OBITUARY

REAGH H. ELLIS

(Inserted by friends and relatives as a tribute to the deceased.)

The death occurred at the P.E.I. Hospital on March 9th, 1963 of Reagh H. Ellis in his 25th year.

After graduation from Souris High School in 1955 Reagh joined the staff of the Canadian Imperial Bank of Commerce and during his seven years of employment with the Bank he worked in several branches throughout the Maritime Provinces.

In July 1959 he married the former Doris C. Dixon and subsequent to their marriage they lived for 2½ years in Windsor, N.S., where Reagh was an active member of the Windsor Branch of Lions International. In 1962 he returned to Prince Edward Island and was employed by Storey Electric until illness forced his resignation from that Firm. He was an active member of all community and service organizations but it is within the family circle that he will be most missed. Besides his wife, he leaves to mourn one son Reagh (Jr.), his mother and father, Mr. and Mrs. R. T. Ellis, Souris and the following brothers and sisters; Hume, Milton and Judy at Souris, Dr. Kent in Hunter River, Doreen (Mrs. Martin) Myers of Charlottetown and Carol of Charlottetown. One daughter predeceased him two years ago.

His largely attended funeral was held from St. James United Church at Souris on March 13th. Funeral services were conducted by Rev. Elton Adams assisted by Rev. Mr. Dindial of Hunter River. Hymns sung included "The Old Rugged Cross" and "Beautiful Garden of Prayer". Interment was in the Church cemetery at Souris West. The many beautiful floral tributes, gifts and messages of sympathy bore silent tribute to the esteem in which the deceased was held during his lifetime. The pallbearers were Claude Dixon, James MacDonald, Bill Townshend, George MacDonald, Bert Paquet and Vernon Poole. Arnold Dixon, Clarence Dixon, George Cantello, Eric MacKenzie, Eugene Dugas, Robert Roach, Everett Aitken and John Aitken were the flower bearers.

CARD OF THANKS

Mrs. Reagh Ellis and family wish to thank all friends and relatives for their many acts of kindness shown during the illness and death of a beloved husband and father and also the doctors, nurses, technicians, nursing assistants and staff of the Prince Edward Island Hospital. A special thank you to Drs. Drysdale and Lea and to Reagh's brother, Dr. Kent Ellis, who so faithfully attended him. Thanks are also extended to Rev. Ross Howard, Rev. Elton Adams, Rev. Mr. Dindial and the Dingwell Funeral Home for the kindness extended by them. We also thank those friends who called and those who sennt the expressions of sympathy, flowers and donations to the memorial fund.

OBITUARY

Inserted by friends and relatives as a tribute to the deceased.

CHARLES ELMER LARTER

The community of Hampshire and surrounding districts were deeply saddened on May 31st when it became known that Charles Elmer Larter had passed away in the Prince Edward Island Hospital after a brief illness.

He was born in Hampshire, on August 3rd, 1916, the son of Watson and Florrie (MacKinnon) Larter. He lived all his life there; where he was engaged in farming, except for a few months when he was a member of the armed forces.

Elmer was of a very kind and cheerful disposition. His illness was borne with Christian courage and faith. Many who called on him in hospital were touched by his cheerfulness and deep concern for others, sick and suffering about him. A truly unselfish man, a devoted husband, father and son, who will be greatly missed bw all those near and dear to him. Outside his home, as well, he will be remembered as one, who was ever ready to give a helping hand, at any time.

Left to mourn his early passing are his sorrowing wife, the former Isabel Diamond of Winsloe, four children, Elmer Keith, Margaret Thelma, Wendy Jean and Alan Bruce. Also left to mourn are his grieving parents, and the following five sisters and one brother: Frances, (Mrs. Clayton Tremere) Hunter River; Margaret (Mrs. Norman MacFarlane) Fredericton, N. B.; Mildred (Mrs. Donald Ferris) Yorkton, Sask.; Christie (Mrs. Albert Loughran) Hunter River; Flossie (Mrs. Gerald MacFarlane) Temperance Vale, N.B.; William of North Wiltshire. A brother Ernest Bruce predeceased him.

