CHARLOTTETOWN OFFICE: Currie Bldg.

Is this all you have laid by for a rainy day?

**Best buy today ...worth more tomorrow!**

Ford is today's best value for the money, because it has more of the fine-car features that ordinarily go with a much higher priced car. That's why Ford is worth more when you buy it, worth more when you sell it.

Ford's 110-Hp. Strato-Star V-8 engine has the kind of power the whole automotive industry is turning to in answer to public preference. It's smoother, has longer life and is more dependable than any other type of engine made.

Fordomatic\* Drive, Overdrive\* and Synchro-Silent shift each represents, in its respective field, the most modern and efficient means of transferring power from engine to wheels. Test-drive Ford... and add up all Ford's worth-more driving features. You'll discover, beyond any doubt, that Ford delivers most for the money!

**POWERED** with the finest  
**PRICED** with the lowest

Master-Guide Power Steering represents the last word in driving ease... the newest, lowest-priced power steering, that puts hydraulic power at your command in exactly the degree you require it.

\*Power Steering, Fordomatic Drive, Overdrive and white sidewall tires optional at extra cost.
