

LIEUTENANT-GOVERNOR TAKES SALUTE

Lieutenant-Governor F. Walter Hyndman flanked by numerous provincial and civic dignitaries took the salute at the saluting stand as Canadian Legion veterans paraded in force to honor the dead of two wars yesterday. Inclement weather failed to chill the zeal of the marchers.

Winning Camera Club Print Is Shown By Rev. Mr. Crowe

Wheel within a Wheel, by Rev. Burton Crowe, placed first at a Camera Club competition. This technically skilful figure arrangement was judged tops for the subject silhouette. Second place went to Margaret Mallett for Kirk at Twilight an artistic print of St. James steeped against the sky. Third went to Rev. F.H. Littlejohns for Child at Prayer, a charming study of a child at prayer by the mother's knee.

The regular meeting of the Charlottetown Camera Club was held in the projection room of the National Film Board, through courtesy of its director, Mr. John Martin. President Donald Gill was in the chair. He reported that several members had joined the Color Photography Association of Canada, and the purpose of CPAC was explained.

A collection of photographic material donated by various members was auctioned off by Rollie Taylor, and a substantial sum realized.

The club saw a beautifully photographed film, The Living Stone, showing the life of an Eskimo family, built around the theme of sculptures by the father of the family, and by other Eskimos. Sincere thanks on behalf of the club was expressed to Mr. John Martin.

Dr. Eisinger gave a talk on lenses of different types, and demonstrated with color slides the advantages and disadvantages

Naval Officer Will Interview College Students

Commander W.H. Fowler, C.D., R.C.N., is currently on a three-day visit to Charlottetown to interview candidates interested in a career in the Canadian Navy. His Charlottetown visit is part of a tour of all Maritime Colleges and universities where he hopes to interest under-graduates in a career as an officer in the R.C.N.

Commander Fowler is Command Education Officer for the Atlantic Coast. He is stationed at H.M.C.S. Stadacona in Halifax. This area's armed forces officer is Lieutenant Joseph J. Mahar at St. Dunstan's University. Lt. Mahar's office is available for career counselling in all three services.

Park Royal And Trinity Ass'ns. Hold Dinner

The combined Men's Association of Trinity and Park Royal held their November supper meeting in the social hall at Trinity church on Monday evening.

The meeting was presided over by President Lester Keiser of Trinity, who called the meeting to order by observing one minute silence in honour of "Remembrance Day".

Grace was given by Rev. A.F. MacLean. A supper was served by the women's association of Trinity Church. Following supper, Rev. Robert Latimer led the group in a sing-song with Mr. Royston Mugford at the piano.

Dr. John Craig, a special guest at the supper, spoke briefly concerning the forthcoming blood donor clinic, and outlined the great need of donors. He asked for the support of all present to make this Red Cross Blood Donor Clinic a success.

A solo "Great is Thy Faithfulness" was rendered by Rev. Mr. Latimer.

Mr. Justice George Tweedy introduced Rev. Burton Crowe, minister of Park Royal, as guest speaker of the evening. Mr. Crowe took as the subject of his address "Church and Industries of Cape Breton" which proved to be most interesting. Following his talk he showed slides of Cape Breton Island which were most enjoyable.

The speaker was thanked by Rev. Mr. Latimer. Benediction was pronounced by Rev. Mr. MacLean.

Trinity YPU Hold Social

Trinity Young People's Union held a very successful Halloween social on Thursday evening. The group, dressed in many interesting and comical costumes, held the social at Walter Cox's cottage at Brighton Shore. The cottage was beautifully decorated by the recreation committee, with streamers, balloons and jack-o-lanterns. Very interesting contests were held for the amusement of the audience.

Mr. and Mrs. Walter Cox, and Mr. Latimer judged the costumes and awarded first prize to Carol Thompson, an old man; second to Pamela Peake, a Japanese lady; third to John Robinson and Roger Lord. The lunch committee served a delicious lunch of hamburgers and ice cream.

BEARS STICK AROUND

CHURCHILL, Man. (CP)—Residents of the army camp here have been warned to stay inside camp boundaries because of the number of polar bears in the area. Unduly warm weather has been blamed for keeping the bears in the area on the southwest shore of Hudson Bay, 610 miles north of Winnipeg. The weather has left the bears without ice pans to travel on and they have been seen around the camp garbage dump.

Highfield W.M.S. Open Mite Boxes

On Thursday evening, November 6, the Highfield Women's Missionary Society held their annual Mite Box opening in the church basement.

Mrs. Lea Toombs led an inspiring devotional period. Scrip

1,200 Is Set As Objective For Ch'town Blood Clinics

Fremont Archer, chairman of the Red Cross blood donor committee for Charlottetown, presided at a meeting of this committee yesterday which had almost 100 per cent attendance of members.

He welcomed to the meeting, Dr. John Craig, provincial pathologist who is also the medical director of the P.E.I. sub-depot, Canadian Red Cross blood transfusion service. Dr. Craig has been delegated by the P.E.I. Medical Society to secure members of the medical profession to speak on the importance of blood transfusions in present day medicine at regular meetings of organizations during the next few weeks.

Mrs. F. L. MacMillan, Mrs. A. J. Haslam and Mrs. Henry Blanchard agreed to contact the presidents of various organizations with regard to having the doctors attend their meetings for this purpose, and as the result of their calls some 20 different groups have signified their desire to have the Doctors speak to them.

Mr. Archer announced that the Charlottetown clinics will be held at Trinity Social Hall on December 1st and 2nd, with an objective of 1200 donors. In view of the fact that Charlottetown is in on a three-day challenge this time with Summerside and the R.C.A.F. Station competing, every effort will have to be made to obtain a maximum attendance at the December clinics.

The chairman called attention to the loss of such a large number of donors as the result of the recent ruling which has eliminated those who have ever had jaundice as donors. He remarked that it would be of great assistance if all in this category would exert their influence in soliciting others to replace them as donors.

Snowflurries Were General In P.E.I. Tuesday

Snowflurries—at times heavy—were general throughout Prince Edward Island yesterday. It was the first time this season that snow fell over the whole province, although there had been light flurries earlier in some areas.

Yesterday's fall left the ground white at least for a time almost everywhere. In some places up to an inch of snow fell.

The weather office at Halifax said Mont Joli, Que. had 11 inches of snow on the ground early yesterday morning. Other reports of snow depth were, Seven Islands, Que., 8 inches, Campbellton, N.B., 4 inches, Chatham, N.B. one inch, Quebec City 2 inches, and a trace of snow at Fredericton, N.B.

The lowest temperatures in Eastern Canada early yesterday morning was 4 reported at Nitchequon, Que. The highest temperature in Canada yesterday was 58 degrees reported at Sable Island, N.B.

WEATHER

TORONTO (CP)—Temperatures issued by the weather office:

Dawson	5	6b
Calgary	16	46
Ottawa	35	45
Saint John	31	37
Moncton	31	34
Halifax	39	41
Charlottetown	34	35
St. John's	44	52

HALIFAX (CP)—The weather office says another band of cloud accompanied by a few snowflurries will move across the district today.

Northern Nova Scotia, Eastern Shore, Cape Breton, Prince Edward Island: Cloudy with a few snowflurries; little change in temperature; west winds 20. Low-high at New Glasgow and Goshen 27 and 43, Sydney 30 and 43, Charlottetown 30 and 38.

High tide today at Charlottetown at 11.36 a.m. and 11.17 p.m. At Rustico at 7.19 a.m. and 6.17 p.m. Summerside tide eighteen minutes later than Charlottetown. Sun rises today at 7.05 a.m. and sets at 4.48 p.m.