The funeral was held on June 2nd from Hampshire United Church, where he had attended Sunday School as a boy, later becoming a follower of Christ and a steward in the service of his church. Many people attended from near and far to pay their last respects to one whom they loved and held in high regard.

The funeral service was conducted by Mr. James Millar of Winsloe, assisted by Mr. Harold Braun and the Rev. Ross Howard who gave the message and spoke words of comfort to the bereaved. Hymns sung were: "The Lord's My Shepherd", and "Safe In The Arms Of Jesus".

Burial was in the church cemetery.

Pallbearers were, Clifton Stewart, Arnold Godfrey, Ivan Sentner, George Proude, Robert Edner, George Proude, Robert Edwards and Raymond Tremere.

CARD OF THANKS

The family of the late Charles Elmer Larter wish to thank all their neighbors, friends, and relatives for their many acts of kindness shown during the illness and death of their loved one. A special thank you to Dr. Kent Ellis, who so faithfully waited on him, Dr. Drysdale, nurses and staff of the P.E. Island Hospital, Rev. W. Dindial, Rev. Ross Howard, Mr. James Millar and Mr. Harold Braun, the clergy who visited both him and us, to the relatives and friends who sent flowers, cards, and contributions to the Cancer Fund as well as to the MacLean Funeral Home. A very sincere thank you to all.

TACKLES THIEF

TORONTO (CP) — William James Ketcheson, 34, felled by a druggist's flying tackle while holding up a downtown drug store, was sentenced to six years in prison. Ketcheson held his hand in his pocket, pretending to have a gun, and stuffed $103 from the till into his pocket. His attention was distracted by a messenger boy behind him and druggist Herbert Binder, 26, dove at him.

Mr. and Mrs. George Gregory and family.

St. Thomas Aquinas Society Reports On Year's Progress

TIGNISH — The annual meeting of the St. Thomas Aquinas Society was held in the Tignish Regional High School recently with a large turn out of members in attendance. Rev. M. J. Rooney welcomed those in attendance.

The president, Rev. Joseph LeClair; the secretary, J. Edmund Arsenault; corresponding secretary, Francis Blanchard, and treasurer, Rev. Charles Gallant were present as well as the chaplain, Rev. Jean Buote, ann the dean of Acadian education, Dr. J. Henri Blanchard of Charlottetown.

This is the 44th year of the society and it was reported the most successful. A total of 48 pupils are being sponsored by the society in various schools and colleges throughout Canada. This group of students comprises 31 boys and 17 girls.

The year's work was reviewed by the secretary and was considered a very successful year. The marks from the various students are satisfactory and more students could be helped if the requirements are met, it was stated. The society gives annual prizes for French in the schools. All the papers are corrected and the tremendous amount of other work done by the society goes directly into the fund for the education of Acadian youth.

Prizes are also given to the branches contributing the largest amount to the fund. The roll call of the delegates was made at the first session, and almost all of the 28 branches were represented.

Dr. Blanchard addressed the meeting congratulating all the branches of the society especially Summerside who raised more than half the funds.

Mr. Blanchard gave a report of the contest in French, 25 schools co-operated with $707 given out in prizes. There were 69 papers submitted and they were generally well done.

Euclide Arsenault gave the financial report on the various securities held by the society. Two committees were formed for resolutions and nominations. Ulric Poirier was chairman of the resolutions committee and Dosithe Poirer, chairman of the nominating committee.

Albert Gallant, school inspector suggested ideas for raising funds and also for the celebration of the Acadian national feast day Aug. 15.

FORGETTING FRENCH

Edmund Arsenault spoke of the desirability of speaking French and stated that the English are learning French while the French people are forgetting it.

Mr. Blanchard spoke about the need of having more young Frenchmen in good positions and to remain on the Island to replace those who are now working so hard for their benefit. The students who were present were introduced to the audience and Frederic Arsenault, representing the students also spoke.

The annual prizes for the top contributor was won by Summerside.

