to rest in the People's Cemetery at Freetown.

Sheltered in the Rock of Ages, Anchored on the Golden Shore, In the loving arms of Jesus Rest dear Mother ever more.
