

MISCELLANEOUS.

An unhappy marriage is like an electric machine—it makes one dance but you can't let go.

Premier Mowatt, of Ontario, has promised to give the project of a Provincial Inebriate Asylum his favorable consideration.

It is stated in Montreal that the Rt. Hon. Mr. Massey has purchased 120,000 acres of land in the North-west for an English Colony.

One of the Governor-General's brothers is to marry an Irish girl—a Miss Blood. She comes from an aristocratic family—of good blood, as it were.

Mr. Patrick, clerk of the House of Commons, on his superannuation will receive \$2,380 per annum, he having been in the service of the Government for fifty-four years. Mr. Bourionet has been appointed Mr. Patrick's successor. It is said that Mrs. Patrick fell heir to quite a handsome sum of money through the recent death of her father, the late Mr. Hopkins.

An Ottawa Despatch, of the 16th, contains the following:—"Messrs. Greenfells, George Stephen, Angus McIntyre and Hill proceeded to New York this afternoon for England. The object of Mr. Stephen is the promotion of a scheme of emigration in connection with the Canadian Pacific Railway, which has been discussed with the Minister of Agriculture, with a view to united action on the part of the Government and the Syndicate.

Mr. Costigan, M. P. P., is an excellent observer of matters and things in general, though he sometimes lets his zeal get the better of his discretion in politics. We are therefore glad to make the following extract from the Ottawa Citizen. The district referred to is what has been called the "Canadian Desert." "Mr. Costigan says the dividing line between the Souris and Qu'Appell Rivers is much better than the Manitoba lands, and the plains that were reported a barren waste are, for the most part, fertile."

Fever and Ague.

Are you troubled with Ague, Chills and Fever, Bilious Fever, Remittent or Intermittent fever, Night Sweats or any disease that comes from Malaria or disordered Liver and Hot Sun? If so, procure a bottle of Green's Ague Conqueror, which is an acetic extract of strong tonic roots, combined with Sulphate of Magnesia, etc., and positively contains no Quinine, Arsenic or other poisons. It purifies the blood, cleanses the liver, spleen and other secretive organs so effectually that the chills will not return. We have never found any case of Fever and Ague it will not cure. Price 50 cents and \$1.00 per bottle. One large bottle has cured as many as five in one family. "Sold by all druggists and dealers everywhere."

A Good Account.

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hop Bitters taken by my wife, who has done her own household work for a year since, without the loss of a day, and I want everybody to know it for their benefit."