Prizes for the annual lottery draw were as follows: first prize, Ted Arsenault, Richmond; second, Diane Arsenault, Mount Carmel; third, J. Deval, Rollo Bay, fourth, Mrs. J. H. Blanchard, Charlottetown. Five prizes of $10 each were also awarded.

A lunch was served the visiting members by Mrs. Harold Cormier and Mrs. Emile Gallant and a social hour followed.

Births, Deaths Marriages

ENGAGEMENTS

CHANDLER — MacKAY —Mr. and Mrs. Clifford Chandler, North Milton, wish to announce the engagement of their daughter Gloria Jean to George Kenneth, son of Mr. and Mrs. George K. MacKay, Winsloe. Marriage to take place in the near future.

MARRIAGES

HACKER — MacLEOD — The marriage of Mrs. E. Vernon MacLeod of Albany to Mr. Louis W. Hacker of Summerside took place at St. Paul's Anglican Church, Charlottetown on July 27, 1963. Rev. F. Louis Elias officiated.

IN MEMORIAM

AFFLECK — In loving memory of Brenda Marie Affleck, accidentally killed August 5th, 1955.

There is a smile we will always remember,
A voice we will always recall,
And a memory we will cherish forever,
Of one so dear to us all.

Always remembered by Mom, Dad, brothers and sister.

CARD OF THANKS

Our thanks to the following for their donations to the Lower Montague Regatta: R. J. McDonald, Cardigan; Brothers Service Station; Mabons Drug Store Irving Oil Co. Steel Earnings Rise Sharply

CLEVELAND (AP)—Steel industry earnings rose sharply in the second quarter after months of low profits, the magazine Steel reports.

The metalworking weekly says the industry's net profits per dollar of sales jumped to 6.3 per cent from the first quarter's four per cent and were almost double the 3.75 per cent rate in the second quarter of 1962.

Steel says the second-quarter earnings are all the more impressive considering that the industry's employment costs continued to climb and that operating costs included larger amounts set aside for depreciation and depletion under new regulations for determining depreciation for federal tax purposes.

The publication believes 1963 will be the steel industry's best production year since 1957 if the decline in steelmaking is halted this month and orders pick up.

With operations close to 58 per cent of unofficial capacity, ingot output this week will be less than the estimated production of 1,800,000 tons last week, Steel says.

The magazine's price composite on No. 1 heavy melting grade of steel-making scrap rose 66 cents to $26.33 a gross ton last week. The hike was attributed to higher bids on industrial scrap offerings for August.

Eskimo Transfer To Quebec Seen Serious Question

OTTAWA (CP) — Citizenship Minister Favreau has told the Commons that the federal government will not transfer its jurisdiction over 2,000 Eskimos in northern Quebec to the provincial government until it has been shown clearly that the Eskimos would benefit from such a step.

He said it is absolutely unfair for Quebec government officials to accuse the federal government of holding up the transfer.

There were many factors to consider in determining what would be in the best interests of the Eskimos, he told Louis-Joseph Pigeon (PC — Joliette-l'Assomption-Montcalm).

Mr. Favreau said jurisdiction over Quebec's Eskimos was transferred to the federal government in 1939 in a decision of the Supreme Court of Canada. He said the Quebec government of the day had petitioned the court for such a ruling in 1935.

The minister was replying to criticism from Quebec Resources Minister Rene Levesque and Eric Gourdeau, an official of the Quebec resources department in charge of northern affairs.

CWL Convention Opens Aug. 17

CALGARY (CP)—The Catholic Women's League of Canada will hold its 43rd convention here Aug. 17 to 22.

"The revitalization of the Catholic social order" will be the theme of the five-day meeting during which discussions will be led by Most Rev. Remo DeRoo, Bishop of Victoria; Rt. Rev. Charles A. Empson, director of the Manitoba council of the CWL; Very Rev. F. J. Smyth, Coady International Institute, Antigonish, N.S.; Rev. E. C. Garvey, St. Mark's College, Vancouver, and Rev. Lionel Mondor, director of the Saskatchewan council of the CWL.

The CWL has 146,000 members in Canada.

