THE "PATRIOT" AND ITS PROTEC-
TIONIST FRIENDS.

The editor of the Patriot is very angry
with us because we do not advocate pro-
tection. We regret that we are unable to
please our bucolic friend. But our prin-
ciples are dearer and of more value to us
than the smiles of the editor of the Grit
Organ.

The Patriot should be reasonable;
and, instead of attacking us in his blind
zeal, he should attack the Globe and the
orators of the Grit Party. We published
quotations from the speeches of leading
Protectionists who support McKenzie. The
object of the speakers was to show their
constituents that McKenzie and his Party
were greater Protectionists than Sir John
A. McDonald; and we think the Patriot
must admit that they proved their case.

We did not quote from vile Tory Organs
or give the utterances of Tory orators,
knowing that the editor of the Patriot has
no respect for trash of that kind. What
we did give were the words of wisdom that
were written by the pen and fell from the
lips of genuine "elevators of the Stand-
ard;" and the Patriot surely will not re-
pudiate such authorities. Instead
of trying to goad us into advocat-
ing protection, if the Patriot was
patriotic, he would be with us, helping to
get the Liberal-Conservative party into
power, that we may have the good old
times with tea and shipping material on
the free list, and a surplus revenue with a
15 per cent. tariff.

The Patriot says that Mackenzie had to
increase the duties to meet the obligations
of his predecessors. Come, come, Mr.
Patriot, be honest. Was it not to
pay for the steel rails which are
now lying in rusty piles on the
banks of the Lachine Canal, and in the
wilds of the North-West? Was there no
money wasted on the Goderich Harbor
Job, the Fort Francis Lock, the Neening
Hotel, and other little affairs of that kind,
which were necessary to show the "elevat-
ing" tendency of Reform principles.

RENEWAL OF LICENSES.

For the benefit of a correspondent who
wishes to know the law relating to the
prevention of the renewal of tavern licenses,
we publish the following section of
the "Act Regulating the Sale by License
of Spirituous Liquors":—

15. If at any time hereafter a majority
consisting of no less than two-thirds of the
male inhabitants of any school district en-
titled to vote for trustees, shall by certifi-
cate signed by the persons composing
such majority, accompanied by an affidavit
attesting the authenticity of the signs
therein set forth that the renewal of
any tavern or store license, then subsist-
ing and in force within such district, is un-
necessary and objectionable, and pray that
no such renewal be granted; and if such
certificate and affidavit be deposited in the
office of the Provincial Secretary, not less
than thirty days prior to the time limited
for the expiration of such license, then and
in such cases it shall not be lawful for the
Provincial Secretary to grant a renewal of
such license so about to expire; and notice
that such certificate and affidavit have
been so deposited shall be given by the
Provincial Secretary, or some other com-
petent Government officer, to the party
holding the license, the renewal of which
shall be objected to by posting a letter
containing such notice in the Post Office,
Charlottetown, addressed to the holder of
the license, within fourteen days after the
depositing of the affidavit and certificate
in the Secretary's office, as hereinbefore
mentioned.

The P. E. Island steamer made her last
trip between Picton and Port Hawkes-
bury yesterday.

SUPREME COURT.

Heard vs. Union Bank.—The judgment
of the Supreme Court was delivered on
Tuesday by Judge Peters, who ruled that
the verdict should be recorded in favor of
the Bank for thirteen dollars and costs.

SECOND INDIGNATION MEETING AT MILTON.

From a "looker-on" we learn that the
second Indignation Meeting at Milton was
even more decidedly condemnatory of the
Local Government and their ill-selected of-
ficials than the first. The people are fully
aroused to the importance of having an
early session of the Legislature, and of a
subsequent dissolution. The meeting
unanimously passed a resolution in which
the Government and the Assessors are
severely censured.

SHIPPING NOTES.

James Johnston, Esq., the leading mers-
chant of Annandale, loaded twelve vessels
with produce this fall. Last week there
were two vessels taking in produce there.

On the 17th inst. there were 16 schoo-
ners and two brigantines at "The Bridge"
—Montague. Of the latter, Owen Con-
nolly, Esq., was loading one with potatoes
for England. Since that date several
other vessels have arrived from Nova Scot-
ia to carry away the productions of our
soil.

At the same time there were eight
schooners and one square-rigger loading
at Cardigan Bridge. At Georgetown there
were ten schooners and three brigantines.

The Hon. Mr. Gordon's brigantine arrived
from London on the 7th. On Sunday the
Georgetown fleet had increased to twenty-
six. At Orwell there were within the past
few days, twelve vessels.

