Thoughts For Our Time

BY HIS EMINENCE CARDINAL MCGUIGAN. We deplore atheistic Communism which fails to recognize the dignity and uniqueness of each human person. But at the same time, we should condemn and avoid that spirit of isolation which would arbitrarily split the common social nature of man on the basis of purely accidental differences.

Temperatures Are Higher

The weather observer at the Experimental Farm, Warren Burns, says the temperature for the month of July has been above normal to date. With the exception of two days the mercury has climbed over the 70 mark.