Sask. Wheat Pool Broadens Interest

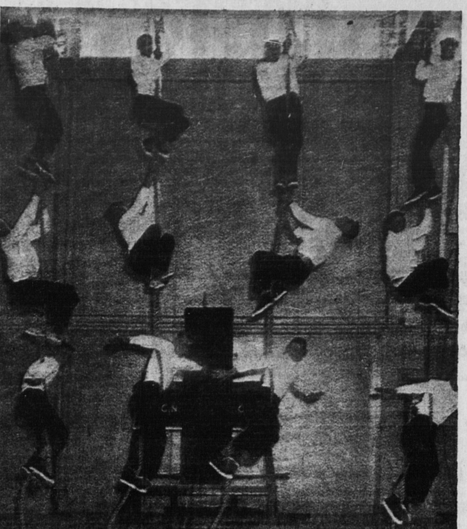
REGINA (CP)—The Saskatchewan Wheat Pool has announced it is going into the farm supply business.

The pool said it has bought the assets of Saskatchewan Seed Cooperative Limited and will handle large amounts of registered and certified seed grains.

Charles Gibbins, president of the wheat pool, said the pool is entering the farm supply business in response to "persistent demand" from its members, who want sources of farm supplies close at hand.

MUCH IS PARKLAND

One-fifth of Wales' 8,016-square-mile area is taken up by three national parks.



MONKEY SHINES

This group of new entry seamen demonstrate their agility on the ropes, acquired during basic training at HMCS Cornwallis. The Royal Canadian Navy places great emphasis on physical training and sports in its recruit training program and produces a marked improvement in physical fitness. Famed Collection To Be Shown Here

Thirty-seven paintings, valued at $75,000, making up a collection entitled "Gallery of Canadian History", the property of the Confederation Life Association of Canada, will be the first to be exhibited in the art gallery of the Fathers of Confederation Memorial Building when it opens on May 15, 1964.

Ian Murray, Toronto, public relations manager for the company, announced in Charlottetown Wednesday, following his meeting with Dr. Frank MacKinnon, a member of the Citizens' Foundation art selection committee, that final arrangements for the showing had been completed.

FIRST FLAG

The paintings illustrate major events in Canada's history and range from the planting of the first British flag on North America by Cabot in 1497 to the voyage of the schooner St. Roch through the Northwest Passage in 1944.

Twenty-five of the paintings are the work of the late John David Kelly. He was an official war artist in the North-West of 1885 and did his last work for Confederation Life in 1955 at the age of 95, three years before his death.

Artists who worked with Mr. Kelly on one or more paintings have been H.B. Goodridge, Bruce Stapleton and the late Thos. Mitchell. The seven most recent paintings in the collection are the work of Rex Woods, noted for his keen historical research and meticulous attention to detail.

When not travelling across Canada or on loan, the original paintings are on permanent display in Confederation Life's 10th floor gallery in its Toronto head office.

Mr. Murray said one of the key pictures in the collection, as far as Charlottetown is concerned, is "Prelude to Confederation" which depicts the delegates from Canada East and Canada West arriving for the Charlottetown conference in 1964.

The Fathers of Confederation Memorial Foundation requested that the Confederation Life Association collection be displayed in the new gallery. Other collections of paintings will also be featured when the new gallery opens.

Mr. Murray was accompanied yesterday by Victor MacDonald, Charlottetown, Confederation Life's divisional manager.

Canada's Business Life Has Plenty Excitement

By FORBES RHUDE
Canadian Press Business Editor

Canada's business world, turning from the Canadian-American financial relations that have taken its attention recently, found lots of excitement on other fronts last week.

First place in interest and conjecture probably goes to the decision of the British Columbia Supreme Court that the provincial government's 1961 expropriation of the B.C. Electric Company was ultra vires of the legislature and that the price offered was too low.

At the weekend the complex situation was awaiting a solution—with the provincial government saying it would appeal the decision.

Parliament provided a raft of announcement with long - term significance.

