

LOCAL AND OTHER ITEMS.

FOR GOODS A SPECIALTY.—Beer Bros

Loss Cut Off.—An 8-year old lad named Joseph Easton had his legs cut off by a mowing machine at North Wilshire this morning. At latest accounts it was thought that he would not live.

ANOTHER NEW PAPER.—The Orange Truth is the name of a paper just started in Moncton by J. DeVeber Neale, the first number of which has been received. It is a weekly sheet devoted to the promotion of Orange interests.

OMISSIONS.—It is rumored that Mr. Arthur Peters, M. P., is at present feeling his way in the St. Peter's district with the view of being a candidate for the Commons for King's next election. It would be interesting to know what the other two Grit aspirants think of this.

SET BY MACHINERY.—Four Linotype type casting machines have lately been put into the composing rooms of the St. John Sun, and the type setting on that paper is now being done by machinery. Each of these machines does the work of three or four men. They cost about \$200 each.

THANKS.—Capt. John Gillis and Mrs. Gillis of this city, in recognition of their thanks to Mrs. Margaret McLeod, Mrs. James Gillis, Mrs. Dennis Clarke, Mrs. Malcolm McLeod, Mr. Wm. McPhail and others who, at considerable inconvenience to themselves contributed so much to the comfort of Mrs. Gillis when suffering from injuries received by being thrown from a carriage at Ugg on August 4th.

A VALUABLE GIFT.—Benj. Rogers, Esq., M. L. A. has kindly presented the committee of the proposed new Roman Catholic Cathedral with a beautiful and expensive silver service, which will be deposited at the bazaar to be held in the Hillsborough rink next month. Extensive preparations are being made for this bazaar, which promises to be the largest and most important affair of the kind ever held in the Province.

MISSION AT HOLLO BAY.—The mission fathers conducted services in Hollo Bay Church during last week. On Sunday evening the mission was brought to a close. Almost everyone in the parish, as well as hundreds from outside attended the meetings, which were held morning and evening. Never in the history of the parish was such interest taken in spiritual matters.

DEPLICATING THE TRACKS.—The Charlottetown World says: A Moncton commercial traveller, in the Express Club the other night, duplicated the mind reading and lifting feats of Prof. Fontana and Grace Eden, and made no claim to the possession of any unknown power or second sight. He could not be lifted in the way the committee tried to lift Grace Eden, and he duplicated the card trick and vent several letters.

POLICE COURT.—This forenoon John Joy was convicted of two violations of the Canada Temperance Act, fined for each \$50 and costs or two months imprisonment. Another case against Joy was dismissed. The summonses against John Benn and Thomas Flynn, steward of the Charlottetown Club, were also dismissed. Philip Carley was fined \$50 and costs or two months imprisonment for a violation of the Act. This is the third conviction recorded against Carley since the Act came into force.

PICNIC AT MISCOUCHE.—The C. M. B. A. picnic at Miscoche yesterday was an unqualified success in every sense of the word. The gathering was large, and representative men, politicians and clergymen were in attendance. The oration was delivered by the District Deputy, Rev. Father Burke, and, for an open air speech, was admirable. The special trains from Summerside were most successful and highly creditable to the organization, which must receive a new impulse in consequence.

DROWNING ACCIDENTS.—Yesterday morning Thomas Wise, of Charlottetown, was accidentally drowned near Pictou Island. It seems that Wise and William McNeill, also of this city, were on their way from Murray Harbor to Pictou in the W. P., a boat about 20 tons, and Wise lost his balance and fell overboard during a heavy sea. McNeill tried hard to save him, but could not do so. Wise was about 65 years of age and unmarried. He had many friends, who will hear of his death with regret.

A telegram received today by Mr. F. Kennedy of this city, brought the sad intelligence that his brother, Mr. H. J. Kennedy, was drowned at Portland, Oregon, yesterday. The body was subsequently recovered. Mr. Kennedy kept a heavy stable on Great George Street, near the Merchant's Bank of P. E. Island building, and was well known throughout the Province. His death will be regretted by many.

PERSONAL

Francis Bain, Esq., was a passenger in the Florida to Boston last evening. Mr. W. C. DesBrisay is in Halifax, on his way to Charlottetown, on a well-earned holiday.

Lord and Lady Aberdeen, and suit, will vacate Maplewood on the 1st of September. They leave Halifax on that date for Quebec—Halifax Herald.

Mr. Wm. A. Baker, one of our successful catties, who has been in the west for the past few years, passed through here last night on a visit to his home at North Lake. He returns in a few weeks.

The Rev. James McLaren, of Antigonish, Mass., is visiting here at Hollo Bay and Bay Fortine. Mr. McLaren is a native of this Island, and a brother of the late Rev. Charles McLaren, who died in Siam.