LARGE ARRIVALS OF PRODUCE.—It will be
seen by our shipping list that there were
yesterday a large number of arrivals from
P. E. Island with produce. The potatoes
are said to be of an invariably good quality
this year, and prices are ruling low, and
will likely continue so, as there has been a
large increase in the supply over last year,
and the demand for the United States is
nil. The Boston "Journal" remarked a
day or two ago: "A cargo of Prince Ed-
ward Island potatoes sold at Halifax at
twenty-seven cents per bushel. Wish we
had the mealy beauties in Boston." Where-
upon the St. John "Telegraph" pertinently
observes: "The above is from the
Boston "Traveller." Why does not our
contemporary agitate to have the heavy
duty removed which now prevents pota-
toes from New Brunswick, Nova Scotia and
Prince Edward Island being sent to the
United States."—*Hx. Record*, 12th.

P. E. ISLAND HORSES FOR THE WOODS.—
Saturday evening Milton G. Show, of
Greenville, and Messrs. Morison & Hunt-
ing, all well-known lumbermen, returned
from Prince Edward Island, where they
have been for two weeks purchasing horses
to be employed during the winter in the
woods. They brought back with them
twenty-eight horses. Morison & Hunting
twenty-one and Shaw seven, and the ani-
mals were kept over Sunday at the stables
of the Franklin House and Penobscot Ex-
change. They are large, powerful and
splendidly built animals, and have been
admired by lots of people since their ar-
rival. They will not probably go into the
woods for a few weeks, but they look as if
they could do some good work when they
do get there. Messrs. Morison & Hunt-
ing have sold four of the twenty-one to
James Smart of Milo.—*Bangor Commercial*.

leave Montreal for Havre via Halifax on

WAR NEWS.

LONDON, Nov. 14.

Signs of activity in Serbia are multiply-
ing. Fresh troops are daily marching to
the frontier. Ambulance corps are forming,
and in Knogujevitz there is arsenal work
night and day.

Besides the capture of the fort at Satur-
nium, commanding the town of Antivari,
the Montenegrins have taken four block-
houses toward Scutari. Shusez is suffering
greatly from the bombardment. Tele-
graphic and road communication between
Podgoritz and Scutari are interrupted.

The total Turkish force in Albania is only
18 battalions, and there is no force at An-
tivari or Scutari sufficient to oppose the
Montenegrins.

Serbia replied to the Porte's demand for
the withdrawal of Serbian troops from the
frontier, that it is impossible to leave the
inhabitants of the frontier without military
protection.

BEZEROUK, Nov. 14.

All is going well; reinforcements are
continually arriving, and the Turkish troops
are in excellent spirits and confident of
their ability to hold the town.

BUCHAREST, Nov. 14.

The capture of the position which Sko-
beloff has been attacking would turn all
the intervening works towards Radzera,
Tutcheniza and Grivitza. It seems
pretty certain that the fighting has not
been for the redoubts themselves, but for
the rifle pits in front of the redoubts.
They are the same which were tempo-
rarily occupied by Skobeloff on Septem-
ber 11th.

According to rumors from the Russian
camp preparations are making for a gen-
eral assault on Plevna, as it is doubtful
whether it is possible to starve Osman
Pasha out before winter.

VIENNA, Nov. 14.

Political correspondence from Bucharest
says it is reported that General Skobeloff
captured additional Turkish positions on
Monday night. A movement of troops
inside of Plevna is observable, as though
a sortie is imminent.

GENERAL NEWS.

ROME, Nov. 14.

The Pope gave an audience of six min-
utes, yesterday, to twenty-two persons
from France.

The Pontiff conversed in French, and
spoke with an amount of effort that was
painfully evident. The few words he spoke
referred principally to the political condi-
tions in France. He counselled prayers for
peace, so that France might be spared the
horrors of another revolution.

LONDON, Nov. 14.

The American ship "Granger," Captain
Doane, from Liverpool for Manila, is totally
lost. Part of the crew were landed at
Singapore.

The rumors of an intended rising in the
North of Spain are contradicted.
About 300 Russian Mennonites left Ber-
lin on the 9th for Bremen, on their way to
North America.

PARIS, Nov. 14.

Marquis de Francieau, Legitimist, life
Senator, is dead.
General Grant will visit the Chamber of
Deputies and the Senate to-morrow.

NEW YORK, Nov. 14.

Gold opened at 102½, and at noon was
selling at 102½.

The British steamer Nankin, from New
York for Liverpool, arrived at St. Mi-
chael's on the 2d; lost boats, bulwarks
stanchions, jettisoned hundred tons of
cargo, had pumps choked and cargo shift-
ed on the 9th. Riffed and proceeded.

BOSTON, Nov. 14.

Daniel McDonald and Albert McKay of
Chester, N. S., were drowned on the 4th
while setting trawls off the Banks from
the Schooner G. P. Whitman, of Glouces-
ter, Mass.

CHICAGO, Ill., Nov. 14.

The dry goods establishment of Field &
Leiters, the largest in the city, were burn-
ed to-night. The loss is very heavy. One
fireman was killed and four others will
probably die.