The 27-mile Welland Canal between Lakes Ontario and Erie will be twinned at a cost of $180,000,000, providing work for about 5,000 men over the next five years. Less welcome was accompanying word that the question of tolls on the Welland, suspended a year ago, will be reopened for "serious consideration."

TO BUILD AT CORNWALL

It was also stated that when justified by traffic, locks will be built at Cornwall, thus providing an all-Canadian St. Lawrence waterway.

Announcement was also made in Ottawa of a second long-term wheat sales agreement with Communist China, valued at around $300,000,000. Under it China will take between 112,000,000 and 186,700,000 bushels of wheat over the next three years.

Measures approved by Parliament Friday included setting up of a $400,000,000 municipal development fund and establishment of a 28-member Economic Council of Canada.

Though put somewhat into the background by other developments, Canadian - American relations remained a prime topic. Finance Minister Gordon met with U.S. Treasury Secretoay Dillon and other American officials in an effort to get all dealings in Canadian securities by Americans exempted from the proposed interest equalization tax.

Continuing American investment interest in Canada was pointed up dramatically with announcement that First National City Bank of New York proposes to enter the banking business here.

It plans to do this through acquisition through its subsidiary, International Banking Corporation, of a 50-per-cent interest in the Mercantile Bank of Canada, now entirely Dutch owned. The arrangements are subject to approval of the U.S. Federal Reserve Board.

WILL EMPHASIZE AID

The new banking partnership, the announcement said, will emphasize assistance to businesses and individuals located in Canada in developing their international business.

Automobile manufacturers, with a big year behind them, are preparing for increased demand as they go through the annual holiday and model-changeover period. Chrysler Canada Ltd. says it is increasing production capacity of its car plant at Windsor, Ont., by 10 per cent. Capacity will be 50 cars an hour—the highest hourly output in the company's history.

Among other interesting announcements of the week, the Canada-United States International Joint Commission says it will hold hearings in September on the feasibility of developing a waterway from the St. Lawrence River to Albany, N.Y.

Capital investment this year promises to be higher than originally estimated. In a survey made before the June 13 budget the department of trade and commerce estimates total investment of $9,340,000,000, up 6.9 per cent over last year and about three per cent more than estimated in the early year.

The bureau of statistics reports a favorable trade balance of $85,500,000 in the first six months of this year, compared with a deficit of $113,800,000 in the corresponding period last year. Exports were a record $3,211,800,000.

Czech Boy Becoming Good Citizen

OTTAWA (CP) — The immigration department said here that 15 - year - old Milos Navratil, who fled to Canada from Czechoslovakia last December aboard a Cubana airliner, is making excellent progress in his drive to become a Canadian.

Milos sneaked aboard the Havana-bound Cubana airliner in Prague Dec. 18, hiding in the freight section. When he was put off at Gander, Nfld., Dec. 21, and turned over to Canadian immigration authorities.

The youth said he had an "uncle"—a brother of his grandmother—living near Ottawa and gave his name as Stastny. When authorities were unable to locate the uncle, a home was found for Milos with Jaroslav Tichy of Dartmouth, N.S.

STARTS GRADE 10

The department said that Milos completed Grade nine this school term and will start Grade 10 in the fall.

"He is doing very well," a department official said. "He has made friends, is taking part in sports and is adapting himself to the Canadian way of life."

A MESSAGE—

FROM THE PRESIDENT OF THE DAIRYMEN'S ASSN.

TO ALL DAIRYMEN—

With the current milk or cream settlement from your dairy plant will be included a pamphlet from the Federation of Agriculture announcing the deduction of membership dues.

I would like to recommend to all farmers that they join and support the Federation both in their own interest and that of agriculture generally.

The Federation joins the different branches of agriculture in a united effort for improvement and progress. With strong support its influence can be extended and the problems and rights of farmers more clearly recognized.

May I suggest that the Federation be strongly supported by all farmers that we may greet in Charlottetown the annual meetings of both the Canadian Federation of Agriculture and the Dairy Farmers of Canada in January 1964 with strong and well financed provincial organizations.

DANIEL MacPHERSON.