Mr. E. Toombs, merchant of Charlottetown, is in the city, the guest of his brother, Mr. B. Toombs. He is accompanied by his son Albert. Mr. Toombs sees a gratifying change in Moncton since his visit five years ago—Times.

Rev. A. J. Macdonald, St. Dunstan's College, Charlottetown, officiated at the services in St. Paul's Church here on Sunday last. At 11:15 Mass. he delivered an excellent practical sermon from the words, "No man can serve two masters." He first described the tributes of the Master, and then the manner in which we should serve him—Journal.

QUALITY

Exhibition of Fur Goods at Beer Bros.

During the past five years especially we have made it one of our great objects in business to procure for our customers everything new and desirable in Fur Goods. We have searched the markets in England and Canada to obtain the very best qualities and the very lowest prices. The very largely increased amount of business done by us in this department, and the satisfaction we have given our customers, is full proof that our attention in this respect has been largely gratified. Our sales already this season indicate that we shall surpass anything done by us heretofore. Ten Cases of our Fur Goods having already come to hand, we have decided to make our first Fur Exhibition at once. Our both windows will therefore be taken for that purpose for a few days. We intend making this the biggest Fur trade season on record by us. All correspondence regarding Style, Quality or Price of goods will be promptly attended to by us.

GREAT GUNS.

The annual inspection of the P. E. I. Battalion Garrison Artillery took place on Monday. The inspecting officers were Lieut.-Colonel Montzambert, Inspector of Artillery, and Commandant of the Royal School of Artillery, Quebec, and Lieut.-Colonel Munnell, D. A. G., Fredericton, N. B. The infantry inspection took place at Victoria Park. The inspecting officers were received with a general salute and then inspected the clothing, equipment, &c. The companies then marched past in column by the right and in quarter column by the left. This was very well performed. The manual and firing exercises and a number of battalion movements were then executed, showing the result of careful drill and training. The battalion was marched to the drill shed where the more important part of their inspection as artillerymen took place. After divesting themselves of their knapsacks, the men formed in detachments for gun drill on 64-pounder and 40-pounder guns. In this branch of their work the men did splendidly, handling their guns like regular soldiers, and are to be congratulated on doing so well. The officers present were Lieut. Col. F. S. Moore in command, Major J. A. Longworth, Surgeon S. R. Jenkins, M. D. Adjutant Capt. W. A. O. Morson, Paymaster S. F. Hodgson, Quarter Master Capt. E. Cameron, No. 1, Company, Capt. H. M. Davison, Lieut. F. Parker Carvell and E. D. Stearns, No. 2, Company Capt. F. W. L. Moore, Lieut. A. Peake and C. C. Richards.

The Artillery Band was present, the inspecting officer thought, in better condition than ever. On Tuesday shooting detachments from No. 1 and 2 Companies and officers went to Keppoch for annual gun practice and to compete for prizes offered by the Montreal Artillery Association. A 40-pr. breech-loading Armstrong gun was taken over by John Gillis and six horses. The practice took place on the farm of Mr. Duncan Stewart, the targets being placed in the waters of the bay. The range is acknowledged by competent judges to be one of the best in Canada. The practice was very satisfactory, the scores were exceptionally high and the weather all that could be desired. The scores were: Officers—Lieut. Col. Moore, 20; Major Longworth, 19; Capt. H. M. Davison, 18; Capt. Moore, 18; Lieut. Peake, 18.

Table with 2 columns: NO. 1 COMPANY, Pts. Bomb. Prond... 31, Gunr. Scantlebury... 26, Sgt. Murley... 25, Total... 82

Table with 2 columns: NO. 2 COMPANY, Pts. Gunr. Howatt... 21, Gunr. Campbell... 14, Sgt. McNevin... 21, Total... 56

Col. Moore wins the officers prize, \$8; Bomb. Prond, 1st ordnance prize, \$6; Gunr. Scantlebury, 2nd ordnance prize, \$4. Col. Montzambert was umpire. Surgeon Jenkins, scorer at firing point; Capt. McDougall, range officer at the targets. It is gratifying to find our gallant Artillerymen holding the very high place which they have held year after year. The Province has just reason to be proud of their achievements; for year after year, by their successes on the Island of Orleans, Quebec, and Halifax, they have added to the fame of "the tight little Island." Col. Moore and his officers, non-commissioned officers and men, have reason to feel proud of the results of their efforts as citizen soldiers. In the Company inspection, No. 1 Company showed great efficiency—many critics say better than ever. Capt. Davison must feel rewarded for the labor and attention given to the instruction of his Company.
